Tarditi, Inc. 401(k) Profit Sharing Plan
Lodi, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Tarditi, Inc. 401(k) Profit Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022 (Compiled), and the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Tarditi, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tarditi, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tarditi, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tarditi, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tarditi, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. TARDITI, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN

The following description of Tarditi, Inc. 401(k) Profit Sharing Plan (“Plan”) provides only general information. Tarditi, Inc. (“Company”) is a California company. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have completed six months of service. Employees may join the Plan and begin deferring on the first entry date after meeting the eligibility requirements. Plan entry dates are on the first day of each calendar month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to the maximum allowed by law of pretax annual compensation, as defined in the Plan document, into the Plan. Contributions are subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

During 2023, the Company made discretionary employer contributions of \$283,613. Company contributions are invested based on the participant’s direction. The Company elected not to make a discretionary profit sharing contribution for 2023.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their voluntary contributions and employer contributions plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions into any of the mutual fund or other investment options the Plan offers or select a portfolio of funds selected by the Plan financial advisor based on an investment policy. Participants may change their investments options daily via the internet after their initial enrollment in the Plan.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account or periodic payments over the participant's life expectancy. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or elect to leave it in the Plan.

Forfeitures

Amounts forfeited from a participant's account may be used to reduce Company contributions made pursuant to the Plan or to pay reasonable Plan expenses. At March 31, 2023 and 2022, there were no forfeited non-vested account balances.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts, of which the Plan has none.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan trustees determine the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the recordkeeping and investment advisor are charged directly to the participants account and are included in contract administrator fees and other fees. All other investment-related expenses are reflected as charges against net appreciation of fair value of investments as not paid directly by the Plan.

Subsequent Events

The Plan has evaluated subsequent events through January 5, 2024, the date the financial statements were available to be issued.

NOTE 3. CERTIFIED INVESTMENTS

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Charles Schwab Bank, the Plan custodian:

	2023	2022
Investments, at fair value		
Registered investment companies	\$ 5,774,975	\$ 5,752,357
Common collective trust	511,744	465,895
Net (depreciation) in fair value of investments	(364,596)	
Net (loss) on sale of assets	(207,615)	
Dividends and interest	213,363	

NOTE 4. FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements* (“ASC 820”), is the framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

TARDITI, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at March 31, 2023 and 2022.

Valuation methodologies used are as follows:

The fair values of common stock, corporate bonds, and regulated investment companies aka mutual funds are based on quoted market prices.

Common/collective trust:

The Plan had \$511,744 and \$465,895 as of March 31, 2023 and 2022, respectively, in common/collective trusts. The Trustee has certified the amounts held in the Plan to be complete and accurate. The net asset value of \$1 per unit is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the Plan would sell the investment in the underlying investment for an amount different from the reported net asset value. The common/collective trust can defer payments over a period of time and has ability to pay less than value of \$1 per unit and other restrictions as contained in the Declaration of Trust. The Plan has concluded that the net asset value as adjusted and reported by the issuer of the stable value fund approximates fair value.

It is possible that the redemption rights may be restricted or eliminated in the future. Due to the nature of the investments, changes in market conditions liquidity requirements and the economic environment may significantly affect the net asset value of the stable value fund and consequently, the fair value of the Plan's investments.

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2023 AND 2022

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6. TAX STATUS

The Plan was amended and restated effective April 1, 2021. The Plan obtained its latest opinion letter on July 13, 2021, in which the Internal Revenue Service stated that the Volume Submitter Prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and California taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. RELATED PARTY, PARTY IN INTEREST AND PROHIBITED TRANSACTIONS

The Plan assets are in an omnibus account held by Charles Schwab Bank which is a Trustee, per contract between the Plan and Bank and accordingly transactions with Charles Schwab Bank and affiliated entities qualify as exempt party-in-interest transactions. Charles Schwab Bank received \$3,641 in indirect compensation from the Plan which has been disclosed as required.

Financial Decisions, Inc. is the ERISA 3(38) Advisor and an affiliated corporation, Fred M Lee Corporation dba Financial Decisions, is the record keeper and third party administrator and these entities are party-in-interest. The providers have supplied the Plan required disclosures and the services the vendors provide qualify as exempt party-in-interest transactions. Total direct compensation of fees paid to Fred M Lee Corporation dba Financial Decisions and Financial Decisions, Inc. in 2023 was \$14,718 for recordkeeper fees and \$5,114 for investment manager fees. Investment advisor fees paid to BFC Planning Inc. was \$12,400. These fees have been disclosed as required by Department of Labor regulations. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
