INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator
Professional Electric Products Co., Inc.
401(k) Profit Sharing Plan And Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Professional Electric Products Co., Inc. 401(k) Profit Sharing Plan And Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of March 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion in the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance; and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of March 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to the assets held for investments of the Plan that were certified by a qualified institution. Their report dated January 10, 2023, indicated that: (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2022 financial statements related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(c). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirement of ERISA Section 103 (a)(3)(c).

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

1. DESCRIPTION OF THE PLAN

The following description of Professional Electric Products Co., Inc. 401(k) Profit Sharing Plan And Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Professional Electric Products Co., Inc. (the Sponsor or Company) who are age 21 or older and who have completed at least 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan trustees, which are designated individuals of the Company, are responsible for oversight of the Plan.

Contributions

A participant in the Plan may elect to reduce their compensation up to the amount allowable by law and contribute such amount to the Plan on their behalf through either traditional or Roth contributions (participant elective deferral). The Plan Sponsor ceased employer contributions effective August 28, 2009. Additional discretionary profit sharing contributions may be contributed annually as determined by the Board of Directors. A discretionary profit sharing contribution in the amount of approximately \$650,000, net of \$10,500 of forfeitures applied, and \$650,000, net of \$7,000 of forfeitures applied, was made for the years ended March 31, 2023 and March 31, 2022, respectively. These contributions were remitted in 2023 and 2022 respectively, as such are reflected as a receivables in the statements of net asst available for plan benefits as of March 31, 2023 and 2022.

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with the participant's contributions as well as allocations of any profit-sharing contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their elective contributions plus actual earnings thereon. Participants are 20% vested in the Sponsor's contributions plus actual earnings thereon less than two years of service and continue to vest an additional 20% per year; thereafter, until participants are 100% vested after six years of service.

1. DESCRIPTION OF THE PLAN – CONTINUED

Payment of Benefits

Participants are entitled to receive 100% of their account balance following normal retirement age (65), death or disability. If a participant is terminated prior to normal retirement, death or disability, they are entitled to receive only the vested portion of their account balance. Participants may elect to receive their benefits as a lump-sum. Benefits are recorded in the year requested by the participant.

Participant Notes Receivables

Participants may borrow from their fund accounts the lesser of (a) \$50,000 reduced by the excess (if any) of the highest outstanding balance of loans from the plan during the one year period ending on the date before the date on which such loan is made or (b) 50% of the present value of their non-forfeitable accrued benefit. Loan terms are amortized over a reasonable period of time, not-to-exceed five years. However, if the loan is used to acquire a principal residence, the loan may be repaid over a reasonable period of time that may be longer than five years.

Forfeitures

Forfeitures are used to reduce future Sponsor contributions or pay Plan expenses. As of March 31, 2023 and 2022, forfeitures totaled \$10,500 and \$6,900, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates and Risks and Uncertainties

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the guaranteed investment contract which is stated at contract value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes gains and losses on investments bought and sold, as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses include certain recordkeeping fees paid by the Plan. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events (events occurring after March 31, 2023) through January 9, 2024, the date the financial statements were available to be issued, and all relevant, subsequent information is included within the applicable notes to the financial statements.

Sonepar USA officially acquired the stock of the Plan sponsor, Professional Electric Products Co., Inc. (the Company) on September 30, 2022. The Company will continue to operate as a subsidiary of Sonepar USA. The Plan will be merged into the Sonepar USA 401K plan during fiscal 2024.

3. INFORMATION CERTIFIED BY THE CUSTODIANS OF THE PLAN ASSETS

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule held as of March 31, 2023 and 2022, and net depreciation in fair value of investments, and interest income for the year ended March 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Nationwide Life Insurance Company as the custodian of the group annuity contract and Nationwide Trust Company as the custodian of the separate accounts.

4. FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2023 and 2022.

Separate accounts: The valuations of the investment in the pooled separate accounts are based upon the net asset value (NAV) as provided by the Custodian. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

**PROFESSIONAL ELECTRIC PRODUCTS CO., INC.
401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

4. FAIR VALUE MEASUREMENTS – CONTINUED

Mutual Funds (in 2022): Investments in marketable securities listed or traded on any national market or exchange are valued at the last sale price as of the close of the principal securities exchange on which such securities are traded or, if there is no sale, at the mean of the last bid and asked prices on such exchange, exclusive of transaction costs. Such marketable securities are classified within Level 1 of the valuation hierarchy.

Fixed Income (in 2022): Valued at the closing price reported on the active market on which the individual securities are traded.

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy:

- Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access. These include investments that are recorded at fair value on a recurring basis and fair value measurement is based upon quoted prices, if available. Securities valued using Level 1 inputs include those traded on an active exchange and other exchange trade securities.
- Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for subsequently the full term of the asset or liability.
- Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

The following table sets forth by level, with the fair value hierarchy, the Plan's assets at fair value as of March 31, 2023 and 2022:

Fair Value Measurements at March 21, 2023 Using				
	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs

5. GROUP ANNUITY CONTRACT

The Plan has a fully benefit-responsive investment contract with Nationwide Life Insurance Company (Nationwide). Nationwide maintains the contributions in the Nationwide general account. The account is credited with earnings on the underlying investments at guaranteed crediting rates and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. When establishing interest crediting rates for this contract, Nationwide considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula.

Generally, there are no events that would limit the Plan's ability to transact at contract value with Nationwide. The Plan administrator believes that as of March 31, 2023, the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Sponsor contributions.

7. TAX STATUS

The Plan adopted a non-standardized prototype plan sponsored by FIS Business Systems LLC. The prototype plan has received an opinion letter, dated June 30, 2020, from the IRS as to the prototype's qualified status. The opinion letter has been relied upon by this Plan. The Plan has been amended since the prototype received the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RELATED PARTY TRANSACTIONS

Nationwide Life Insurance Company is the custodian of the group annuity contract and the Nationwide Trust Company is the custodian of the separate accounts which holds the mutual fund platform. Moskal Gross Orchosky Inc. serves as the Plan's third party administrator (TPA) and MGO Investment Advisors, Inc. is the investment advisor for the Plan. Administration and investment management fees paid by the Plan are included within administrative fees within the statement of changes in net assets available for benefits for the year ended March 31, 2023.

INDEPENDENT AUDITORS' REPORT

To the Trustee and Plan Administrator
Professional Electric Products Co., Inc.
401(k) Profit Sharing Plan And Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Professional Electric Products Co., Inc. 401(k) Profit Sharing Plan And Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of March 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion in the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance; and therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of March 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to the assets held for investments of the Plan that were certified by a qualified institution. Their report dated January 10, 2023, indicated that: (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2022 financial statements related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(c). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirement of ERISA Section 103 (a)(3)(c).

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

1. DESCRIPTION OF THE PLAN

The following description of Professional Electric Products Co., Inc. 401(k) Profit Sharing Plan And Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Professional Electric Products Co., Inc. (the Sponsor or Company) who are age 21 or older and who have completed at least 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan trustees, which are designated individuals of the Company, are responsible for oversight of the Plan.

Contributions

A participant in the Plan may elect to reduce their compensation up to the amount allowable by law and contribute such amount to the Plan on their behalf through either traditional or Roth contributions (participant elective deferral). The Plan Sponsor ceased employer contributions effective August 28, 2009. Additional discretionary profit sharing contributions may be contributed annually as determined by the Board of Directors. A discretionary profit sharing contribution in the amount of approximately \$650,000, net of \$10,500 of forfeitures applied, and \$650,000, net of \$7,000 of forfeitures applied, was made for the years ended March 31, 2023 and March 31, 2022, respectively. These contributions were remitted in 2023 and 2022 respectively, as such are reflected as a receivables in the statements of net asst available for plan benefits as of March 31, 2023 and 2022.

Investment Options

Upon enrollment in the Plan, a participant may direct all contributions to selected investments as made available and determined by the Plan Administrator in 1% increments. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with the participant's contributions as well as allocations of any profit-sharing contribution and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their elective contributions plus actual earnings thereon. Participants are 20% vested in the Sponsor's contributions plus actual earnings thereon less than two years of service and continue to vest an additional 20% per year; thereafter, until participants are 100% vested after six years of service.

1. DESCRIPTION OF THE PLAN – CONTINUED

Payment of Benefits

Participants are entitled to receive 100% of their account balance following normal retirement age (65), death or disability. If a participant is terminated prior to normal retirement, death or disability, they are entitled to receive only the vested portion of their account balance. Participants may elect to receive their benefits as a lump-sum. Benefits are recorded in the year requested by the participant.

Participant Notes Receivables

Participants may borrow from their fund accounts the lesser of (a) \$50,000 reduced by the excess (if any) of the highest outstanding balance of loans from the plan during the one year period ending on the date before the date on which such loan is made or (b) 50% of the present value of their non-forfeitable accrued benefit. Loan terms are amortized over a reasonable period of time, not-to-exceed five years. However, if the loan is used to acquire a principal residence, the loan may be repaid over a reasonable period of time that may be longer than five years.

Forfeitures

Forfeitures are used to reduce future Sponsor contributions or pay Plan expenses. As of March 31, 2023 and 2022, forfeitures totaled \$10,500 and \$6,900, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates and Risks and Uncertainties

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the guaranteed investment contract which is stated at contract value.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes gains and losses on investments bought and sold, as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Administrative expenses include certain recordkeeping fees paid by the Plan. Investment related expenses are included in net depreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events (events occurring after March 31, 2023) through January 9, 2024, the date the financial statements were available to be issued, and all relevant, subsequent information is included within the applicable notes to the financial statements.

Sonepar USA officially acquired the stock of the Plan sponsor, Professional Electric Products Co., Inc. (the Company) on September 30, 2022. The Company will continue to operate as a subsidiary of Sonepar USA. The Plan will be merged into the Sonepar USA 401K plan during fiscal 2024.

3. INFORMATION CERTIFIED BY THE CUSTODIANS OF THE PLAN ASSETS

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule held as of March 31, 2023 and 2022, and net depreciation in fair value of investments, and interest income for the year ended March 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Nationwide Life Insurance Company as the custodian of the group annuity contract and Nationwide Trust Company as the custodian of the separate accounts.

4. FAIR VALUE MEASUREMENTS

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used as of March 31, 2023 and 2022.

Separate accounts: The valuations of the investment in the pooled separate accounts are based upon the net asset value (NAV) as provided by the Custodian. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

**PROFESSIONAL ELECTRIC PRODUCTS CO., INC.
401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

4. FAIR VALUE MEASUREMENTS – CONTINUED

Mutual Funds (in 2022): Investments in marketable securities listed or traded on any national market or exchange are valued at the last sale price as of the close of the principal securities exchange on which such securities are traded or, if there is no sale, at the mean of the last bid and asked prices on such exchange, exclusive of transaction costs. Such marketable securities are classified within Level 1 of the valuation hierarchy.

Fixed Income (in 2022): Valued at the closing price reported on the active market on which the individual securities are traded.

The Plan uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820-10, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy:

- Level 1 – Financial assets and liabilities whose values are based on unadjusted quoted prices for identical assets or liabilities in an active market that the Plan has the ability to access. These include investments that are recorded at fair value on a recurring basis and fair value measurement is based upon quoted prices, if available. Securities valued using Level 1 inputs include those traded on an active exchange and other exchange trade securities.
- Level 2 – Financial assets and liabilities whose values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for subsequently the full term of the asset or liability.
- Level 3 – Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement.

The following table sets forth by level, with the fair value hierarchy, the Plan's assets at fair value as of March 31, 2023 and 2022:

Fair Value Measurements at March 21, 2023 Using				
	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs

5. GROUP ANNUITY CONTRACT

The Plan has a fully benefit-responsive investment contract with Nationwide Life Insurance Company (Nationwide). Nationwide maintains the contributions in the Nationwide general account. The account is credited with earnings on the underlying investments at guaranteed crediting rates and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. When establishing interest crediting rates for this contract, Nationwide considers many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer's general account. These rates are established without the use of a specific formula.

Generally, there are no events that would limit the Plan's ability to transact at contract value with Nationwide. The Plan administrator believes that as of March 31, 2023, the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is not probable.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Sponsor contributions.

7. TAX STATUS

The Plan adopted a non-standardized prototype plan sponsored by FIS Business Systems LLC. The prototype plan has received an opinion letter, dated June 30, 2020, from the IRS as to the prototype's qualified status. The opinion letter has been relied upon by this Plan. The Plan has been amended since the prototype received the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any significant uncertain tax positions that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
