INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Belletete's, Inc. 401(k) Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of Belletete's, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Belletete's, Inc. 401(k) Profit Sharing Plan as of March 31, 2023 and 2022, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Belletete's, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Belletete's, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect

INDEPENDENT AUDITOR'S REPORT

a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform the audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Belletete's, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Belletete's, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, as noted in the accompanying index, as of and for the year ended March 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

March 31, 2023 and 2022

NOTE 1 DESCRIPTION OF PLAN

Belletete's, Inc. Profit Sharing Plan was amended on September 15, 2015 and became Belletete's, Inc. 401(k) Profit Sharing Plan, as the amendment added a 401(k) component to the Plan.

Belletete's, Inc. 401(k) Profit Sharing Plan is comprised of employer contributions through profit sharing and participant contributions. The following description of Belletete's, Inc. 401(k) Profit Sharing Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering all full time employees of the Company who have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan uses Ascensus, LLC as a third party contract administrator for all compliance testing, preparation of Form 5500 and consulting. Ascensus Trust Company is the Recordkeeper and as the Custodian, holds the Plan's assets and maintains participant deferral elections and investment elections. The Directed Trustee of the Plan is Ascensus Trust Company. The Limited Trustees of the Plan are Michael J. Shea, David R. Belletete, Matthew H. Shea and Sara C. Belletete. Fisher Investments 401(k) Solutions Is the ERISA 3(38) Investment Manager Fiduciary.

Contributions

Each year, the Company contributes to the Plan, a discretionary amount determined by the Board of Directors from its net profits, if any. In no event shall the total amount contributed by the Company in any year exceed 15% of the total basic compensation per employee paid or accrued during the year to all eligible employees participating in the Plan.

Employer profit sharing contributions will first be allocated to each qualifying participant's individual account in the ratio that the sum of each qualifying participant's total compensation and compensation in excess of the integration level bears to the sum of all qualifying participants' total compensation and compensation in excess of the integration level, but not in excess of the non-top-heavy profit sharing maximum disparity rate of 5.7%.

Any employer profit sharing contributions remaining after the allocation above will be allocated pro rata to qualifying participants.

Participants may contribute from their yearly compensation, as defined by the 401(k) segment of the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 3% of eligible compensation. Contributions are subject to certain statutory limitations.

Investment Options

Participant and employer contributions were held in various investments including collective investments trusts, registered investment company, self-directed investments and cash. Participants can change their investment election or percentage to contribute by means of an on-line system daily.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's profit sharing contribution, (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their 401(k) contributions plus actual earnings thereon. Vesting in the Company contributions portion of employee accounts plus earnings less losses

thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits

Withdrawals may be made from the employee account and from the vested portion of the employer account based on financial hardship needs, as defined by the Internal Revenue Service and as provided within the terms of the Plan. On termination of service due to death, disability or retirement at or after age 65, a participant may request a distribution amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant will be eligible for distribution of their vested interest in their account balance.

Forfeited Accounts

At March 31, 2023 and 2022, forfeited nonvested accounts totaled \$33,074 and \$48,802, respectively. These accounts will be reallocated to participants in the same manner as employer contributions.

The Company, by action of its Board of Directors, may alter, amend or terminate the Plan at any time. In the event of Plan termination, distributions shall be made in accordance with the distribution policies of the Plan; each participant would become fully vested.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The net asset value per unit of the collective investment trusts is calculated on each business day by dividing the total value of assets, less liabilities, by the number of units outstanding. Unit issuances and redemptions are based on the net asset value determined at the end of the current day. Quoted market prices are used to value the other investments. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the company. Expenses that are paid by the company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of March 31, 2023 and 2022:

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Fair Value Measurements

Level 1 - The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, corporate bonds, and U.S. Government and agency obligations are based on quoted market prices.

Level 2 - Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risks, referenced indices, quoted prices in inactive markets, adjusted quoted prices in active markets, adjusted quoted prices on foreign equity securities that were adjusted in accordance with pricing procedures approved by the Trust, etc.). The net asset value per unit of the collective investment trusts is calculated on each business day by dividing the

March 31, 2023 and 2022

NOTE 3 continued

total value of assets, less liabilities, by the number of units outstanding. Unit issuances and redemptions are based on the net asset value determined at the end of the current day.

The valuation techniques used by the collective Trust investments to measure fair value during the year generally sought to maximize the use of observable inputs and minimized the use of unobservable inputs.

The net asset value per unit of the collective investment trusts is calculated on each business day by dividing the total value of assets, less liabilities, by the number of units outstanding. Unit issuances and redemptions are based on the net asset value determined at the end of the current day.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended March 31, 2023 and 2022 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended March 31, 2023 there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 INVESTMENTS

The following tables present fair value of investments measured on a recurring basis at March 31, 2023 and 2022.

The fair market values of individual investments that represent 5% or more of the Plan's net assets as of March 31, 2023 are separately identified:

During the years ended March 31, 2023 and 2022, the Plan's investments (including investments bought, sold and held during the year) depreciated / appreciated in value by \$-1,419,491 and \$696,075, respectively.

NOTE 5 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 6 TAX STATUS

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The Internal Revenue Service has determined and informed the Company by a letter dated October 13, 1970, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes that the Plan is currently being operated in compliance with applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 RELATED PARTY TRANSACTIONS

Certain administrative expenses of the Plan are paid by the Company.

Certain Plan investments are interest in collective trusts and shares of mutual funds managed by Fisher Asset Management LLC. Fisher Asset Management LLC is an investment advisor as defined by the Plan and, therefore, these transactions qualify as a party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$134,261 for the year ended March 31, 2023. The Plan record keeper and custodian is Ascensus, LLC and Ascensus Trust Company as defined by the Plan and, therefore, these transactions qualify as a party-in-interest transactions. Fees paid by the Plan for record keeper and custodian services amounted to \$28,439 for the year ended March 31, 2023.

All these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
