INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator
North Coast Cooperative, Inc. 401(k) Plan and Trust
Arcata, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the financial statements of North Coast Cooperative, Inc. 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of North Coast Cooperative, Inc. 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of March 31, 2023 and 2022 and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of North Coast Cooperative, Inc. 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about North Coast Cooperative, Inc. 401(k) Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of North Coast Cooperative, Inc. 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about North Coast Cooperative, Inc. 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4a—Schedule of Delinquent Contributions and Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of or for the year ended March 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
March 31, 2023 and 2022

NOTE 1—DESCRIPTION OF PLAN

The following description of the North Coast Cooperative, Inc. 401 (k) Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General. The Plan is a defined contribution plan established on April 1, 1987, which covers all eligible employees of North Coast Cooperative, Inc. (the Cooperative) who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA). The trustees are responsible for oversight of the Plan. The trustees determine the appropriateness of the Plan’s investment offerings, monitor investment performance, and report to the Plan’s management.

Contributions. Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a collective investment fund as investment options for participants, and investments of their choice through a self-directed brokerage account. The Cooperative contributes a discretionary matching contribution equal to 100% of the first 5% of base compensation that a participant contributes to the Plan. An additional discretionary non elective contribution which is not limited to its current or accumulated net profit may be contributed at the option of the Cooperative’s board of directors. Contributions are subject to certain IRS limitations.

Participant Accounts. Each participant’s account is credited with the participant’s contribution and allocations of (a) the Cooperative’s contribution and, (b) Plan earnings, and charged with certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Cooperative’s contribution portion of their accounts is also immediately vested.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their individual account balance. The participant may have only one loan outstanding at a time. The loans are secured by the balance of the participant’s account and bear interest at 4.25% to 8.75% as determined by the Plan administrator. Repayments must be made through payroll deduction. The repayment terms shall not exceed 5 years unless the loan is used to acquire a principal residence. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits. On termination of service due to death, disability, retirement, or other reasons, a participant (or designated beneficiaries) may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, periodic installments over a period of years specified by the participant, or any other form of payment permitted under the Plan. A lump-sum distribution will be made if the participant’s vested interest in his or her account is \$5,000 or less.

NOTE 1—DESCRIPTION OF PLAN

Hardship Distributions. Participants may elect to withdraw all or a portion of their elective deferral balance if they incur a financial hardship. The amount is limited to that necessary to meet the financial need. A hardship is considered any one of the following: deductible medical expenses, expenses to repair damages to principal residence, post-secondary tuition for the participant, spouse or dependents, the purchase (excluding mortgage payments) of a principal residence for the participant or payment needed to prevent the eviction of the participant from his principal residence and funeral or burial expenses for parents, spouse, children, or dependents.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account. As of March 31, 2023 and 2022, no allowance for credit losses has been recorded.

Payment of Benefits

Benefits payments to participants or beneficiaries are recognized when paid. There were no requested distributions that were not paid out by March 31, 2023.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Cooperative. Expenses that are paid by the Cooperative are excluded from these financial statements. Fees related to the administration of notes receivable from participants, distribution fees, asset charges, and fees related to administration are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net depreciation of fair value of investments.

Date of Management's Review

Management has evaluated subsequent events through January 5, 2024, the date which the financial statements were available to be issued.

NOTE 3—FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the custodian. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair values of mutual funds are valued at net asset value of shares held by the Plan at year end. The fair value of the self-directed brokerage account is made up of mutual funds are valued at net asset value of shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of collective fund is valued at the net asset value (NAV) per unit as determined by the manager of the fund which is readily determinable. Such NAV is based on the value of the underlying assets and liabilities of the fund. The fund invests in a diversified pool of investment contracts issued by high quality financial institutions. This fund is classified as level 2 as the value

NOTE 3—FAIR VALUE MEASUREMENTS (continued)

is obtained from market based inputs or inputs that are derived principally from or corroborated by observable market data by correlation or other means and is readily determinable.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of March 31, 2023 and 2022.

Fair Value Measurements at March 31, 2023 Using:			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Collective fund	\$ 1,220,137	\$ -	\$ 1,220,137
Mutual funds	7,764,743	7,764,743	-
Self-directed brokerage account	32,591	32,591	-
Total investments at fair value	<u>\$ 9,017,471</u>	<u>\$ 7,797,334</u>	<u>\$ 1,220,137</u>

Fair Value Measurements at March 31, 2022 Using:			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
Collective fund	\$ 1,181,379	\$ -	\$ 1,181,379
Mutual funds	8,204,192	8,204,192	-
Self-directed brokerage account	20,508	20,508	-
Total investments at fair value	<u>\$ 9,406,079</u>	<u>\$ 8,224,700</u>	<u>\$ 1,181,379</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended March 31, 2023, are reported in net depreciation in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the years ended March 31, 2023 and 2022, there were no significant transfers between Level 1 and Level 2 and no transfers into or out of Level 3.

NOTE 4—PLAN TERMINATION

Although it has not expressed any intent to do so, the Cooperative has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 5—PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are managed by Alerus Financial. Alerus Financial is the trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 6—INCOME TAX STATUS

The Cooperative has adopted a non-standardized plan pre-approved by the Internal Revenue Service ("IRS"). The IRS issued an opinion letter dated June 30, 2020 that the non-standardized plan is acceptable with the applicable section of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7—RISKS AND UNCERTAINTIES

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8—CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at March 31, 2023 and 2022, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended March 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Alerus Financial (the trustee of the Plan).
