INDEPENDENT AUDITOR'S REPORT

The Plan Administrative Committee
Heidtman Steel Retirement Savings 401(k) Plan
Toledo, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Heidtman Steel Retirement Savings 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended March 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4a – Schedule of Delinquent Participant Contributions and the supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended March 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended March 31, 2023 and 2022**

Note 1 – Summary of Plan

The following description of the Heidtman Steel Retirement Savings 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for complete information about the Plan.

General

The Plan is a defined contribution plan covering substantially all employees of Heidtman Steel Products, Inc. and affiliated employers (the Company and Plan Sponsor) who have attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 5, 2023, assets from the Fulton County Processing 401(k) Plan were merged into the Plan.

Participant Accounts

Each participant's account is credited with an allocation of the Company's contributions, the participant's contributions, and an allocation of Plan earnings (losses) based upon participant balances. Participants direct the investment of their accounts, with the exception of Centaur, Inc. Class C common stock balances, among the investment funds offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the vested balance of the participant's account.

Notes Receivable from Participants

Participants may borrow from their accounts, as defined by the Plan, a minimum of \$1,000 up to the lesser of fifty percent of the vested balance or \$50,000. Terms of the loan are based on the terms of the individual promissory note. The loans are secured by the balance of the participant's account and bear a reasonable rate of interest not to exceed the maximum rate permitted by law. Principal and interest are paid through payroll deductions.

Contributions

The Company may elect to contribute a discretionary nonelective contribution which is allocated to eligible participants as a percentage of their eligible wages. The Company made a discretionary nonelective contribution of \$0 and \$647,371 for the years ended March 31, 2023 and 2022, respectively.

The Company may elect to contribute a discretionary matching contribution. Through December 31, 2022, the Company elected to match each participant's deferral dollars up to \$1,000 per calendar year. Effective January 1, 2023, the Company elected to match 100% of the first 4% of each eligible participant's deferral contributions.

Note 1 – Summary of Plan (continued)

Contributions (continued)

Participants may elect to defer as contributions an amount up to the maximum allowable by law. Effective January 1, 2023, unless they specify otherwise, eligible newly hired and rehired employees will be auto enrolled at an initial pre-tax contribution of 4% with a 1% annual increase to a maximum pre-tax contribution rate of 15%, as further defined in the Plan document. Also, on January 1, 2023, unless they specified otherwise, existing participants in the Plan with a deferral rate below 4%, including participants who were not deferring at all, were also subject to the same auto enroll and annual increase provisions as noted previously. Prior to January 1, 2023, the initial auto enroll pre-tax contribution rate was 3%.

Vesting

Upon retirement, disability, or death, participants (or their beneficiaries) are entitled to receive the full value of their accounts. Upon termination of employment for any reason other than retirement, disability, or death, a participant is entitled to the vested interest in his or her account. Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting of employer contributions is based upon years of continuous service. Effective January 1, 2023, employer contributions and related earnings (losses) become fully vested according to the following schedule.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1, but less than 2	25%
2, but less than 3	50%
3 or more	100%

Forfeitures

Forfeited balances of terminated participants' nonvested accounts are to be used to pay administrative expenses, to be allocated to participants annually as additional nonelective contributions, or to be used to reduce Company contributions (as further defined in the Plan document). Forfeited balances available amounted to \$42,155 and \$77,051 at March 31, 2023 and 2022, respectively. Forfeitures totaling \$142,854 and \$126,913 were used to reduce the Company's contributions or to pay administrative expenses for the years ended March 31, 2023 and 2022, respectively.

Note 1 – Summary of Plan (continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974. Upon termination of the Plan, participants become fully vested in the total value of their account.

Administrative Expenses

Certain administrative expenses are paid by the Plan, as allowed by the Plan document. The services are rendered by parties-in-interest to the Plan.

Note 2 – Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Benefit payments to participants are recorded when paid.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In contrast, contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts. Contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's investments were held by Wells Fargo Bank, N. A. and by Principal Trust Company (the Plan Trustees) during the year ended March 31, 2022. The Plan's investments were held by Principal Trust Company during the year ended March 31, 2023.

The appraised fair value of Centaur, Inc. Class C common stock is determined annually by an independent valuation company. This appraisal was based upon a combination of the market, income, and cost valuation techniques, consistent with prior years. The appraiser took into account historical and projected cash flow and net income, return on assets, return on equity, market comparables, and estimated fair value of company assets and liabilities.

Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are valued at net asset value.

Note 2 – Significant Accounting Policies (continued)

Investment Valuation and Income Recognition (continued)

Common/collective trust funds (CCTs) represent investments with various investment managers. Units held in CCTs, including stable value funds, are fair valued at net asset value (NAV). The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The Standard Insurance Company Stable Asset II is a guaranteed interest account valued at contract value, which represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

Life insurance policies, for which the Plan is the sole beneficiary, are valued at cash surrender value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement.

Purchases and sales of the investments within the Plan are reflected on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent outstanding loans and are measured at their unpaid principal balance plus accrued interest.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that could affect the amounts reported in the financial statements and accompanying notes. Most significantly, an estimate of the fair market value of Centaur, Inc. Class C common stock is determined annually by an independent valuation company and is used by management in the preparation of the Plan's financial statements. Actual results could differ from those estimates.

Reclassifications

Certain 2022 amounts have been reclassified to conform to the 2023 presentation.

Subsequent Events

Management has evaluated subsequent events through January 11, 2024, the date the financial statements were available to be issued.

Note 3 – Investments

Most of the investment information disclosed in the accompanying financial statements and supplemental schedules as of and for the years ended March 31, 2023 and 2022, including investments held, net appreciation (depreciation) of investments, and interest and dividends, were obtained or derived from information supplied to the Plan Sponsor and certified as complete and accurate by Wells Fargo Bank, N. A. or Principal Trust Company. See Note 4 for a description of other investments held in the Plan.

For the years ended March 31, 2023 and 2022, investments held by the Plan (including investments purchased, sold, as well as held during the year, but excluding the other investments described in Note 4) appreciated (depreciated) by \$(3,744,782) and \$1,858,789, respectively.

For the years ended March 31, 2023 and 2022, interest and dividend income from investments as defined above amounted to \$111,339 and \$112,879, respectively.

Note 4 – Other Investments

Other investments held in the Plan, which are not certified as complete and accurate, include Centaur, Inc. Class C common stock and the cash surrender value of life insurance.

The investment in Centaur, Inc. Class C common stock is held by the Plan Sponsor. As of March 31, 2023 and 2022, the fair value of the stock was \$7,576,185 and \$7,645,890, respectively, and the net appreciation (depreciation) in fair value for the years then ended was \$582,156 and \$1,248,677, respectively.

The cash value of life insurance was \$489,249 and \$531,573 as of March 31, 2023 and 2022, respectively, and the net appreciation (depreciation) in the cash value of life insurance for the years then ended was \$(42,324) and \$54,371, respectively.

Note 5 – Guaranteed Interest Account

The Plan holds a traditional investment contract that meets the fully benefit-responsive investment contract criteria, and therefore is reported at contract value. The guaranteed interest account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting.

**HEIDTMAN STEEL
RETIREMENT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended March 31, 2023 and 2022**

Note 5 – Guaranteed Interest Account (continued)

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value without adjustment. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer. The guaranteed interest account permits the issuer or the Plan to terminate the agreement prior to the scheduled maturity date as a result of specific occurrences as defined in the contract.

Note 6 – Fair Value Measurements

The various inputs that may be used to determine the value of the Plan's investments are summarized in three broad levels within the fair value hierarchy. The three levels are described below:

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly; and
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables set forth by level within the fair value hierarchy the Plan's investments at fair value, as of March 31, 2023 and 2022. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

For Level 3 investments, there were no purchases, issuances, or transfers into or out of Level 3 of the fair value hierarchy for the years ended March 31, 2023 and 2022.

Note 7 – Related Party Transactions

On March 31, 1987, the shareholders of Centaur established a class of common stock, Class C, to be held solely by the retirement plan trusts of Centaur or its subsidiaries, representing the only nonparticipant-directed investment in the Plan. Centaur must redeem shares of the Class C common stock upon request of the Plan Sponsor.

At March 31, 2023, the Plan held 1,455 shares of Centaur, Inc. Class C common stock, valued at estimated fair value of \$7,576,185 (\$5,207 per share). At March 31, 2022, the Plan held 1,583 shares of Centaur, Inc. Class C common stock, valued at estimated fair value of \$7,645,890 (\$4,830 per share). The net appreciation (depreciation) in the fair value of the Class C common stock for the years then ended was \$582,156 and \$1,248,677, respectively.

The Company periodically advances funds to the Plan for redemption of shares from terminated or retired participants. The Company may choose either to return shares to treasury stock or to reduce future contributions by the amount of such advances, which totaled \$614,880 and \$653,241 during plan year 2023 and 2022, respectively. In each plan year 2023 and 2022, 128 and 161 shares were returned to treasury stock, respectively.

Note 8 – Income Tax Status

The Internal Revenue Service ruled on June 30, 2020, that the Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the pre-approved plan upon which the Plan is based) qualifies under Section 401 of the Internal Revenue Code (IRC) and the related trust is, therefore, not subject to tax under present income tax law. The Plan has since been amended. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator will take the necessary steps, if any, to bring the Plan's operations into compliance with the IRC.

**HEIDTMAN STEEL
RETIREMENT SAVINGS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
Years Ended March 31, 2023 and 2022**

Note 8 – Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
