REPORT OF INDEPENDENT AUDITORS

Plan Administrator
Judy Construction Company Profit Sharing Plan
Cynthiana, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Judy Construction Company Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of March 31, 2023 and 2022, and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are

considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information

included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion of the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

JUDY CONSTRUCTION COMPANY PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Judy Construction Company Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Judy Construction Company (the Company). The Plan is subject to the applicable provisions of Employment Retirement Income Security Act of 1974 (ERISA), as amended.

Effective January 1, 2020, the Plan implemented the requirements of the Setting Every Community Up for Retirement Enhancement Act of 2019 that, among others, suspended required minimum distributions, and delayed the commencement date for required minimum distributions. The optional features within this act are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Contributions

Each year, the Company may make discretionary profit-sharing and matching contributions, to be determined by the employer. An employee must have completed 1,000 or more service hours in the plan year and attained the age of 18 to share in employer contributions, excluding events of death, disability, or retirement. For the year ended March 31, 2023, the Company made a \$400,000 profit-sharing contribution.

Employees who work on projects subject to prevailing wage laws will receive employer contributions to satisfy fringe benefit requirements of the law. Employees are eligible for such contributions immediately upon beginning work on a prevailing wage project. For the year ended March 31, 2023, prevailing wage contributions totaled \$177,152.

Participants may make annual pre-tax contributions of compensation, as defined in the Plan, up to the maximum annual deferral amount defined by the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions.

Participant Accounts

Each participant's account is credited with the participant's own contributions, the Company's prevailing wage contributions, and allocations of the Company's discretionary profit-sharing contributions, forfeitures of terminated participants' nonvested accounts, and plan earnings.

JUDY CONSTRUCTION COMPANY PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2023 AND 2022

Participants are charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts into various investment options offered by the Plan.

Vesting

Participants are vested immediately in their contributions and the Company's prevailing wage contributions, plus actual earnings on the contributions. Vesting in the Company's discretionary profit-sharing and matching contribution portion of their accounts is based on years of continuous service. Using a graduated scale, a participant is fully vested after six years of credited service.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

At March 31, 2023 and 2022, forfeited non-vested accounts totaled \$29,708 and \$23,652, respectively. Forfeitures are reallocated to the accounts of eligible participants. During the year ended March 31, 2023, \$23,652 of forfeited accounts were reallocated.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

JUDY CONSTRUCTION COMPANY PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2023 AND 2022

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisers, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value includes the Plan's gains and losses on investments purchased and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Investment-related expenses are included in net change in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through January 12, 2024, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company and Massachusetts Mutual Life Insurance Company (MassMutual) (Note 6), have certified to the completeness and accuracy of all investments on the accompanying statement of net assets available for benefits as of March 31, 2023, and investment related activity reflected in the statement of changes in net assets available for benefits for the year then ended. Great-West Life & Annuity Insurance Company (an affiliate of Empower Trust Company), has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of March 31, 2022.

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2023 AND 2022

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 and 2022.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of March 31, 2023 and 2022:

Assets at Fair Value as of March 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,647,805	\$ -0-	\$ -0-	\$ 8,647,805
Total assets at fair value	<u>\$ 8,647,805</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 8,647,805</u>

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,325,308	\$ -0-	\$ -0-	\$ 9,325,308
Total assets at fair value	\$ 9,325,308	\$ -0-	\$ -0-	\$ 9,325,308

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a group annuity contract that meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The MassMutual Guaranteed Interest Account is a group annuity contract issued by MassMutual and is reinsured by Empower Annuity Insurance Company of America (EAIC) and backed by the full faith and creditworthiness of EAIC. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer and is reviewed on a semiannual basis for resetting.

The Plan's ability to receive amounts due is dependent on the ability of MassMutual and EAIC to meet their financial obligations. Their ability to meet their contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: The Plan's failure to qualify under Section 401 (a) of the IRC or the failure of the trust to be tax-exempt under Section 501 (a) of the IRC; premature termination of the contract; or employer-initiated events such as layoffs, a sale of a business unit, a company merger, or a change in the stable value option offered under the Plan. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

6. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company and certain others. Investment management fees are paid to Empower Trust Company, the custodian, and to MassMutual, the group annuity contract holder. Empower Retirement, LLC is the Plan's recordkeeper. McGregor & Associates, Inc. is the Plan's third-party administrator. Blue & Co., LLC is the independent auditor for the Plan. Keystone Financial Group, LLC is the Plan's investment advisor. Great-West Trust Company is

JUDY CONSTRUCTION COMPANY PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS MARCH 31, 2023 AND 2022

the non-discretionary trustee. Additionally, the owner of the Plan sponsor and members of the Plan sponsor's board of directors are plan participants.

7. PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

8. INCOME TAX STATUS

The Internal Revenue Service has determined by an opinion letter dated June 30, 2020, that the non-standardized prototype adopted by the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended subsequent to June 30, 2020, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. The Plan is subject to routine audits by taxing jurisdictions. However, as of the date the financial statements were available to be issued, there were no audits for any tax periods in progress.

9. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
