Independent Auditor's Report

Plan Administrative Committee
Loenbro, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Loenbro, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H—part IV, line 4a—schedule of delinquent participant contributions for the year ended December 31, 2022, and Schedule H—part IV, line 4i—schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Loenbro, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Loenbro, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: Loenbro, LLC (the Sponsor) established the Plan effective September 14, 2006. The Plan is a safe harbor 401(k), defined contribution plan. Employees age 18 and over, who have completed three months of service are eligible to make elective contributions to the Plan and to receive matching contributions with immediate entry into the Plan. The Sponsor may also, at its discretion, make a profit sharing contribution. Employees eligible to make employee deferrals, and who are employed on the last day of the Plan year, are eligible to receive profit sharing contributions. The Plan does not allow for participants to borrow from their fund accounts. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator oversees governance of the Plan.

Contributions: For 2022, participants may contribute up to the lesser of their pretax annual compensation or \$20,500, as defined in the Plan. Any participant age 50 and over before the Plan year-end can make additional catch up contributions up to \$6,500. These are overall limitations that apply to all plans that the employee may be eligible to participate in. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers diversified mutual funds as investment options for participants. The Sponsor matches contributions by qualifying Plan participants in cash up to 4% of their annual base compensation. Catch up contributions for employees over age 50 are not matched by the Sponsor. The Sponsor has the right to amend the Plan to reduce or eliminate the Sponsor matching contribution. Effective January 1, 2021, the Plan reinstated Sponsor matching contributions. Company profit sharing contributions, if any, may be made annually at the discretion of the Company to eligible employees who were employed as of the last day of the plan year. For 2022, the Company did not make any profit sharing contributions.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsor's matching contribution and, (b) the Plan's earnings or losses. Individual participant accounts are charged for any fees related to loan or distribution transactions. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions, employer matching contributions and any actual earnings thereon. Profit sharing contributions, if any, are subject to a graded vesting schedule over six years.

Payment of benefits:

Distributions for reasons other than death: Unless otherwise elected by the participant, distributions for retirement or termination will be paid in a lump-sum payment. The participant can also elect for payments to be made under a continuous right of withdrawal, under which the participant may choose the amounts and times of withdrawals.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Distribution upon death: If a participant dies before distribution of their account has begun, distribution of the entire account must be completed by December 31 of the calendar containing the fifth anniversary of the participant's death unless an election is made for the account to be distributed over the life expectancy of the beneficiary. If a participant dies after distribution of their account has begun, the remaining portion of their account will continue to be distributed under the method of distribution being used prior to the participant's death.

Cash out: After termination of employment with the Sponsor, if the vested balance of a participant's account does not exceed \$1,000, the account balance can be distributed in a lump-sum without consent.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The Plan's financial statements are prepared on the accrual basis of accounting. The Plan follows generally accepted accounting principles (GAAP), as established by the Financial Accounting Standards Board (FASB), to ensure consistent reporting of financial condition.

Use of estimates: The preparation of financial statements on the accrual basis requires plan management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Risks and uncertainties: Participants in the Plan select how the balance of their account is invested in the available choices of mutual funds and common collective trusts as investment instruments. Investment securities are exposed to various risks, such as interest rate and credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of mutual funds are recorded on the trade date. Net appreciation or depreciation includes the Plan's gain and losses on investments bought and sold as well as held during the year. Gains and losses on investments are calculated based on specific identification. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Administrative expenses of the Plan are charged against earnings, except to the extent expenses are paid by the Company.

Subsequent events: The Plan Administrator has evaluated subsequent events through September 26, 2023, which is the date the financial statements were available to be issued.

Note 3. Information Certified and Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedules, that was prepared by or derived from information provided by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan (the Trustee), and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

	2022	2021
Investments, at fair value:		
Common collective trust	\$ 144,016	\$ 9,867
Mutual funds	9,298,807	9,135,122
	<u>\$ 9,442,823</u>	<u>\$ 9,144,989</u>

The Trustee also certified to the completeness and accuracy of the investment income information (including investments bought, sold and held during the year) included on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

Note 4. Fair Value Measurements

The Fair Value Measurements and Disclosures Topic of the FASB Accounting Standards Codification (ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the topic are described below:

- Level 1:** Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2:** Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.
- Level 3:** Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in valuation methodologies at December 31, 2022 compared to December 31, 2021.

Note 4. Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: These are public investment vehicles using net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Common collective trust (CCT): These investments are public investment vehicles using NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. There are no quoted prices available in active markets for identical instruments for the CCT. The fair value of the CCT is not classified within the fair value hierarchy pursuant to ASC 820-10. As published prices are not available for the CCT, the CCT is eligible to use NAV as a practical expedient.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,298,807	\$ -	\$ -	\$ 9,298,807
Total assets at fair value	\$ 9,298,807	\$ -	\$ -	9,298,807
Investments measured at NAV (a)				144,016
				<u>\$ 9,442,823</u>
2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,135,122	\$ -	\$ -	\$ 9,135,122
Total assets at fair value	\$ 9,135,122	\$ -	\$ -	9,135,122
Investments measured at NAV (a)				9,867
				<u>\$ 9,144,989</u>

- (a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4. Fair Value Measurements (Continued)

There were no transfers in or out of Level 3 assets during the year ended December 31, 2022.

The following table summarizes investments for which fair value is measured using NAV per share (or its equivalent) practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair Value 2022	Fair Value 2021	Unfunded Commitments	Other Redemption Restrictions	Redemption Notice Period
Putnam Stable Value Fund (a)	\$ 144,016	\$ 9,867	None	Daily	12 months

(a) The investment strategy of this fund is not disclosed pursuant to ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965)—(I) Fully Benefit-Responsive Investment Contracts, (II) Plan Investment Disclosures and (III) Measurement Date Practical Expedient (a consensus of the FASB Emerging Issues Task Force)*.

Note 5. Tax Status

The Plan adopted a non-standardized form of a prototype plan sponsored by the Trustee. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

The Plan follows the accounting guidance for uncertainty in income taxes. The Plan Administrator evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require adjustment to the financial statements; therefore, no provision of liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. All participants are already 100% vested in their accounts.

Note 7. Related-Party Transactions

The Plan paid indirect compensation for record keeping service to the Trustee and Lockton Investment Advisors. These transactions qualify as exempt party-in-interest transactions. The fees paid during the year ended December 31, 2022, were \$64,293.
