HGS 401(k) Retirement Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of HGS 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of HGS 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of HGS 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HGS 401(k) Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the HGS 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HGS 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and schedule of delinquent employee contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. **HGS 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN

The following description of the HGS (Sponsor) 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan originally effective March 1, 1975. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective September 9, 2022. The Plan excludes employees covered by a collective bargaining agreement, leased employees, and temporary staff. The Plan is subject to ERISA, as amended. The Board of Directors is responsible for the oversight of the Plan. The 401k Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

Eligibility

Employees of HGS (USA), LLC, HGS EBOS, LLC, HGS Healthcare, LLC, and Hinduja Global Solutions, LLC, are eligible to participate in the deferral, match, and profit sharing components of the Plan on the later of six months from their date of employment or upon turning 18 years of age. All part-time employees who participated in the Plan prior to December 31, 1992 can continue to participate under a grandfather clause. See Note 11 for the partial plan deconversion disclosure for HGS Healthcare, LLC and HGS EBOS, LLC.

Contributions

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage of their compensation contributed as pre-tax 401(k) contributions to the Plan. The Plan Sponsor contributes a matching contribution of up to 50% of the first 4% of base compensation that a participant contributed to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain limitations set by the Internal Revenue Service (IRS).

The Sponsor may, at its discretion, elect to make a profit sharing contribution to the Plan. There were no Sponsor profit sharing contributions for the years ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's matching contribution, an allocation of the Sponsor's profit sharing contribution, if applicable, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

**HGS 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor matching and profit sharing contributions portion of their accounts, plus actual earnings thereon, is based on years of service as indicated by the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 Year	None
1 Year	33%
2 Years	66%
3 or More Years	100%

Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce Sponsor contributions. Forfeited nonvested accounts were \$109,537 and \$33,559 at December 31, 2022 and 2021, respectively. Forfeitures of \$1,059 and \$30,009 were used during the years ended December 31, 2022 and 2021, respectively, to reduce Sponsor matching contributions. Forfeitures of \$3,614 and \$-0- were used during the years ended December 31, 2022 and 2021, respectively, to reduce Plan expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the current value of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan administrator may authorize that the benefit payment be rolled into an individual retirement account in the participant's name.

Vested balances in excess of \$5,000 are paid at the participant's discretion or can be left in the Plan until such time the participant wishes to withdraw it, with the account continuing to share in the trust fund earnings and expenses.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Plan Administration

Management of the Sponsor has responsibility for the administration of the Plan. The recordkeeper maintains a substantial portion of the Plan's accounting records.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401k Committee determines the Plan's valuation policies utilizing information provided by the recordkeeper and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are reflected on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefits are recorded when paid.

**HGS 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction to contributions. The Plan distributed the 2022 and 2021 excess contributions to the applicable participants prior to March 15, 2023 and 2022, respectively.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Sponsor, as provided by the Plan document. Expenses paid directly by the Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation (depreciation) in fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through December 4, 2023, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company, a qualified institution, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and the statements of changes in net assets available for benefits for the year ended December 31, 2022 and for the period of May 1, 2021 through December 31, 2021, and the supplemental schedule of assets (held at end of year) as of December 31, 2022.

Fidelity Personal Trust Company, FSB, a qualified institution, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statement of changes in net assets available for benefits for the period ended through October 31, 2021.

**HGS 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Funds: Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

2022				
	Level 1	Level 2	Level 3	Total

2021

Collective Funds	-	13,921,270	-	13,921,270
Total Investments at Fair Value	<u>\$ 4,921,441</u>	<u>\$ 13,921,270</u>	<u>\$ -</u>	<u>\$ 18,842,711</u>

NOTE 5 PLAN TAX STATUS

The Plan is placing reliance on an opinion letter from the IRS indicating that the Plan is designed in accordance with the applicable sections of the IRC. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by a Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits for any tax periods in progress.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event the Plan is terminated, each participant shall become fully vested in their Sponsor contributions.

**HGS 401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

As of December 31, 2022 and 2021 and for the period of May 1, 2021 through December 31, 2022, certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is a qualified institution and, therefore, the investment transactions qualify as party-in-interest transactions.

For the period January 1, 2021 through October 31, 2021, certain Plan investments were managed by Fidelity Personal Trust Company, FSB. Fidelity Personal Trust Company, FSB, is a qualified institution and, therefore, the investment transactions qualify as party-in-interest transactions.

Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of investments. These party-in-interest transactions are exempt from the prohibited transaction rules or ERISA.

NOTE 8 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 as of and for the years ended December 31:

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 NONEXEMPT TRANSACTION

In 2022 and 2021, the Company failed to remit employee 401(k) deferral contributions for certain payroll periods within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. The Company corrected the prohibited transaction by depositing the lost earnings subsequent to December 31, 2022.

NOTE 11 PARTIAL PLAN DECONVERSION

In 2022, the Plan Sponsor sold a division of their company, HGS Healthcare, LLC and HGS EBOS, LLC to a nonrelated party. At that time, HGS Healthcare, LLC and HGS EBOS, LLC (participating employers in the HGS 401(k) Retirement Plan) stopped participating in the Plan and employees of these companies stopped participating in the HGS 401(k) Retirement Plan. In conjunction with the sale of HGS Healthcare, LLC and HGS EBOS, LLC, the Plan underwent a partial deconversion on March 14, 2022, in which Plan assets totaling \$3,853,466 (representing participant balances for all previous HGS Healthcare and EBOS employees) were transferred out of the HGS 401(k) Retirement Plan.

Plan Administrator
HGS 401(k) Retirement Plan
Peoria, Illinois

This communication is to inform you that we will likely be unable to issue our audit report by October 16, 2023, the Form 5500 regulatory filing deadline, due to difficulties encountered in performing the audit. We consider this a serious matter because the Department of Labor's Rules and Regulations under the Employee Retirement Income Security Act of 1974 includes specific reporting requirements, and noncompliance with those requirements may have significant ramifications for HGS 401(k) Retirement Plan.

This communication documents the matters we discussed with Kim Koch, Plan Administrator, during numerous correspondence in September and October 2023. We are available to meet with the Plan Administrator and management to further discuss these matters and answer your questions since two-way communication between those charged with governance and our firm can provide valuable information to the audit process.

Difficulties encountered in performing the audit

We have encountered significant difficulties in dealing with management in performing and completing our audit. We have discussed these matters with Kim Koch, Plan Administrator, on numerous occasions, but, in spite of our requests, the items have not been resolved. The difficulties encountered include the following:

- Pending conclusion on compliance related matters.
- Support for classification of financial statement disclosures.
- Reconciliation of the census file to trust reports and possible additional testing required to cover participant population originally excluded from the census.
- Support to complete testing of distributions.

Interim communication

This interim communication is provided pursuant to auditing standards generally accepted in the United States of America (U.S. GAAS), which requires auditors to communicate on a timely basis significant findings or issues identified during the audit. Accordingly, this communication is based on our audit procedures performed through October 4, 2023, an interim period. Because we have not completed our audit, additional findings and material weaknesses may be identified and communicated in a written communication at the conclusion of our engagement. We are providing this early communication to those charged with governance because of the significance of the matters identified and the urgency for taking appropriate timely remedial action to minimize the effects of such matters. The above matters are significant and relevant to your responsibility to oversee the financial reporting process.

We were engaged to audit the financial statements of HGS 401(k) Retirement plan as of and for the year ended December 31, 2022. As noted in our engagement agreement, the matters discussed above may make it necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement. If such matters, in our professional judgment, prevent us from completing the audit or forming an

opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Plan Administrator
HGS 401(k) Retirement Plan
Peoria, Illinois

This communication is to inform you that we will likely be unable to issue our audit report by October 16, 2023, the Form 5500 regulatory filing deadline, due to difficulties encountered in performing the audit. We consider this a serious matter because the Department of Labor's Rules and Regulations under the Employee Retirement Income Security Act of 1974 includes specific reporting requirements, and noncompliance with those requirements may have significant ramifications for HGS 401(k) Retirement Plan.

This communication documents the matters we discussed with Kim Koch, Plan Administrator, during numerous correspondence in September and October 2023. We are available to meet with the Plan Administrator and management to further discuss these matters and answer your questions since two-way communication between those charged with governance and our firm can provide valuable information to the audit process.

Difficulties encountered in performing the audit

We have encountered significant difficulties in dealing with management in performing and completing our audit. We have discussed these matters with Kim Koch, Plan Administrator, on numerous occasions, but, in spite of our requests, the items have not been resolved. The difficulties encountered include the following:

- Pending conclusion on compliance related matters.
- Support for classification of financial statement disclosures.
- Reconciliation of the census file to trust reports and possible additional testing required to cover participant population originally excluded from the census.
- Support to complete testing of distributions.

Interim communication

This interim communication is provided pursuant to auditing standards generally accepted in the United States of America (U.S. GAAS), which requires auditors to communicate on a timely basis significant findings or issues identified during the audit. Accordingly, this communication is based on our audit procedures performed through October 4, 2023, an interim period. Because we have not completed our audit, additional findings and material weaknesses may be identified and communicated in a written communication at the conclusion of our engagement. We are providing this early communication to those charged with governance because of the significance of the matters identified and the urgency for taking appropriate timely remedial action to minimize the effects of such matters. The above matters are significant and relevant to your responsibility to oversee the financial reporting process.

We were engaged to audit the financial statements of HGS 401(k) Retirement plan as of and for the year ended December 31, 2022. As noted in our engagement agreement, the matters discussed above may make it necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement. If such matters, in our professional judgment, prevent us from completing the audit or forming an

opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.
