INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
United Association Local 322
Annuity Fund

Opinion

We have audited the accompanying financial statements of the United Association Local 322 Annuity Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 30, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of April 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the United Association Local 322 Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the United Association Local 322 Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Administrative Expenses, Schedule of Assets Held at End of Year and Schedules of Employer Contributions, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ANNUITY FUND**

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN

The United Association Local 322 Annuity Fund (the Plan) was established May 1, 1984 as a result of collective bargaining agreements between United Association Local 322 and various construction contractors. The Plan is a multiemployer, defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan provides annuity benefits for eligible members of the United Association Local 322 which represents plumbers and pipefitters employed in southern New Jersey. Participants become eligible to receive annuity benefits at age 55 or after completely withdrawing from covered employment for a period of at least six months.

Participants in the Plan are fully vested in contributions made for their account by the representative employers. Employer contributions to the Plan are based on the number of hours a participant works in covered employment.

Employer contributions to the Plan are invested with Prudential Financial. Prudential has various investment options to which participants may direct their contributions. These funds are increased by contributions and earnings on the underlying investments and decreased by Plan withdrawals and administrative fees.

Contributions to the Plan are invested as directed by the participants in various funds. Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by the funds selected by the participants may cause their balances to be lower than the amounts contributed to the Plan on their behalf.

During the year ended April 30, 2010, the Plan was amended to allow for in-service withdrawals. In-service withdrawals are subject to eligibility requirements and dollar limits.

During the year ended April 30, 2018, the Plan was amended to allow partial distribution of participant accounts when eligible for a distribution.

During the year ended April 30, 2021, the Plan was amended to allow for coronavirus related distributions for participants who experienced adverse financial consequences as a result of the pandemic. These distributions were not to exceed the lesser of \$25,000 or the total Individual Account balance.

Participants should refer to the Summary Plan Description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - Pooled separate accounts are carried at estimated fair value as provided by the custodian. Investments in mutual funds are carried at fair value, which generally represents reported market values or net asset values of the mutual funds as of the last business day of the year. The guaranteed income fund is carried at contract value which approximates fair value. As reported by the insurance carrier (Prudential), there is no difference between the fair value and contract value of the Plan's investment in the guaranteed income fund.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable - Contractor contributions due and not paid prior to the year end are recorded as contributions receivable. Allowance for uncollectible accounts is considered unnecessary and is not provided.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results may differ from those estimates.

Guaranteed Interest Rates - One of the investment options for participants is the Guaranteed Income Account. The Guaranteed Income Account is part of Prudential Retirement Insurance and Annuity Company's general account and provides a guaranteed interest rate on deposits. The interest rates are set semi-annually (January 1 and July 1).

At April 30, 2023 and 2022, the guaranteed interest rate on deposits in the Guaranteed Income Account was 1.75% and 1.5%, respectively.

Vesting - Participants are immediately 100% vested in their account.

Participant Accounts - Each participant's account is credited with the employers' contributions and allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 3. PRIORITIES UPON TERMINATION

In the unlikely event of termination of the Plan, participants shall have a non-forfeitable right to the Plan assets after provision for expenses including benefits approved prior to the termination. Should the liquidation value of the assets on the date of termination be less than the total of the participants' accumulated shares plus expenses, each participant shall receive that part of the total remaining assets in the same ratio as their accumulated share bears to the aggregate amount of the accumulated share of all participants. No part of the assets shall be returned to any employer or to the Local Union.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter dated September 28, 2015 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes under the provisions of Section 501(a).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 5. FUNDING POLICY

The participating employers contribute such amounts as are specified in the collective bargaining agreements. The contribution rates for the years ended April 30, 2023 and 2022 were \$8.64 and \$8.00 per hour, respectively.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets at Fair Value as of April 30, 2023				
	Total	Level 1	Level 2	Level 3
Money market fund	\$ 971,912	\$ 971,912	\$ -	\$ -
Equity mutual funds	452,378	452,378	-	-
	1,424,290	\$ 1,424,290	\$ -	\$ -

	<u>\$ 97,285,591</u>			

Assets at Fair Value as of April 30, 2022				
	Total	Level 1	Level 2	Level 3
Money market fund	\$ 818,513	\$ 818,513	\$ -	\$ -
Equity mutual funds	375,215	375,215	-	-
	1,193,728	\$ 1,193,728	\$ -	\$ -
Investment measured at net asset value (a)	98,714,028			
	<u>\$ 99,907,756</u>			

(a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

For the years ended April 30, 2023 and 2022 there were no transfers in or out of levels 1, 2 or 3.

The following table summarizes investments measured at fair value based on net asset value (NAV) per share April 30, 2023.

(a) The Plan's investment is participant directed. Participants can initiate transactions in and out of the investment at any time without prior notice.

NOTE 7. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment contract that meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. There are no events Prudential has identified that would limit the Plan's ability to transact at contract value. The following represents the contract value of the investment contract held by the Plan.

	<u>2023</u>	<u>2022</u>
Guaranteed income fund	<u>\$ 31,603,666</u>	<u>\$ 28,840,871</u>

The Plan's investments in the guaranteed income fund are backed by the assets of Prudential's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of Prudential.

NOTE 8. RELATED PARTY TRANSACTIONS

The Plan has common Trustees and shares office facilities and staff with the other United Association Local 322 Benefit Funds. The operating expenses of the common facilities and staff are initially paid by the Health and Welfare Fund. The Health and Welfare Fund bills each Fund monthly for its share of the prior month's allocable expenses. Salaries and employee benefits are allocated based on the duties performed by each employee. Legal fees for employer contribution collection activities are allocated based on the contribution rates of the Funds. The remaining shared expenses are allocated equally among the Annuity Fund, Health and Welfare Fund, Pension Fund and Education and Training Fund.

During the years ended April 30, 2023 and 2022, the Annuity Fund reimbursed the Health and Welfare Fund \$218,255 and \$225,709, respectively, for its share of allocable expenses. As of April 30, 2023, and 2022, the Annuity Fund owed the Health and Welfare Fund \$15,584 and \$81,810, respectively.

The United Association Local 322 Benefit Funds rent office space from United Association Local 322 under terms of an annual operating lease. The rent has been determined based upon the approximate fair market value of the square footage used by the Benefit Funds. The Annuity Fund's share of the rent is 25% of the amount charged to the Benefit Funds. Rent paid for the years ended April 30, 2023 and 2022 totaled \$19,500 and \$19,500, respectively. As of April 30, 2023 and 2022, the Annuity Fund did not owe any amount for rent.

The transactions identified above qualify as transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 9. MULTIEMPLOYER DEFINED BENEFIT PENSION PLANS

Employees of the U.A. Local 322 Annuity Fund (the Annuity Fund), the U.A. Local 322 Health & Welfare Fund (the Health & Welfare Fund), the U.A. Local 322 Pension Fund (the Pension Fund), and the U.A. Local 322 Education and Training Fund (the Education Fund), together referred to as the Benefit Funds, participate in a multiemployer defined benefit pension plan under the terms of participation agreements that cover its union-represented and non-collectively bargained employees. The Health & Welfare Fund remits the contributions to the multiemployer defined benefit pension plan for the shared employees on behalf of the other Benefit Funds.

The Annuity Fund, Pension Fund, and the Education Fund reimburse the Health and Welfare Fund for their share of the contributions based on a cost allocation study. The risks of participating in a multiemployer defined benefit pension plan are different from a single-employer plan in the following aspects:

- a. Assets contributed to the multiemployer defined benefit pension plan by one employer may be used to provide benefits to employees of other participating employers.
- b. If a participating employer stops contributing to the multiemployer defined benefit pension plan, the unfunded obligations of the multiemployer defined benefit pension plan may be borne by the remaining participating employers.
- c. If the Benefit Funds choose to stop participating in any of its multiemployer defined benefit pension plans, the Benefit Funds may be required to pay those multiemployer defined benefit pension plans an allocated amount based on the underfunded status of the multiemployer defined benefit pension plan, referred to as a withdrawal liability.

The Benefit Funds' participation in the multiemployer defined benefit pension plan for the annual periods ended April 30, 2023 and 2022 is outlined in the table below. The zone status is based on information that the Benefit Funds received from each multiemployer defined benefit pension plan's actuary. Among other factors, pension plans in the red zone are generally less than 65 percent funded, pension plans in the yellow zone are less than 80 percent funded, and pension plans in the green zone are at least 80 percent funded.

* The employees of the Benefit Funds participate in the U.A. Local 322 Pension Plan through a reimbursement participation agreement between the Benefit Funds and the U.A. Local 322 Pension Fund. The participation agreement does not have an expiration date.

NOTE 10. MULTIEMPLOYER PLAN THAT PROVIDES POSTRETIREMENT BENEFITS OTHER THAN PENSIONS

The Benefit Funds contribute to a multiemployer defined benefit health and welfare plan that provides postretirement benefits for its union-represented and non-collectively bargained employees during the years ended April 30, 2023 and 2022. The Annuity Fund remits its share of the contributions to the multiemployer Health and Welfare Fund that provides postretirement benefits for its employees and the shared employees on behalf of the Benefit Funds. The Annuity Fund, Pension Fund, and the Education Fund reimburse the Health & Welfare Fund for their share of the contributions based on a cost allocation study. * The Fund provides medical, dental, vision, life insurance, death, prescription drug, vacation, surgical, and disability benefits.

NOTE 11. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector and credit risks. Due to the level of risk associated with certain investment securities, it is least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 12. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are units in pooled separate accounts or guaranteed income funds managed by Prudential Retirement Insurance & Annuity Company. Prudential Retirement Insurance & Annuity Company is the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental Schedules of Assets Held at End of Year.

The Plan is participating in Prudential Insurance Company's (Prudential) revenue sharing program (the Program). Income from the Program may be used to pay Plan expenses. In January 2020, Prudential amended the agreement to provide \$185,000, payable in quarterly installments.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rates of ERISA.

NOTE 13. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through December 19, 2023, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
