INDEPENDENT AUDITOR'S REPORT

Board of Trustees
GPV 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the GPV 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2023 and 2022, and for the year ending March 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of March 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GPV 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the GPV 401(k) Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan's provisions. The retirement committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

General - The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act (ERISA), covering all employees (excluding union employees and nonresident aliens, as defined) of Great Plains Ventures, Inc., Great Plains Industries, Inc., Aerospace Systems & Components, Inc. and PowderTech, LLC (collectively, Company). Employees become participants in the Plan when they have attained the age of eighteen and have completed one month of service. Employees are treated as participants on the first day of the quarter following the date on which eligibility requirements are met.

Contributions - Participants may make pre-tax and after-tax contributions up to 90% of compensation as defined in the Plan, up to a maximum allowed by the Internal Revenue Code (\$20,500 for Plan year 2023). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 for Plan year 2023). The Company makes nonelective safe harbor contributions to the account of each active participant equal to 3% of the participant's pre-tax compensation. The Plan also accepts rollover contributions from certain other qualified plans for eligible participants. Participants may direct the investment of their contributions into various investment options offered by the Plan.

The Plan utilizes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contribution invested in a designated balanced fund until changed by the participant.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings and (c) investment and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The entire amount of participants' contributions and employer nonelective safe harbor contributions are vested and nonforfeitable.

Normal Retirement - Normal retirement age is 65 years of age.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a single lump-sum payment equal to the participant's vested balance, substantially equal installments or partial withdrawals. If the account balance exceeds \$5,000, the participant may defer the payment of the benefit until April 1 of the calendar year following the calendar year during which the participant attains age 70 ½. For termination for other reasons, a participant will receive a lump sum payment of his or her account. Hardship distributions are also permitted.

GPV 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their participant deferred account balance and may only have one outstanding loan at any given time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% as of the date of the note. Principal and interest is paid ratably through regular payroll deductions. Notes receivable may not exceed five years unless the note is for the purpose of purchasing a personal residence, in which case the term may be up to thirty years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates - The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition - Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's retirement committee determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors. The purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance has been recorded as of March 31, 2023 and 2022 for these notes receivable. Delinquent loans are treated as distributions based upon the terms of the Plan document.

Benefit Payments - Benefits are recorded when paid.

Administrative Expenses - Certain expenses of the Plan may be paid directly by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Some investment related expenses may be included in net change in fair value of investments.

Subsequent Events - Subsequent events have been evaluated through January 12, 2024, the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY RELIANCE TRUST COMPANY (UNAUDITED)

The following is a summary of the information as of March 31, 2023 and 2022, and for the year ended March 31, 2023, that was prepared by or derived from information provided by Reliance Trust Company, a qualified institution, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from Reliance Trust Company that information provided to the Plan Administrator by Reliance Trust Company related to the following is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information below, the values in Note 4, and the values in the supplemental schedule.

	<u>2023</u>	<u>2022</u>
Investments at fair value	<u>\$ 25,247,762</u>	<u>\$ 26,997,713</u>
Notes receivable from participants	<u>\$ 207,408</u>	<u>\$ 302,378</u>

Reliance Trust Company also certified to the completeness and accuracy of \$(2,189,849) of net change in fair value of investments (including gains and losses on investments bought and sold, as well as held during the year) and dividends, interest and other income of \$560,349 related to the aforementioned assets for the year ended March 31, 2023.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The guidance describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

GPV 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds - These investments are valued using a quoted price in an active market.

Collective Trust Fund - This investment is valued at net asset value (NAV). The NAV, as provided by Reliance Trust Company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it's determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly manner.

The fair value of the Plan's financial instruments that are valued on a recurring basis is as follows (there were no assets in Level 2 or Level 3):

	Fair Value as of March 31, 2023		
	Level 1	Not Classified	(Unaudited) Value
Investments at fair value:			
Mutual funds	\$ 22,057,231	\$ --	\$ 22,057,231
Collective trust fund ^(a)	--	3,190,531	3,190,531
Total	<u>\$ 22,057,231</u>	<u>\$ 3,190,531</u>	<u>\$ 25,247,762</u>

	Fair Value as of March 31, 2022		
	Level 1	Not Classified	(Unaudited) Value
Investments at fair value:			
Mutual funds	\$ 24,016,606	\$ --	\$ 24,016,606
Collective trust fund ^(a)	--	2,981,107	2,981,107
Total	<u>\$ 24,016,606</u>	<u>\$ 2,981,107</u>	<u>\$ 26,997,713</u>

- (a) Certain investments that are measured at NAV (or its equivalent) have not been classified in the fair value hierarchy, as allowed by U.S. accounting policies. The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The following table summarizes investments measured at fair value based on NAV:

Investment	March 31, 2023			
	(Unaudited) Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective trust fund	\$ 3,190,531	\$ --	Daily	Daily
Investment	March 31, 2022			
	(Unaudited) Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective trust fund	\$ 2,981,107	\$ --	Daily	Daily

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets, including notes receivable from participants, are managed by Reliance Trust Company (party-in-interest), and therefore, these transactions qualify as party-in-interest transactions. Total fees incurred and paid directly by the Plan for the investment management and recordkeeping services were \$103,981. The various funds' operating expense ratios ranged from 0.03% to 0.85% as of March 31, 2023.

6. PLAN TERMINATION

Although it has not expressed an intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of termination of the Plan, the interests of the participants in the Plan shall be fully vested at the time of termination, and Reliance Trust Company shall liquidate all assets of the trust and continue to administer the trust in accordance with its provisions until all obligations have been satisfied.

7. INCOME TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan (pre-approved plan) designed to qualify under Section 401 of the Internal Revenue Code. The Plan has obtained a copy of a favorable determination letter for the pre-approved plan dated October 6, 2020 that the pre-approved plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since that determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however,

GPV 401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

7. INCOME TAX STATUS (CONTINUED)

there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that it had taken no uncertain tax positions that require recognition or disclosure in the financial statements. No provision or liability for income taxes has been included in the financial statements.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of March 31, 2023 and 2022:

	2023	2022
Net assets available for benefits per these financial statements	\$ 25,474,514	\$ 27,300,091
Employer contributions receivable	(19,344)	--
Net assets available for benefits per the Form 5500	<u>\$ 25,455,170</u>	<u>\$ 27,300,091</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500 for the year ended March 31, 2023:

Change in net assets available for benefits per these financial statements	\$ (1,825,577)
Less: Employer contributions receivable at March 31, 2023	<u>(19,344)</u>
Change in net assets available per Form 5500	<u>\$ (1,844,921)</u>

10. QUALIFIED NON-ELECTIVE CONTRIBUTION

During the year ending March 31, 2023, the Plan Sponsor failed to offer some eligible employees the opportunity to enroll in the Plan. As a result, six employees that were eligible to participate in the Plan missed the chance to potentially enroll and participate in the Plan. Subsequent to year end, the Plan self-corrected this operational error and made a \$19,344 qualified non-elective contribution (QNEC) to the Plan on behalf of the employees for the missed deferrals.
