To the Retirement Committee and Trustees

Jones, Waldo, Holbrook & McDonough Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Jones, Waldo, Holbrook & McDonough Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of February 28, 2023 and March 31, 2022, the related statement of changes in net assets available for benefits for the period from April 1, 2022 through February 28, 2023, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of February 28, 2023 and March 31, 2022 and for the period from April 1, 2022 through February 28, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter—Plan Termination and Use of Liquidation Basis of Accounting

As further discussed in Notes 1 and 2 to the financial statements, the governing body of the Plan approved the dissolution of the Plan in March 2022, and management determined liquidation was imminent. The Plan was fully liquidated by February 28, 2023. As a result, the Plan will use the liquidation basis of accounting in presenting the February 28, 2023 and March 31, 2022 financial statements. Our opinion is not modified with respect to this matter.

The following description of the Jones, Waldo, Holbrook & McDonough Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document, adoption agreement, and summary plan description for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established in 1979 to provide retirement benefits for eligible employees of Jones, Waldo, Holbrook & McDonough, PC (the Company, Employer or Plan Sponsor). Employees of the Company are eligible to participate once hired and may receive employer contributions beginning either April 1 or October 1 following completion of 12 months and 1,000 hours of service with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA) and is exempt from tax under the Internal Revenue Code (IRC). Effective March 31, 2003, the Jones, Waldo, Holbrook & McDonough Pension Plan and Trust (Pension Plan) merged with, and transferred the account balances of all participants to, the Jones, Waldo, Holbrook & McDonough Profit Sharing Plan and Trust.

Termination of the Plan

On March 17, 2022, those charged with governance over the Plan determined to dissolve the Plan. The Plan was terminated effective September 30, 2022, with all assets being distributed to Plan participants by February 28, 2023. All participants vested 100% on the termination date.

Contributions

Contributions to the Plan include: (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, (iii) discretionary profit-sharing contributions made by the Company, and (iv) participant rollovers from other plans.

During each Plan year, a participant may elect to make a salary reduction contribution to the Plan of up to 100% of his or her compensation, subject to the maximum amount allowable on a calendar year basis under the IRC of \$20,500 for 2022. Participants who attained age 50 before the end of the 2022 calendar year were eligible to make catch-up contributions of \$6,500 for the 2022 year. The Plan allows traditional 401(k) deferral (pre-tax) contributions and also Roth 401(k) deferral (after-tax) contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation. The Company may make discretionary matching contributions to eligible participants' accounts. During the period from April 1, 2022 through February 28, 2023, the Company did not make any contributions.

Participant Accounts

Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contributions and Employer's matching contributions, as well as allocations of the Company's profit-sharing contribution, the Plan earnings or losses, administrative expenses, and distributions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants may direct the investment of their account balance into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Vesting of participant contributions to the Plan is immediate. Plan participants vest in the Employer's contributions based on years of service and are fully vested upon completing five years of service. Forfeited balances of terminated participants' non-vested accounts are used to pay administrative expenses of the Plan and to reduce future Employer contributions. All Employer contributions vested 100% upon termination of the Plan.

Notes Receivable from Participants

Participants may borrow against their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, ten years if for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at fixed rates of prime plus 2% based on the prime rate on the second day of the month in which the loan originated. Principal and interest are paid ratably through semi-monthly or quarterly payroll deductions. The Plan did not have outstanding notes as of February 28, 2023.

Payment of Benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or, in the case that the participant has a balance which was transferred from the Pension Plan, the participant may elect to receive that portion of the balance in installments over a period not-to-exceed the participant's life expectancy. Vested account balances less than \$5,000 are automatically distributed. Those participants with balances of more than \$5,000 may elect to defer receipt of the vested account balance until age 65.

Forfeitures

As of February 28, 2023 and March 31, 2022, there were \$0 and \$20,512, respectively, of forfeited funds available to pay administrative expenses or reduce Employer contributions. Forfeitures during the period from April 1, 2022 through February 28, 2023 totaled \$126,958. Additionally, during the period from April 1, 2022 through February 28, 2023, \$30,283 and \$117,860 of the forfeited non-vested accounts were used to pay administrative expenses and employer contributions, respectively. During the period from April 1, 2022 through February 28, 2023, interest income on forfeited funds totaled \$673.

Administrative Expenses

Plan administrative expenses may be charged directly to the Plan or paid by the Plan Sponsor. Administrative expenses include third-party accounting and audit fees, account maintenance fees, and loan fees. During the period from April 1, 2022 through February 28, 2023, the Plan paid \$91,642 of administrative expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting

As a result of the decision to terminate the Plan and in accordance with accounting principles generally accepted in the United States of America (US GAAP), the Plan's financial statements as of February 28, 2023 and March 31, 2022 and for the period from April 1, 2022 through February 28, 2023 have been prepared on the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for investments in securities that are exposed to various risks, such as interest rate, currency exchange rate, credit, and the overall fluctuation in the market. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds and common stocks are stated at fair value based on quoted market prices. The Plan's investment in the collective investment trusts is stated at fair value based upon net asset value (NAV) per unit. NAV serves as a practical expedient to estimate the fair values of the Plan's collective investment trusts and is based upon the quoted redemption values of the underlying assets in the collective investment trusts.

Net appreciation or depreciation in the fair value of investments includes both realized and unrealized gains and losses on investments and is recognized in income currently. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Investment earnings are automatically reinvested into the fund from which they were derived.

Notes Receivable from Participants

Notes receivable from participants are recorded at their unpaid principal balance plus accrued but unpaid interest. Interest income is recognized over the terms of the notes at the rate specified in the loan documents. Fees related to notes receivable from participants are recorded as administrative expenses when they are incurred. If a participant defaults, the carrying amount of the note receivable from the participant is eliminated and a benefit payment is recorded at the time the participant is eligible to receive a distribution.

Payment of Benefits

Benefits are recorded when paid by the Plan.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Subsequent Events

Plan management has evaluated events occurring subsequent to year-end through July 12, 2023, which is the date the financial statements were available to be issued.

3. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Financial Accounting Standards Board established a framework for measuring fair value in the form of a fair value hierarchy, which prioritizes inputs into valuation techniques used to measure fair value into three broad levels. This hierarchy requires assets to be classified by level in their entirety based upon the lowest level of input that was significant to the fair value measurement. The three levels of the fair value hierarchy are as follows:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Observable inputs other than Level 1, including quoted prices for similar assets or liabilities, quoted prices in less active markets, or other observable inputs that can be corroborated by observable market data.
- Level 3: Unobservable inputs supported by little or no market data for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

As of February 28, 2023, the fair values of the Plan's investments were \$0.

The following tables summarize the fair values of the Plan's investments and the levels of inputs under which those investments were valued as of March 31, 2022:

Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 45,046,909	\$ -	\$ -	\$ 45,046,909
Common stocks	725,181	-	-	725,181
	\$ 45,772,090	\$ -	\$ -	45,772,090
Collective investment trust, measured at NAV practical expedient*				4,214,110
Total investments				\$ 49,986,200

* The fair values of these investments are provided above to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables set forth a summary of the Plan's investments reported at NAV as a practical expedient as of March 31, 2022:

	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Collective investment trusts	\$ 4,214,110	n/a	daily	daily

4. Federal Income Tax Status

The Plan has adopted a non-standardized prototype plan for which the Internal Revenue Service has issued an opinion letter dated March 31, 2014, covering the qualification of the Plan under the appropriate sections of the IRC. The Plan has been amended since receiving the opinion letter. The Plan Administrators and the Plan's tax counsel believe that the Plan is designed and operates in accordance with requirements to qualify for tax-exempt status. Accordingly, no income taxes have been provided for in the accompanying financial statements.

US GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan Administrators have analyzed the tax positions of the Plan and have concluded that as of February 28, 2023, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits in tax jurisdictions for tax years for which the applicable statutes of limitations have not expired; however, there are currently no audits for any tax periods in progress.

5. Party-In-Interest Transactions

The Plan had notes receivable from participants, which are considered to be exempt party-in-interest transactions.

6. Information Certified by the Trustee

The Plan Administrators have elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under that election, the Plan Administrators instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the trustee, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

All investment balances and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule and the net appreciation in fair value of investments and interest and dividends were obtained and derived from information supplied to the Plan Administrators and certified as complete and accurate by Newport Trust Company, the trustee. Information as to the investments, notes receivable from participants, investment income, and investment transactions are presented solely based on those certifications.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits presented in the statements of net assets available for benefits as of February 28, 2023 and March 31, 2022 to the Form 5500:
