REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Service Employees International Union
Local No. 1 Suburban 401(k) Savings Plan and Trust

Opinion

We have audited the financial statements of Service Employees International Union Local No. 1 Suburban 401(k) Savings Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Service Employees International Union Local No. 1 Suburban 401(k) Savings Plan and Trust as of March 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Audit of the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management's Responsibilities for the Audit of the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**SERVICE EMPLOYEES INTERNATIONAL UNION
LOCAL NO. 1 SUBURBAN 401(K) SAVINGS PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2023 AND 2022

NOTE 1. DESCRIPTION OF PLAN

Service Employees International Union Local No. 1 Suburban 401(k) Savings Plan and Trust (the Plan) was established on April 1, 2020 pursuant to a collective bargaining agreement between the local union and the employers' association, to provide retirement benefits for eligible participants. The Plan is a multiemployer defined contribution retirement plan, subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is primarily funded by contributing employers as specified in the collective bargaining agreements. Benefits are not insured by the Pension Benefit Guaranty Corporation.

Individuals become a participant in the Plan when their employer is first obligated to make a contribution on their behalf, on the first day of the month following employment.

In addition to employer contributions made on their behalf, each eligible participant may elect to make an elective deferral contribution under the Plan, in an amount equal to a specified dollar amount up to a maximum of 100% of compensation. However, elective contributions in any tax year may not exceed Internal Revenue Service limits. Rollovers from another qualified retirement plan are also permitted.

Contributions from employers are invested in accordance with the Trustees' direction. Participant deferrals are invested as directed by the participants in various investment options. In the absence of participant direction, such contributions are invested in a qualified default investment alternative account. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their account balance to be lower than contributions made to the Plan.

An "Employer Contributions Account" and an "Elective Deferral Account" are established for each participant. The participants' accounts are credited with employer contributions made on their behalf and elective deferrals, and are adjusted for investment income (loss) (as defined under the Plan), forfeitures of terminated participants nonvested accounts and expenses incurred by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Under current provisions of the Plan, a participant is credited with one year of vesting service for each Plan year in which they complete at least 1,000 hours of work in covered employment. A participant is 100% vested after two years of credited vesting service. Participants are immediately 100% vested in their elective contributions and rollover contributions plus actual earnings thereon. On termination of service due to retirement, death, total and permanent disability, or separation of services under specified conditions, a participant will receive a lump-sum amount equal to the value of the participant's individual account, as defined.

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

If a participant's employment with their employer ceases while any portion of their account is not vested, that portion is in suspense for a period of five years until being forfeited. If a participant returns to employment with any employer within five years, the unvested portion of their account will be restored, and their employment before and after termination will be combined for purposes of determining vesting. Included in net assets available for benefits are forfeited nonvested accounts of \$166 and \$0 as of March 31, 2023 and 2022, respectively, and no amounts were used from forfeited nonvested accounts.

Participants should refer to the summary plan description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - Investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Purchases and sales of investments are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex dividend date.

Contributions Receivable - Employer and participant contributions due at year end and not paid are recorded as contributions receivable. Contribution deficiencies which are established through payroll compliance audits are recognized when the deficient amounts are determined to be collectible. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rates currently in effect, as set forth in the collective bargaining agreement. Employers are required to remit contributions monthly to the Plan. The Plan carries out its purpose described in Note 1 on behalf of janitorial, elevator operators and working supervisors performing covered work for member employers of Apartment Building Owners & Managers Association of Illinois, within a jurisdiction located in the surrounding suburbs of Chicago.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. There were no amounts allocated to participants who elected to withdraw from the Plan but were not paid at either March 31, 2023 or 2022.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expense Offset Arrangements - Certain investment related expenses are included in net appreciation (depreciation) in fair value of investments. The Plan has a revenue sharing arrangement with Merrill Lynch. On a quarterly basis, Merrill Lynch will use revenue received from mutual fund service providers to credit its fees for the quarter. Any balance not covered by the revenue sharing account is invoiced to the Plan for payment. Merrill Lynch reimburses the Plan for any unused amount at year end. During the years ended March 31, 2023 and 2022, a total of \$126,192 and \$79,684 respectively, of revenue sharing income was received. The Plan was owed \$31,586 and \$21,322 at March 31, 2023 and 2022, respectively, for amounts not offset by expenses. A total of \$152,712 and \$35,167 of unallocated amounts from revenue sharing is included in net assets available for benefits at March 31, 2023 and 2022, respectively.

Reclassifications - Certain reclassification were made to the prior year to conform to the current year presentation.

Estimates - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through January 15, 2024, which is the date the financial statements were available to be issued.

NOTE 3. TAX STATUS

The Plan's determination letter is dated June 1, 2021, in which the Internal Revenue Service stated that the Plan and related trust were designed in accordance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken and recognize a tax liability if the Plan has taken uncertain tax positions that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants and beneficiaries, except that provision may be used for payment of necessary expenses resulting from termination of the Plan. Whether or not a particular participant will receive the full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the Financial Accounting Standards Board Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value measurements hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's investment assets at fair value as of March 31, 2023 and 2022. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		Fair Value Measurements at 3/31/23 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
		Total		
Mutual funds	\$ 3,594,794	\$ 3,594,794	\$ -	\$ -
Investments measured at net asset value:				
Stable value fund	376,606			
Total	\$ 3,971,400			

NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)

		Fair Value Measurements at 3/31/22 Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Total			
Mutual funds	\$ 1,935,853	\$ 1,935,853	\$ -	\$ -
Investments measured at net asset value:				
Stable value fund	158,260			
Total	<u>\$ 2,094,113</u>			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The Plan's investment in the stable value fund is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liability. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The fair value of the stable value fund is based on the net asset value per share by reference to the underlying asset, which consists solely of the Galliard Stable Return Fund L (formerly Wells Fargo). The stable value fund is a direct filing entity (DFE) and files a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Although participants may initiate transactions on a daily basis, the Plan is subject to a 12-month written notice period for redemption of the stable value fund.

Risks and Uncertainties

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

The Plan has a significant portion of its assets invested in one fixed income mutual fund, which represented approximately 31% and 35% of the Plan's net assets available for benefits as of March 31, 2023 and 2022, respectively.

NOTE 6. NON-PARTICIPANT DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets relating to the non-participant directed investments as of and for the years ended March 31, 2023 and 2022 is as follows:

	<u>2023</u>	<u>2022</u>
Net assets		
Mutual funds	\$ 3,205,161	\$ 1,723,685
Stable value fund	<u>353,046</u>	<u>140,915</u>

	<u>2023</u>	<u>2022</u>
Changes in net assets		
Contributions	\$ 1,644,443	\$ 1,133,350
Net investment (loss)	(54,806)	(68,448)
Revenue sharing rebates	116,095	35,069
Benefits paid to participants	<u>(12,125)</u>	<u>(1,507)</u>
Net change in non-participant directed investments	<u>\$ 1,693,607</u>	<u>\$ 1,098,464</u>

NOTE 7. FUNDING POLICY

Participating employers contribute such amounts as specified in their collective bargaining agreements. During the years ended March 31, 2023 and 2022, the majority of employers were required to contribute at an hourly rate of \$0.50 and \$0.40, respectively.

A portion of employer contributions is earmarked for the payment of administrative expenses incurred by the Plan equal to \$.03 per hour effective August 2022. The rate in effect prior to August 2022 was \$.12 per hour. For the years ended March 31, 2023 and 2022, a total of \$240,186 and \$477,501 respectively, of administrative fee income was received. Amounts held in the Plan's operating cash account include funds that are available to pay administrative expenses.

NOTE 8. PARTICIPANT CONTRIBUTIONS

Employers withhold participants' contributions from their payroll. At times, employers may remit contributions to the Plan more than 15 days after the following month, which does not meet the timeliness requirements as prescribed by U.S. Department of Labor (DOL) regulations and would therefore constitute prohibited transactions with a party-in-interest.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions, plus interest, is credited to the participant's account to compensate the participant for lost earnings resulting from the delay in contributions.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10. RELATED ORGANIZATIONS

The Plan shares certain common governance with several organizations, including a local union, a welfare plan, a pension plan, a training fund and another defined contribution retirement plan, all of which are tax-exempt.

NOTE 11. MAJOR EMPLOYERS

Contributions from four employers accounted for approximately 69% and 74% of employer contributions to the Plan for the years ended March 31, 2023 and 2022, respectively.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Service Employees International Union
Local No. 1 Suburban 401(k) Savings Plan and Trust

We have audited the financial statements of Service Employees International Union Local No. 1 Suburban 401(k) Savings Plan and Trust (the Plan) as of and for the years ended March 31, 2023 and 2022, and our report thereon dated January 15, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedule 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
