Independent Auditor's Report

To the Plan Administrator, Trustees and Participants
Sid Harvey Industries' 401(k) Savings and Profit Sharing Plan
Garden City, New York

Opinion on the 2023 Financial Statements

We have audited the financial statements of Sid Harvey Industries' 401(k) Savings and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statement of net assets available for benefits as of March 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2023 financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of March 31, 2023, and the changes in its net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2023 Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of March 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. SID HARVEY INDUSTRIES' 401(k) SAVINGS AND PROFIT SHARING PLAN

Notes to Financial Statements

As of March 31, 2023 and 2022 and for the Year Ended March 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Sid Harvey Industries' 401(k) Savings and Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution plan established September 1, 1992 by Sid Harvey Industries, Inc. (the "Company," "Employer" or "Plan Sponsor") to provide benefits to all eligible employees as defined in the Plan. Employees who have completed one year of service as defined in the Plan agreement and are age twenty-one or older are eligible for the 401(k) feature and can elect to participate. Eligible employees hired on or after April 1, 2006 are automatically enrolled in the Plan with a 4% deferral, unless they elect not to participate. Employees are eligible to participate in any profit sharing contributions provided they have completed six months of continuous employment as of March 31st and have completed 1,000 hours of service during the Plan year. The Employer has the right to amend the Plan at any time. Assets of the Plan are held by a trust established under the Plan. T. Rowe Price Retirement Plan Services ("T. Rowe", the "Custodian") is the Plan's Custodian. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 25% of pre-tax annual compensation as defined in the Plan. In addition, participants 50 years of age or older may make certain catch-up contributions. Both are called Salary Reduction Contributions. Participants may also elect to contribute to the "after tax" Roth 401(k) Deferral Contribution. Except, with respect to the application of income taxes to Roth Deferral Contributions, Roth Deferral Contributions are subject to the same rules applicable to "pre-tax" deferral contributions. The Plan provides for the Employer to match 25% of each participant's contribution but the match will not exceed 1% of the participant's compensation and totaled \$235,918 for 2023. In addition, the Employer may make discretionary contributions to the Plan to ensure compliance with ERISA requirements, allocable to Salary Reduction Accounts. Such contributions are called Qualified Non-Elective Contributions ("QNEC"). There were no QNEC contributions in the year ending March 31, 2023. In addition to the Employer Matching Contributions and any QNEC contributions, the Employer may make a Profit Sharing Contribution. The Employer's Profit Sharing Contribution will be allocated to each eligible participant's profit sharing account in proportion to the ratio which their plan year eligible compensation bears to the total plan year compensation of all eligible participants. The profit sharing match for 2023 totaled \$2,041,611.

Participant Accounts

Each participant's account is credited with their Salary Reduction Contribution and Matching Company Contribution, Profit Sharing Contributions and an allocation of QNEC (if any). Each participant directs all amounts credited into their account into one or more of the investment options available under the Plan. Accordingly, as a participant-directed plan, each participant's investments determine their share of earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their Salary Reduction Contributions and any QNECs plus actual earnings thereon. Vesting in the Matching Company Contribution portion of their accounts plus actual earnings thereon is based on years of vesting service (1,000 hours of service during the plan year), as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0
2	25
3	50
4	75
5 or more	100

Vesting in the Company's Profit Sharing Contribution plus actual earnings thereon is based on years of vesting service (1,000 hours of service during the plan year), as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Investment Options

Upon enrollment in the Plan, participants may direct employee and employer contributions in various investment options made available by the Employer and managed by the Custodian. Said investment options may be changed daily and are subject to the Custodian's policies relating to excessive trading.

Notes Receivable from Participants

Participants may borrow from their vested fund account balance provided the participant submits positive evidence of severe hardship to the Plan Administrator. Any loan opened prior to April 1, 2015 may not be less than \$2,500, and cannot exceed the lesser of (a) \$50,000 or (b) 75% of the value of their vested account balance up to \$10,000 or \$7,500 plus 25% of their vested account balance between \$10,000 and \$20,000 or 50% of their vested account balance over \$20,000. Effective April 1, 2015 the minimum loan may not be less than \$1,000, and cannot exceed the lesser of (a) \$50,000 or 50% of the value of their vested account balance. The maximum payment term allowed for loans other than those used to acquire a principal residence will be five years with the interest rate fixed at the prevailing prime rate (8.00% and 3.50% at March 31, 2023 and 2022, respectively) plus 2% at the time of the approval of the loan. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 9.50%. Principal and interest are paid ratably through payroll deductions. Loans mature at various dates through October 2031. Notes receivable from participants are valued at the outstanding loan balance which approximates fair value.

Notes to Financial Statements (Continued)

As of March 31, 2023 and 2022 and for the Year Ended March 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Hardship Withdrawals and In-Service Withdrawals

A participant may receive a distribution on account of hardship from all of their accounts that are fully 100% vested. Participants must submit evidence of severe hardship as defined in the Plan to the Plan Administrator for approval of hardship withdrawals. The Plan Administrator may establish uniform procedures that include, but are not limited to, prescribing limitations on the frequency and minimum amount of in-service withdrawals. All distributions will be made in the form of a single sum as soon as practicable following the valuation date as of which such withdrawal is made. Such distributions will be paid in cash or in kind. Only employees are eligible to receive in-service distributions.

Forfeited Accounts

Forfeited nonvested profit sharing amounts are allocated to participants in the same manner as profit sharing contributions, whereas, forfeited nonvested matching amounts are used to reduce future Employer matching contributions. At March 31, 2023 and 2022, unallocated forfeited nonvested amounts totaled \$60,621 and \$47,807, respectively. The majority of the 2023 and 2022 amounts are from profit sharing accounts and will be allocated to participants as a profit sharing forfeiture.

Benefit Payments

Upon termination of service due to death, disability or retirement, as defined in the Plan, a participant is entitled to a fully vested lump sum payment of their account balance. For termination of service due to other reasons, a participant is entitled to the value of the vested interest in the respective account as a lump-sum distribution. As of March 31, 2023, all employees who elected to withdraw from the Plan had been paid.

Expenses of the Plan

Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Administrative expenses not paid by the Plan are paid by the Employer.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

All Plan investments are held by the Custodian. Mutual funds are stated at fair market value as determined by quoted market prices. The common collective trust's fair value is determined using the Net Asset Value ("NAV") provided by the administrator of the fund under the practical expedient approach (See Note 3).

Notes to Financial Statements (Continued)

As of March 31, 2023 and 2022 and for the Year Ended March 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as components of net appreciation or depreciation in fair market value of investments for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of March 31, 2023 or 2022.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Payment of Benefits

Benefit payments are recorded when paid.

Deemed Distributions

Employee loans are repaid via payroll reductions. Upon termination of employment any remaining unpaid loan balance is considered a deemed distribution. There were no deemed distributions for the year ended March 31, 2023.

Subsequent Events

The Plan has evaluated subsequent events for recognition or disclosure through the date these financial statements were available to be issued, January 12, 2024.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

SID HARVEY INDUSTRIES' 401(k) SAVINGS AND PROFIT SHARING PLAN

Notes to Financial Statements (Continued)

As of March 31, 2023 and 2022 and for the Year Ended March 31, 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Investments that use the practical expedient are not classified within the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. All of the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and categorized as Level 1.

Stable value common collective trust: Valued using the NAV provided by T. Rowe Price. The fund is designed to deliver safety and stability by preserving principal and accumulating earnings. The fund is primarily invested in guaranteed investment contracts and synthetic investment contracts. Participant directed redemptions have no restrictions; however, the Plan is required to provide a one year redemption notice to liquidate its entire share in the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements (Continued)

As of March 31, 2023 and 2022 and for the Year Ended March 31, 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets required to be measured at fair value on a recurring basis:

As of March 31, 2023:	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 35,191,991	\$ 35,191,991
Total assets in the fair value hierarchy	<u>\$ 35,191,991</u>	
Investments measured at NAV practical expedient (1)		<u>3,007,087</u>
Investments at fair value		<u>\$ 38,199,078</u>
As of March 31, 2022:	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 36,853,672	\$ 36,853,672
Total assets in the fair value hierarchy	<u>\$ 36,853,672</u>	
Investments measured at NAV practical expedient (1)		<u>3,189,637</u>
Investments at fair value		<u>\$ 40,043,309</u>

(1) In accordance with FASB Accounting Standards Codification ("ASC") Subtopic 820-10 "Fair Value Measurements," certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

The following table sets forth additional disclosures for the fair value measurements of investments in certain entities that calculate NAV per share (or its equivalent):

		2023		
		Unfunded	Redemption	Redemption
As of March 31, 2023:	<u>Fair Value</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Investment type:

Investment type:				
Stable value common collective trust	<u>\$ 3,189,637</u>	<u>\$ -</u>	Daily	Daily

NOTE 4 – EXEMPT PARTY-IN-INTEREST

At March 31, 2023 and 2022, certain Plan investments were managed by T. Rowe Price, the Custodian, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

Notes to Financial Statements (Continued)

As of March 31, 2023 and 2022 and for the Year Ended March 31, 2023

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The Company received an opinion letter from the Internal Revenue Service, dated November 30, 2020, as to the Plan's qualified status. The Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code, and accordingly no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor ("DOL"). The Plan's management does not believe that there are uncertain tax positions.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.
