INDEPENDENT AUDITORS' REPORT

To the Administrator and Participants of
Commonwealth Electrical Technologies, Inc. 401(k) Plan
Auburn, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Commonwealth Electrical Technologies, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2023 through March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Commonwealth Electrical Technologies, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2023 and December 31, 2022 and for the period from January 1, 2023 through March 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material

respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to, by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commonwealth Electrical Technologies, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, effective March, 31 2023, the Plan was merged into the Eaglestone 401(K) Plan. As a result, related net assets totaling \$5,462,717 were transferred out of the Plan.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Electrical Technologies, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining

sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commonwealth Electrical Technologies, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Electrical Technologies, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

COMMONWEALTH ELECTRICAL TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD JANUARY 1, 2023 THROUGH MARCH 31, 2023 AND DECEMBER 31, 2022

1. DESCRIPTION OF PLAN

The following description of Commonwealth Electrical Technologies, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. Plan Merger

Effective March 31st, 2023, the Plan’s assets were merged into the Eaglestone 401(k) Plan, the Plan’s participants, formerly eligible to participate in the Plan, became eligible to participate in the Eaglestone 401(k) Plan on April 1, 2023.

B. General

The Plan was a defined contribution plan covering all full-time employees of Commonwealth Electrical Technologies, Inc. (the “Company”), who are not an excluded employee as defined in the Plan agreement, have completed 3 months of service, and are 18 years of age. The Plan also included a discretionary profit-sharing contribution component. Employee eligibility requirements for this contribution were 1 year of completed service and 18 years of age. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator was responsible for oversight of the Plan, determined the appropriateness of the Plan’s investment offerings and monitored investment performance.

C. Contributions

Each year, participants could contribute 100 percent of pretax or after-tax annual compensation, excluding bonuses, as defined in the Plan. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover), subject to certain requirements. Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan, by law, cannot recognize annual compensation in excess of \$330,000 and \$305,000 for the 2023 and 2022 Plan years, respectively.

COMMONWEALTH ELECTRICAL TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD JANUARY 1, 2023 THROUGH MARCH 31, 2023 AND DECEMBER 31, 2022

1. DESCRIPTION OF PLAN (Continued)

C. Contributions (continued)

A discretionary profit-sharing contribution could be made as determined by the Company. The discretionary profit-sharing contribution would be allocated in the same ratio as each participant's compensation bears to the total compensation of all participants in each employee classification group. There was no profit-sharing contribution made during the period ended March 31, 2023 and for the year ended December 31, 2022. Contributions are subject to certain IRS limitations.

D. Participant Accounts

Each participant's account was credited with the participant's contributions, the Company's profit-sharing contribution, and allocations of Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Vesting

Participants were immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon was based on years of continuous service. If a participant incurred a severance from employment as a result of death or disability, they became 100 percent vested. A participant was 100 percent vested after six years of credited service. A participant had the non-forfeitable right to the accrued benefits of the Plan as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

However, upon the merger of the Plan, all participants became immediately 100% vested in the company contributions.

COMMONWEALTH ELECTRICAL TECHNOLOGIES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE PERIOD JANUARY 1, 2023 THROUGH MARCH 31, 2023 AND DECEMBER 31, 2022

1. DESCRIPTION OF PLAN (Continued)

F. Payment of Benefits

Upon termination of service due to death, disability, retirement or severance of employment, participants were entitled to receive their interest in the Plan, including their portion of vested benefits, in one lump-sum payment in cash. If the vested benefit in the Plan did not exceed \$5,000, then the benefit may be distributed without consent from the participant. The participants could receive in-service distributions from fully vested accounts once they had attained the age of 59 ½. The Plan implemented an optional provision of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which allows participants to take an in-service Coronavirus-Related Distribution prior to attaining age 59 ½ before December 31, 2020. These distributions were allowed to be recontributed to the Plan within three years.

G. Forfeited Accounts

There were no forfeited non-vested accounts as of March 31, 2023. At December 31, 2022, forfeited non-vested accounts totaled \$1. In 2023, plan administration fees were reduced by \$1,031 from forfeited non-vested accounts.

H. Amendments

Effective December 31, 2022, the Plan implemented a provision to freeze the plan. The employer did not make any contributions with respect to Plan compensation earned after such a date and no Participant was permitted to make any contributions to the Plan after such date. In addition, no Employee could become a Participant after the date the Plan was frozen.

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for Plan benefits at the dates of the financial statements and the changes in net assets available for Plan benefits during the reporting period and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results may differ from those estimates.

FOR THE PERIOD JANUARY 1, 2023 THROUGH MARCH 31, 2023 AND DECEMBER 31, 2022

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

At December 31, 2022, payables of \$28,973 were recorded for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service. The Plan did not distribute these funds prior to March 31, 2023, as a result these funds were distributed by the Eaglestone 401(K) Plan.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company are excluded from these financial statements. Fees related to distributions to participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation of fair value of investments.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

FOR THE PERIOD JANUARY 1, 2023 THROUGH MARCH 31, 2023 AND DECEMBER 31, 2022

3. FAIR VALUE MEASUREMENTS (Continued)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 and December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the SEC. These funds were required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

Due to the merger of the Plan into Eaglestone 401(k) Plan, the Plan held no assets as of March 31, 2023

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

3. FAIR VALUE MEASUREMENTS (Continued)

Assets at Fair Value as of December 31, 2022

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,271,110</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 5,271,110</u>

4. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by Capital Bank and Trust Company. Capital Bank and Trust Company was the trustee as defined by the Plan agreement and therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the recordkeeping and administration amounted to \$3,981 for the year ended March 31, 2023.

5. PLAN MERGER

Effective March 31, 2023, the Plan’s assets were merged into the Eaglestone 401(k) Plan. All the Plan’s participants were transferred to Eaglestone 401(k) Plan. The participant account balances and excess contributions payable in the amounts \$5,491,690 and \$28,973, respectively, were transferred into the new Plan.

6. TERMINATION

Prior to the merger of the Plan into Eaglestone 401(k) Plan, the Company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminated, each participant would have automatically become vested in his or her unvested Employer contributions.

7. TAX STATUS

The Internal Revenue Service (the “IRS”) had determined and informed the Company by a letter dated March 31, 2014, that the Plan was designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan had been amended since receiving that determination letter, the Plan administrator believed that the Plan was designed, and was currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believed that the Plan was qualified. Accordingly, no provision for income taxes has been recorded in the Plan’s financial statements.

7. TAX STATUS (Continued)

The Plan was subject to routine audits by taxing jurisdictions; however, there were currently no audits for any tax periods in progress. As of March 31, 2023, the Plan administrator believed it was no longer subject to income tax examinations for years prior to 2020.

8. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

At March 31, 2023 and December 31, 2022 the Plan's investments were held by the trustee. The following is a summary of the Plan's financial information that was included in the financial statements based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The fair value of investments at March 31, 2023 and December, 31 2022 and the associated 2023 and 2022 income on investments, as reported by the trustee, is summarized as follows:

Statements of Net Assets Available for Benefits

	<u>2023</u>	<u>2022</u>
