Independent Auditor's Report

The Administrator of
Zenith Freight Lines, LLC 401(k) Plan
Conover, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Zenith Freight Lines, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Benefits as of March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), and the related Statements of Changes in Net Assets Available for Benefits for the three-month period ended March 31, 2023 (in liquidation) and the year ended December 31, 2022 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Zenith Freight Lines, LLC 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), and for the three-month period ended March 31, 2023 (in liquidation) and the year ended December 31, 2022 (in liquidation), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Zenith Freight Lines, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 7 to the financial statements, the governing body of Zenith Freight Lines, LLC 401(k) Plan approved a plan of liquidation on January 31, 2022, and management determined liquidation is imminent. As a result, the financial statements and supplemental schedule are prepared on the liquidation basis of accounting. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- exercise professional judgement and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zenith Freight Lines, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presently fairly, in all material aspects, in accordance with the accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Three-Month Period) – in Liquidation is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ZENITH FREIGHT LINES, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2023 (IN LIQUIDATION) AND THE YEAR ENDED DECEMBER 31, 2022 (IN LIQUIDATION)

1. Description of the Plan

The following description of the Zenith Freight Lines, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Zenith Freight Lines, LLC (the “Company”) who have completed 90 days of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor, Zenith Freight Lines, LLC is responsible for oversight of the Plan. The Plan Sponsor determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan was terminated effective February 28, 2022. See Note 7 for additional information. The following is a description of the Plan prior to termination.

Contributions - Participants under age fifty may contribute up to \$20,500 and participants over age fifty may contribute up to \$27,000 of pretax annual compensation for 2022, as defined in the Plan. The Plan allows for either pre-tax deferrals (contributions not taxed when made) or Roth deferrals (contributions subject to tax when made). Participants may also contribute amounts representing distributions from other qualified defined benefit plans. The employer may make discretionary matching contributions to a uniform percentage or dollar amount. The employer may also make non-elective contributions to the Plan each year which are allocated based on the participant compensation to the total of all eligible compensation.

Participant Accounts - Each participant’s account is credited with the participant’s contribution, Plan earnings, and an allocation of (a) the additional Company’s contribution, if applicable, and (b) forfeitures of terminated participants’ accounts. Each participant’s account is charged with certain administrative expenses. Allocation of Plan earnings is based upon actual earnings of the investments non-vested. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in the Company’s contributions plus actual earnings thereon according to the following table:

<u>Vesting Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0
1	20
2	40
3	60
4	80
5 or more	100

ZENITH FREIGHT LINES, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2023 (IN LIQUIDATION) AND THE YEAR ENDED DECEMBER 31, 2022 (IN LIQUIDATION)

If a participant dies or becomes disabled while still employed by the Company, his or her entire Plan interest becomes 100% vested.

Notes Receivable from Participants - The Plan agreement specifies the trustee was authorized to make loans to any participant, subject to certain limitations stipulated in the agreement. Participant loans could not exceed fifty percent of the participant's vested balance in the Plan or \$50,000. Interest was charged on loans at the prime rate, defined by the Plan's loan policy, plus 1% (on the date of the loan). Interest rates ranged from 4.25% to 6.50% for loans outstanding at January 1, 2022 through the final loan payment on March 3, 2022 and had terms not to exceed five years from the effective date of the loan. Principal and interest was paid weekly through payroll deductions.

Payment of Benefits - In service distributions of benefits may be made upon reaching age 59 ½, incurrence of financial hardship or disability as defined in the Plan. On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account (lump-sum is the only option if balance is \$5,000 or less), or annual installments over a period of time not to exceed their life expectancy.

Plan Costs - The Plan paid administrative costs of the Plan for professional services of \$-0- and \$38,510 and provided administrative services to the Plan without reimbursement during the three-month period ended March 31, 2023 (in liquidation) and the year ended December 31, 2022 (in liquidation), respectively.

Application of Forfeitures - The Plan uses forfeitures to reduce employer contributions and pay administrative plan expenses. During 2023 (in liquidation) and 2022 (in liquidation), employer contributions were reduced by \$-0- and \$7,797, respectively, from forfeited non-vested accounts. During 2023 (in liquidation) and 2022 (in liquidation), Plan expenses were reduced \$283 and \$-0-, respectively, from forfeited non-vested accounts. At March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), the balance in forfeited non-vested accounts was \$-0- and \$832, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting - As discussed in Note 7 to the financial statements, the Plan Sponsor terminated the Plan effective February 28, 2022. As a result, the Plan changed its basis of accounting for the periods subsequent to December 31, 2021 from the going concern basis to the liquidation basis.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process and liabilities are measured using the accrual basis of accounting and would include any expected costs of the disposal of assets and other costs expected to be incurred during the liquidation process.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under terms of the Plan. The Plan invests in investment contracts

NOTES TO THE FINANCIAL STATEMENTS FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2023 (IN LIQUIDATION) AND THE YEAR ENDED DECEMBER 31, 2022 (IN LIQUIDATION)

through a guaranteed investment contract. As required, the Statements of Net Assets Available for Benefits presents the fair value of the investment contract at contract value. The Statements of Changes in Net Assets Available for Plan Benefits is prepared on a contract value basis.

Use of Estimates - The preparation of financial statements, in conformity with generally accepted accounting principles accepted in the United States of America, requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company's 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants were measured at their unpaid principal balance plus any accrued, but unpaid, interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses was recorded as of March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation). If a participant ceased to make loan repayments and the Plan Administrator deems a participant's loan to be in default, the participant's loan balance was reduced, and a benefit payment was recorded.

Excess Contributions Payable – Amounts payable to participants totaling \$-0- and \$3,192 for contributions in excess of amounts allowed by the IRS are recorded as excess contributions payable with a corresponding reduction to contributions for 2023 (in liquidation) and 2022 (in liquidation), respectively. The Plan distributed the 2022 excess contributions to the applicable participants prior to March 15, 2023.

Accrued Expenses Expected to be Incurred in Liquidation – In accordance with the liquidation basis of accounting, expenses to terminate the Plan are accrued and reflected as a liability on the Statements of Net Assets Available for Benefits of \$-0- and \$5,205 for 2023 (in liquidation) and 2022 (in liquidation), respectively. A corresponding adjustment to liquidation basis of accounting is reflected on the Statements of Changes in Net Assets Available for Benefits of \$-0- and \$5,205 during the three month period ended March 31, 2023 (in liquidation) and the year ended December 31, 2022 (in liquidation), respectively.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan may be paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events - Management has evaluated subsequent events through January 12, 2024, the date which the financial statements were available to be issued.

3. Information Certified by the Custodian

At March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), the Plan's investments were held by the trustee. The following is a summary of the Plan's financial information that is included in the Plan's financial statements and supplementary schedules based on information certified by the trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The fair value of investments at March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), as reported by the trustee, is summarized as follows:

	2023		2022
	<u>(In Liquidation)</u>		<u>(In Liquidation)</u>
Investments, at fair value:			
Mutual funds	\$	-	\$ 730,385
Guaranteed investment contract		-	175,331
Investment income (loss)		13,618	(624,449)

4. Fair Value Measurements

Financial Accounting Standards Board (FASB) Account Standard Codification (ASC) 820 provides the framework for measuring fair value: a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

ZENITH FREIGHT LINES, LLC 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2023 (IN LIQUIDATION) AND THE YEAR ENDED DECEMBER 31, 2022 (IN LIQUIDATION)

Level 3 – inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation).

Mutual Funds – valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the fair value of the Plan's investments as of March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), as certified by Great-West Life & Annuity Insurance Company.

Assets at Fair Value as of March 31, 2023 (in liquidation):

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

Assets at Fair Value as of December 31, 2022 (in liquidation):

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 730,385	\$ -	\$ -	\$ 730,385
Total investments at fair value	<u>\$ 730,385</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 730,385</u>

NOTES TO THE FINANCIAL STATEMENTS FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2023 (IN LIQUIDATION) AND THE YEAR ENDED DECEMBER 31, 2022 (IN LIQUIDATION)

5. Group Annuity Contract With Great-West Life & Annuity Insurance Company

In 2017, the Plan entered into a traditional fully benefit-responsive contract guaranteed investment contract with Great-West Life & Annuity Insurance Company (Great-West) totaling \$-0- for 2023 (in liquidation) and \$175,331 for 2022 (in liquidation). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

NOTES TO THE FINANCIAL STATEMENTS FOR THE THREE-MONTH PERIOD ENDED MARCH 31, 2023 (IN LIQUIDATION) AND THE YEAR ENDED DECEMBER 31, 2022 (IN LIQUIDATION)

6. **Related Party Transactions and Party-in Interest Transactions**

Personnel and facilities of Zenith Freight Lines, LLC have been used to perform administrative functions for the Plan at no charge. Zenith Freight Lines, LLC pays Martin Starnes and Associates, CPAs, P.A. for the audit of Zenith Freight Lines, LLC 401(k) Plan. All these related party and party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management and record keeping services amount to \$-0- and \$38,510 for the three-month period ended March 31, 2023, and the year ended December 31, 2022 (in liquidation), respectively.

7. **Plan Termination**

The governing body of Zenith Freight Lines, LLC 401(k) elected to terminate the Plan effective January 31, 2022 in accordance with the reporting requirements. As of the effective date of the termination, participants were 100% vested in lan benefits. Liquidation of assets through distributions to participants with active balances began during 2022 with full liquidation completed March 31, 2023.

8. **Federal Income Tax Status**

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

9. **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

January 12, 2024

To the 401(k) Plan Administrator and Management of
Zenith Freight Lines, LLC 401(k) Plan
Conover, North Carolina

We have audited the financial statements of Zenith Freight Lines, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) for the three-month period ended March 31, 2023, and we will issue our report thereon dated January 12, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Great-West Life and Annuity Insurance Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated December 15, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Zenith Freight Lines, LLC 401(k) Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the three-month period for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of fair market value is a sensitive disclosure in relation to the Plan. Please see the disclosure in Note 4.

The disclosure of Plan termination. Please see the disclosure in Note 7.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of the procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated January 12, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
