INDEPENDENT AUDITORS' REPORT

Board of Trustees
Massachusetts Bricklayers and Masons Annuity Fund
Dorchester, Massachusetts

Opinion

We have audited the accompanying financial statements of Massachusetts Bricklayers and Masons Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Massachusetts Bricklayers and Masons Annuity Fund as of March 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Massachusetts Bricklayers and Masons Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Massachusetts Bricklayers and Masons Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Massachusetts Bricklayers and Masons Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Massachusetts Bricklayers and Masons Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of administrative expenses for the years ended March 31, 2023 and 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental schedule of assets (held at end of year) and schedule of assets (acquired and disposed of within year) as of and for the year ended March 31, 2023 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Massachusetts Bricklayers and Masons Annuity Fund
Dorchester, Massachusetts

Opinion

We have audited the accompanying financial statements of Massachusetts Bricklayers and Masons Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Massachusetts Bricklayers and Masons Annuity Fund as of March 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Massachusetts Bricklayers and Masons Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Massachusetts Bricklayers and Masons Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Massachusetts Bricklayers and Masons Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Massachusetts Bricklayers and Masons Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of administrative expenses for the years ended March 31, 2023 and 2022 are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental schedule of assets (held at end of year) and schedule of assets (acquired and disposed of within year) as of and for the year ended March 31, 2023 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
March 31, 2023 and 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Massachusetts Bricklayers and Masons Annuity Fund (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering participants of Massachusetts Bricklayers and Masons. The Plan and related trust were established on May 1, 1973, pursuant to a collective bargaining agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Administration of the Plan is the responsibility of the Board of Trustees (The Trustees) and is governed by a joint board consisting of equal representation from the participating employers and the local unions.

Vesting

Participants are 100% vested after \$250 in contributions are made on their behalf, plus actual earnings thereon.

Participant Accounts

Each participant's account is credited with the participant's allocation of (a) contributions paid by the employers for their hours worked, (b) plan earnings, (c) voluntary contributions paid for with after tax dollars, and (d) rollover contributions and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Member Contributions

During any month of the plan year, an active participant may submit to the Plan after tax dollars to be contributed to their account. An active participant can make a voluntary contribution as long as employer contributions in the minimum amount of \$500 have been contributed on their behalf during the plan year in which they are making the voluntary contribution.

Rollover Contributions

A participant may transfer funds from another tax-sheltered account into their account within the Plan.

Notes Receivable From Participants

Participants may borrow 50% of the value of their account up to \$50,000. Loans are obtained through Rockland Trust Bank (formerly known as East Boston Savings Bank) and are secured by the Participant's fund balance, and a certificate of deposit held at the bank. Interest on loans averages between 1.00% and 3.00%. Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

The Plan provides for retirement benefits (normal annuity) when a participant retires from the industry, becomes totally and permanently disabled, or upon death before retirement. The participant's account balance is distributed by a monthly benefit for a maximum of 240 months from the effective date of the Normal Annuity. The annuity will continue until the annuity account is exhausted, death of the participant, or a return to covered employment. Participants may elect to receive their retirement benefits in a lump sum distribution upon retirement. Termination of participation is available after three consecutive calendar months with no employment with a signatory company. Active participants can qualify for hardship withdrawals subject to Trustees' approval.

Funding Policy

The Plan's funding policy is governed by the collective bargaining agreement between the Union and the Employers. The amount of contributions is determined using time worked in covered employment (hours) multiplied by the hourly rate appropriate to each job.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Accounting Changes

Effective April 1, 2022 the Plan adopted Accounting Standards Codification Topic 842, Leases, which requires lessees to recognize leases on the balance as a right-of-us asset and a lease liability. The Plan elected to apply the modified retrospective transition approach, which resulted in the recognition of a lease liability and a right-of-use asset for all leases that were in effect at the effective date (adoption date) and recognizes a cumulative effect adjust to the opening balance or retained earnings, if any, as of that date. The adoption date therefore represents the application date under this method. The comparative periods presented in the financial statements remain under the legacy lease guidance (ASC 840).

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determined the Plan's valuation policy utilizing information provided by its investment advisors, custodians, and insurance provider. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

For financial statement purposes, realized and unrealized gains and losses on securities are computed using the historical cost of securities measured against the current value of securities. This method differs from the Department of Labor Form 5500, which requires the revaluing of securities to be used in the computation of realized and unrealized gains and losses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Institutional Cash

For the purposes of these statements, institutional cash includes amounts held in interest bearing checking and money market accounts.

Contributions Receivable

Contributions receivable are determined from information submitted by the employers for hours worked through March 31. Amounts due from employers who have not submitted their reports on a timely basis are estimated. Delinquent amounts due from employers are subject to collection through legal action.

The Plan considers contributions receivable to be fully collectible; accordingly, no allowance for doubtful accounts has been established. If accounts become uncollectible, they will be charged to contributions when that determination is made. Collections on accounts previously written off are included in contributions income as received.

Property and Equipment

Property and equipment are stated at cost. Expenditures for additions and betterments are capitalized; expenditures for maintenance and repairs are charged to expenses as incurred. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is included in income. Depreciation is computed on the straight-line method for financial statements purposes.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Affiliated Funds

Administrative Expenses

The direct common expenses of the Plans' office are paid by the Welfare Fund and allocated to the direct affiliated funds based upon a percentage formulated upon the amount of work and time devoted to each plan by the Plans' office personnel. The allocations are as follows:

Annuity Fund	34.7%
Welfare Fund	36.2%
Pension Fund	29.1%
	<u>100.0%</u>

Subsequent Events

The Plan has evaluated subsequent events through January 12, 2024, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2

Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at March 31, 2023 and 2022.

Institutional Cash:

Institutional cash includes amounts held in interest bearing and money market accounts. Cash is valued at the daily balances reported by the fund.

Common Collective Trusts:

The Plan participates in common/collective trusts in which it owns units of participation in the fair value of the assets and liabilities underlying the trust. The fair value of the common/collective trusts shall be the market value of each asset invested in the Plan. Traded securities in the Plan will be valued at their last reported sale price on the valuation date. U.S. Government Bonds in the Plan will be valued using the last bid price on the valuation date. Real Estate and mortgage investments held in the Plan shall be valued based on current appraisals of such properties by an independent appraiser and/or recent transactions involving similarly located properties. These funds are maintained for the collective investment and reinvestment of retirement plan assets. The assets invested in the funds are from retirement trusts that qualify for exemption from federal income taxation pursuant to Section 501(a) of the Internal Revenue Code of 1986, as amended.

Each trust is divided into units of equal value. The CCTs are valued at the Net Asset Value of units. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV per unit is determined by the aggregate value of the investments of the Trust, adding to it any uninvested cash balance and deducting all payables, accrued expenses, fees, and other liabilities chargeable to the Trust.

State Street Global Advisors S&P 500 Flagship Fund invests primarily in companies that are listed on the Standards and Poor's 500 Index. The trust's underlying investments are valued at quoted market prices, without adjustment by the Plan, and are considered readily marketable.

MSCI ACWI Ex US Non-Lending Fund invests in other collective investment funds managed by the Trustee, which have characteristics consistent with the Fund's overall investment objective of approximating the performance of the MSCI ACWI ex US Index over the long term. Fund investments are valued at fair value using a market approach. Short-term investments, if any, are stated at amortized costs and investments in registered investment companies or collective investment funds, if any, are valued at their respective net asset value, without adjustment by the Plan.

Russell Small Cap Completeness Fund invests primarily in small cap equities that are listed on the Russell Small Cap Completeness Index. The trust's underlying investments are valued at quoted market prices, without adjustment by the Plan, and are considered readily marketable.

SSgA Intermediate US Government/Credit Bond Index Fund seeks an investment return that approximates as closely as practicable, before expenses, the performance of the Barclay's Capital U.S. Intermediate Government/Credit Bond Index over the long term. The fund's underlying investments are generally valued using a market approach. Short-term investments, if any, are stated at amortized cost and investments in registered investment companies or collective investment funds, if any, are valued at their respective net asset value, without adjustment by the Plan.

Pimco All Asset Fund invests substantially all of its assets in institutional class shares of the Pimco All Asset Mutual Fund, with the objective being to outperform the Barclays Capital U.S. 1-10 year index and achieve a return equal to the annual change in Consumer Price Index plus 5% annualized, as measured over a full business cycle. The trustee of the trust establishes a value per each unit of the investment at the close of business each day, and this established value per share is not adjusted by the plan.

Prudential Core Plus Bond Fund seeks total return by investing in a diversified portfolio of fixed income securities, including U.S. government securities, mortgage-related securities, and corporate debt. The net asset value of the fund is determined by the Trustee and is based on the underlying securities, and this established net asset value is not adjusted by the Plan.

Joint Venture/Partnerships:

The Plan has invested in joint venture/partnership funds. These funds are maintained for the collective investment and reinvestment of retirement plan assets. The Plan entered into membership/partnership agreements with certain limited liability partnerships during the year ended March 31, 2023. These agreements call for capital commitments from the Plan and also impose certain restrictions as to capital withdrawals or distributions.

Prisa L.P. is a limited partnership organized for the purpose of investing directly and in partnership interests in real estate investments and mortgages and other loans. The investment is valued based on the net asset value (NAV) per share, without adjustment. The NAV, as provided by the fund, is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments. Because of the inherent uncertainty of valuation, these estimated values may differ from the values that would have been used had a ready market for the investments existed.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for the benefits. For the years ended March 31, 2023 and 2022 there were no significant transfers in or out of levels 1, 2, or 3.

During the year ended March 31, 2023, the Plan's investments (including investments bought, sold and held during the year) depreciated in value by \$14,841,197. This is comprised of unrealized appreciation of \$13,858,546 and realized loss of \$28,699,743. During the year ended March 31, 2022, the Plan's investments (including investments bought, sold and held during the year) appreciated in value by \$10,244,577. This is comprised of unrealized appreciation of \$792,684 and realized gain of \$9,451,893.

NOTE 4 – RENT EXPENSE – OFFICE LEASE

The Plan rents office space from the Bricklayers Nominee Realty Trust at 645 Morrissey Boulevard, Boston, MA. Rent expense for the years ended March 31, 2023 and 2022 was \$63,720 and \$61,863, respectively. The term of the lease is five years, commencing on July 1, 2021 and ending on June 30, 2026. Lease payments estimated due on the lease agreement for each of the subsequent years to March 31, 2023 are as follows:

April 1, 2023 through March 31, 2024	\$	65,628
April 1, 2024 through March 31, 2025		67,593
April 1, 2025 through March 31, 2026		69,618
April 1, 2026 through June 30, 2026		17,532

NOTE 6 - PLAN TERMINATION

Although the Fund has not expressed any intention to do so, the Fund has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA, related regulations and the trust agreement.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Board of Trustees by letter, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC), and, therefore, is exempt from federal income taxes. The Plan has been amended since receiving the determination letter; however, in the opinion of the plan administrator, the Plan has continued to operate within the terms of the Plan and remains qualified under the applicable provisions of the code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of March 31, 2023 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – COMPENSATED ABSENCES

Employees of the Plan are entitled to paid vacation and paid sick days, depending on job classification and length of service. Employees may receive a payout for unused vacation time in the event that it has not been used in a given calendar year, with a maximum payout for half of the total earned time. The amount of accrued vacation time is immaterial to the financial statements. The Plan's policy is to recognize the costs of compensated absences when actually paid to employees.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

In the normal course of operations, the Plan may be subject to certain claims and litigations. In the opinion of management, the outcome of any such matters will not have a material effect on the financial position of the Plan.

NOTE 9 – RISKS AND UNCERTAINTIES (Continued)

For the years ended March 31, 2023 and 2022, the Plan had two participating employers that each accounted for 5% or higher of total contributions. The Plan expects to maintain its relationship with each participating employer, however, in the event an employer was to suspend contributions, the Plan would retain the risk of meeting its current obligations until the appropriate adjustments were made.

NOTE 10 – CONCENTRATION OF RISK

The Plan maintains checking and money accounts in financial institutions, which can exceed federally insured limits. The balances in the financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to applicable limits. The Plan has not experienced any losses in such accounts.
