INDEPENDENT AUDITORS' REPORT

To the Board of Directors and Management of
Hitachi Astemo Rock Spring, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hitachi Astemo Rock Spring, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2023 and 2022 and for the year ended March 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAS, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAP will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of March 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HITACHI ASTEMO ROCK SPRING, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following description of the Hitachi Astemo Rock Spring, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which was adopted to provide retirement benefits for employees of Hitachi Astemo Rock Spring, Inc. (the Plan Sponsor or the Company). The Plan covers substantially all employees, except nonresident aliens, reclassified employees, as defined, and residents of Puerto Rico, who have completed two months of service (participants). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

The Plan is administered by the Company. Pursuant to certain Reinsurance and Administration Agreements entered into between Massachusetts Mutual Life Insurance Company (MassMutual) and Talcott Resolution Life Insurance Company (TRLIC) (formerly named Hartford Life Insurance Company), TRLIC had appointed MassMutual as TRLIC's administrative agent and attorney-in-fact to perform all necessary administrative services for the group variable annuity contracts and funding agreements (Contracts) issued by TRLIC as part of TRLIC's former Retirement Plans Group (RPG) business, and for the related TRLIC separate accounts available through the Contracts. As such, MassMutual served as the custodian for the Plan and the Massachusetts Mutual Life Insurance Company Retirement Services Business was the record keeper for the Plan. On December 31, 2020, Empower Retirement acquired the retirement business of MassMutual. As the Plan held a contract which was issued by TRLIC and administered by MassMutual, this product is be provided by Great-West Life & Annuity Insurance Company, an affiliate with Empower Retirement. As such, effective January 1, 2021, Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (Great-West) assumed custodial responsibilities of the group variable annuity contracts and fixed account held by the Plan. Empower Retirement is the recordkeeper for the Plan. Effective in April 2022, the assets were transferred to the Empower Annuity Insurance Company of America (EAIC) platform and EAIC became the custodian of the Plan assets.

Contributions

Each year, eligible participants may contribute pretax deferrals up to 100% of their eligible compensation, as defined in the Plan not to exceed the amount allowed for income tax purposes. Participants may also rollover contributions from other qualified defined benefit or defined contribution plans. Catch-up contributions are permitted under the Plan and are subject to employer match.

The Plan provides that the Plan Sponsor will make discretionary matching contributions. For the 2023 plan year, the Company elected match was an amount equal to 50% of each participant's contributions up to 6% of each participant's compensation.

Contributions are subject to certain Internal Revenue Code (IRC) limitations.

HITACHI ASTEMO ROCK SPRING, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

1. DESCRIPTION OF PLAN – CONTINUED

Participant Accounts

Each participant's account is credited or charged with the participant's contribution and allocations of Plan Sponsor contributions, investment earnings and losses. Allocations are based on participant compensation or account balances as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their elective salary deferral plus actual earnings (losses) thereon. Effective August 1, 2019, all Plan Sponsor matching contributions are immediately vested. Participants with a termination date prior to August 1, 2019, are subject to a vesting schedule which provides 20% vesting for each year of service, as defined.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at fixed rates which are commensurate with local prevailing rates. Loans are repayable over a period of up to five years, unless the proceeds are used to purchase a principal residence, in which case a period in excess of five years is available. Principal and interest are collected ratably through payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, retirement (age 62) or separation from service, a participant or their beneficiary may receive their vested balance in either a single lump-sum distribution, a direct rollover into a qualified retirement plan or individual retirement account, monthly installments or defer receiving payments until age 72. Terminated participants with a vested balance of \$1,000 or less that have not elected payment will be cashed out. In-service distributions are available upon reaching age 59 ½, for financial hardships as defined by the Plan, and from rollovers or after-tax accounts.

Forfeitures

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. At March 31, 2023 and 2022, forfeited nonvested accounts totaled \$12,103 and \$12,961, respectively. Such forfeitures reduce the Plan Sponsor's contributions or expenses to the Plan. In 2023, Plan Sponsor contributions were not reduced from forfeited nonvested accounts.

Administrative Expenses

The Company pays substantially all administrative costs of the Plan, except for recordkeeping fees, investment advisory fees and various fees associated with these activities, which are paid by the participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Basis of Accounting

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the fixed annuity account, which is stated at contract value. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the custodians of the funds. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred.

No allowance for credit losses has been recorded as of March 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

3. FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at March 31, 2023 or 2022.

Pooled Separate Accounts (PSA): The Plan entered into a group annuity contract with Talcott Resolution Life Insurance Company (TRLIC), formerly named Hartford Life Insurance Company, in which the Plan investments in the Hartford separate sub rider agreement with TRLIC in which certain investments are offered. These investments are PSAs that are valued based upon net asset value (NAV) as provided by the custodian of the funds. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

**HITACHI ASTEMO ROCK SPRING, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

3. FAIR VALUE MEASUREMENT – CONTINUED

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of March 31, 2023 or 2022.

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

4. INFORMATION CERTIFIED BY PLAN CUSTODIANS

Certain information related to investments disclosed in the accompanying financial statements and the ERISA-required supplemental schedule, including investments held as of March 31, 2023 and 2022, and net depreciation in fair value of investments and interest income for the year ended March 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodians of the Plan.

**5. GROUP ANNUITY INVESTMENT CONTRACT WITH GREAT-WEST
(FORMERLY TRLIC)**

The Plan is funded with a group annuity contract originally issued by TRLIC; however, as described in Note 1, this product has been assigned to Great-West. The contract offers a fixed investment option through Great-West. As described in Note 2, the contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts since this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value for the fixed option represents amounts contributed or transferred to the fixed option less any withdrawals or transfers out, plus all accrued interest. The fixed option earns interest at the higher of the rate guaranteed under the contract or the current rates established and declared in advance by Great-West. Interest rates for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year next following the current year. The fixed option is backed by Great-West's general account. There are no reserves against the contract value for credit risk of the contract issuer as of March 31, 2023 and 2022.

**HITACHI ASTEMO ROCK SPRING, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022**

**5. GROUP ANNUITY INVESTMENT CONTRACT WITH GREAT-WEST
(FORMERLY TRLIC) – CONTINUED**

The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory requirements.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); changes to Plan's prohibition on competing investment options or deletion of equity wash provisions; bankruptcy of the Plan Sponsor or other Plan Sponsor events (e.g., divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

6. INCOME TAX STATUS

The Plan adopted a prototype plan document sponsored by Great-West. The prototype plan document received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The prototype plan document has been amended since receiving the opinion letter. However, Great-West and the Company believe that the prototype plan document is currently designed and operated in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. However, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that most likely would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the custodians of the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each account. Fees paid to Empower Retirement for participant requested transactions are included as administrative expenses on the statement of changes in net assets available for benefits.

HITACHI ASTEMO ROCK SPRING, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
MARCH 31, 2023 AND 2022

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Company contributions.

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of March 31, 2023 and 2022:

Net Assets Available for Benefits per Financial Statements	\$ 1,579,309
Plan sponsor contributions receivable	(2,205)
Participants contributions receivable	(4,878)
Deemed distributions of participant loans	(147)
	<hr/>
Net Assets Available for Benefit per Form 5500	<u><u>\$ 1,572,079</u></u>

The following is a reconciliation of the net decrease in net assets available for benefits per the financial statements to the net loss per the Form 5500 for the year ended March 31, 2023:

Net decrease in net assets available for benefits	\$ (92,684)
Plan sponsor contributions receivable	(2,205)
Participants contributions receivable	(4,878)
Deemed distributions of participant loans	(147)
	<hr/>
Net Loss per Form 5500	<u><u>\$ (99,914)</u></u>

10. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through January 15, 2024, which is the date the financial statements were available to be issued and have determined that there are no subsequent events that require disclosure under FASB ASC 855, *Subsequent Events*.
