REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
The Catherine Cook School 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Catherine Cook School 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of August 31, 2023 and 2022 and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of an ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year), as of August 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedule Required by ERISA (continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE CATHERINE COOK SCHOOL 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2023 AND 2022

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of The Catherine Cook School 403(b) Plan (the Plan) have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex dividend date.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of either August 31, 2023 or 2022. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits - Benefits paid to participants are recorded upon distribution. Amounts allocated to participants who elected a withdrawal from the Plan, but were not yet paid as of August 31, 2023 and 2022 amounted to \$0, and \$337,942 respectively.

Plan Administration - The Plan is maintained under an agreement with MG Trust Company d.b.a. Matrix Trust Company to provide custodial services. The recordkeeper for the Plan is CUNA Mutual Retirement Solutions.

Expenses - Expenses of the Plan paid by the Plan sponsor are excluded from these financial statements. Transactional fees related to the administration of participants' accounts are charged directly to the participants and are included in administrative expenses. Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The accompanying preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events - Subsequent events have been evaluated through December 29, 2023, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

On September 1, 2008, The Catherine Cook School (the School) established the Plan under Section 403(b) of the Internal Revenue Code to provide savings and retirement benefits for eligible employees. The Plan is primarily funded by employer discretionary matching and profit sharing contributions, voluntary employee contributions and by the net earnings of Plan investments. The Plan is a defined contribution retirement plan covering all employees of the School who have completed the eligibility service requirement as detailed in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

All participants' deferral contributions are made out of pre-tax or post-tax earnings through salary reductions, subject to Internal Revenue Service (IRS) limitations. Participants may also roll over amounts representing distributions from other qualified retirement plans.

Employer contributions to the Plan are discretionary. For the years ended August 31, 2023 and 2022, the employer basic contribution was equal to three percent of the participant's eligible compensation, regardless of the level of participant deferral contributions. In addition, employer contributions included a matching contribution equal to 100% of the participant's deferral, up to three percent of the participant's annual compensation for the years ended August 31, 2023 and 2022.

Participants may direct contributions in various investment options supported by CUNA Mutual Retirement Services. In the absence of direction, contributions are invested in a designated investment fund until changed by the participant. Participants must evaluate their own investment goals and objectives and choose investments best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their vested balances to be lower than the amounts contributed to the Plan on their behalf.

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately fully vested in all employer contributions.

Each participant's account is credited or charged with the participant's elective deferral, the employer's contribution, investment earnings (losses) and administrative expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Upon reaching normal retirement or other separation of employment, a participant may elect to receive a distribution as a lump-sum, installment or as an ad-hoc payment. Account balances of \$5,000 or less may be distributed automatically without consent of the participant. Withdrawals are also allowed under the financial hardship provisions of the Plan.

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest as determined at the prime rate when the loan is established. The interest rates ranged from 3.25% to 8.50% at August 31, 2023 and 2022. Loans are repaid ratably through payroll deductions.

The Plan's net assets available for benefits at August 31, 2023 and 2022 include unallocated amounts of approximately \$25 and \$338,000 respectively, which represent contributions not yet allocated to participant accounts and pending distributions.

Participants should refer to the summary plan description for more complete information.

NOTE 3. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan conform with the sample language provided by the Internal Revenue Service (IRS) in *Revenue Procedure 2007-71*. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4. PRIORITIES UPON TERMINATION

Although it has not expressed an intention to do so, the School has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. Such termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries. Provision may be made for the payment of necessary expenses resulting from the termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on sufficiency of the Plan's net assets at that time and the priority of those benefits. In the event of Plan termination, participants would remain fully vested in their account balance.

NOTE 5. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The Plan's investments in registered investment companies and the money market fund are classified within Level 1 of the fair value measurements hierarchy. The fair values of the registered investment companies are determined by reference to the underlying assets, which are principally marketable equity and fixed income securities. Shares held in registered investment companies are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented. The money market fund represent shares held in a registered investment company (mutual fund).

NOTE 6. INFORMATION CERTIFIED BY PLAN CUSTODIAN

The Plan Administrator has obtained certifications from Matrix Trust Company as of and for the years ended August 31, 2023 and 2022, that the following information regarding the Plan's investments are complete and accurate:

	<u>2023</u>	<u>2022</u>
Investments - at fair value:		
Registered investment companies	\$ 11,348,181	\$ 9,750,628
Money market fund	\$ -	\$ 11
Investment income:		
Net appreciation (depreciation) in fair value of investments	\$ 786,960	\$ (2,010,400)
Interest and dividends	\$ 233,942	\$ 324,798

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

CUNA Mutual Retirement Solutions (CUNA Mutual) and its affiliates are responsible for participant recordkeeping and distributions to Plan participants at the direction of Plan management. CUNA Mutual provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA). CUNA Mutual receives revenue from mutual fund service providers for services CUNA Mutual provides to the funds. This revenue is used to offset certain amounts owed to CUNA Mutual for its administrative services to the Plan. If the revenue received by CUNA Mutual from such mutual fund service providers exceeds the amount owed under the MSA, CUNA Mutual allocates the excess to the Plan participants. No revenue sharing income was received by the Plan during the years ended August 31, 2023 or 2022.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. CONCENTRATION OF PLAN INVESTMENTS

At August 31, 2023 and 2022, the Plan held a significant portion of its assets in one blended mutual fund. At August 31, 2023 and 2022, this investment represented approximately 20% of the Plan's net assets available for benefits.

It is reasonably possible that changes in the fair value of this fund could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits. The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Investment decisions are made, and the resulting risks are borne, exclusively by the Plan participant who made such decisions.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2023</u>	<u>2022</u>

The following is a reconciliation of benefits paid to or for participants per the financial statements to the Form 5500 for the year ended August 31, 2023:
