Independent Auditor's Report

To the Administrative Committee of the
Budney Overhaul & Repair, Ltd. Employee Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Budney Overhaul & Repair, Ltd. Employee Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Budney Overhaul & Repair, Ltd. Employee Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Budney Overhaul & Repair, Ltd. Employee Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Budney Overhaul & Repair, Ltd. Employee Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Budney Overhaul & Repair, Ltd. Employee Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Budney Overhaul & Repair, Ltd. Employee Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes as of and for the year ended December 31, 2022 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BUDNEY OVERHAUL & REPAIR, LTD. EMPLOYEE RETIREMENT PLAN

Notes to Financial Statements

December 31, 2022 and 2021

(1) Description of Plan

The following description of the Budney Overhaul & Repair, Ltd. Employee Retirement Plan (Plan) only provides general information. Participants should refer to the Plan agreement for a complete description of the provisions. Contributions to provide benefits under the Plan are made by Budney Overhaul & Repair, Ltd. ("Plan Sponsor" and "Company") and Plan participants. As of January 1, 2021 the name of the plan was changed from Budney Overhaul & Repair, Ltd. Employees Savings Trust to Budney Overhaul & Repair, Ltd. Employee Retirement Plan.

General

The Plan is a defined contribution plan which covers all employees who have 12 months of service and are age 21. The Plan was established on January 1, 1997 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 50% but not less than 1% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute or rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary contribution each year. Contributions are subject to certain Internal Revenue Service (IRS) limitations. Generally, eligibility for employer contributions requires that employees must complete one year of service (defined as a continuous 12-month period during which the employee worked 1,000 hours).

During the year ended December 31, 2022, the Company made matching contributions of 50% of participant's contributions up to a maximum of 5% of their compensation. There were no discretionary contributions made by the Company.

Participants' Accounts

Each participant's account is credited with the participant's contribution and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus amounts earned thereon. Vesting in the Company's contributions is 0% at less than two years; 20% at two years; 40% at three years; 60% at four years; 80% at five years; and 100% at six or more years of service.

Notes to Financial Statements

(1) Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow from their individual vested accounts under the Plan. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Trustee. There were outstanding loans of approximately \$40,300 as of December 31, 2022.

Investment Options

Upon enrollment in the Plan, a participant may direct employer and employee contributions to various money market and mutual funds offered by the Plan. These funds include a variety of investment options with various objectives and degrees of financial risk.

Payment of Benefits

If employment is terminated, participants with a vested account balance greater than \$5,000 have the following choices: (a) withdraw all or part of vested accounts in a single sum provided participant has met the requirements for withdrawals; or (b) leave all or part of the vested accounts with the Plan and defer receipt of benefits.

If the vested account balance is \$1,000 or less, participants will receive a single-sum lump payment at termination of employment.

A participant may make withdrawals from salary reduction contributions or vested employer contributions at age 59 1/2 or later. The participant must specify on all withdrawals the interest and investment alternatives from which the withdrawal is to be made.

Salary reduction contributions and vested employer contribution withdrawals may be made due to a financial hardship. A hardship is generally defined as an immediate and heavy financial need.

If a participant dies before beginning to receive annuity payments, the beneficiary is entitled to the total value of the account.

Forfeited Accounts

There were forfeitures of approximately \$2,300 and \$1,200 during 2022 and 2021, respectively. Any future forfeitures will be used to reduce future employer contributions.

Administrative Costs

The Plan records certain costs for recordkeeping and administration. The Plan Sponsor also directly pays certain administrative expenses.

Notes to Financial Statements

(2) Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

- The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting.
- Investments are stated at fair value, based on quoted market prices.
- Investment income is recorded as earned and certain participant investment fees are netted against investment income
- Investment transactions are accounted for on the trade date.
- Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options in money market, mutual funds and fixed income securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Subsequent Events

Subsequent events have been evaluated through May 31, 2023 which is the date the financial statements were available to be issued.

Notes to Financial Statements

(3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures* are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Money market funds: Valued using net asset value (NAV) reported by the fund. Money market funds invest in short-term securities that present minimal credit risk to provide liquidity and preserve capital.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements

(3) Fair Value Measurements (continued)

Fixed income securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value:

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Fixed account funds	\$ 1,261,618	-	-	1,261,618
Mutual funds	<u>4,477,256</u>	<u>-</u>	<u>-</u>	<u>4,477,256</u>
	<u>\$ 5,738,874</u>	<u>-</u>	<u>-</u>	<u>5,738,874</u>

<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market funds	\$ 1,065,351	-	-	1,065,351
Mutual funds	<u>5,311,822</u>	<u>-</u>	<u>-</u>	<u>5,311,822</u>
	<u>\$ 6,377,173</u>	<u>-</u>	<u>-</u>	<u>6,377,173</u>

(4) Party-In-Interest and Related Party Transactions

Certain Plan investments are shares of mutual funds managed by various fund companies. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

The Plan sponsor pays directly any other fees related to the plan's operations.

(5) Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(6) Information Certified by the Trustee

The following is a summary as of December 31, 2022 and 2021 of the unaudited information included in the Plan's financial statements and supplemental schedules that was prepared by the Trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information, including the information contained in the supplemental schedules, is complete and accurate.

	<u>2022</u>	<u>2021</u>
Fixed account and money market funds	\$ <u>1,261,618</u>	<u>1,065,351</u>
Mutual funds	\$ <u>4,477,256</u>	<u>5,311,822</u>

	<u>2022</u>	<u>2021</u>
Net appreciation (depreciation) of investments	\$ <u>(1,080,283)</u>	<u>246,548</u>
Interest and dividend income	\$ <u>232,924</u>	<u>310,973</u>

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

(7) Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for plan benefits per financial statements	\$ <u>5,779,152</u>	<u>6,419,718</u>
Net assets available for plan benefits per Schedule H of Form 5500	\$ <u>5,779,152</u>	<u>6,419,718</u>

(Continued)

Notes to Financial Statements

(8) Income Tax Status

The IRS has determined and informed the Company by a favorable opinion letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (Code). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.
