ARISGLOBAL, LLC 401(K) PROFIT SHARING PLAN
2022 AUDIT RESULTS AND REQUIRED COMMUNICATIONS
REPORT TO THOSE CHARGED WITH GOVERNANCE

AU-C Section 260 requires the auditor to communicate certain matters to keep those charged with governance adequately informed about matters related to the basic financial statements audit that are, in our professional judgment, significant and relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. The following summarizes these communications.

Matter To Be Communicated	Auditor's Response
Auditor's Responsibility Under Professional Standards	As stated in our engagement letter dated October 4, 2023, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities. Our responsibility for the supplementary information accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.
Qualitative Aspects of Accounting Practices	We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the Plan for the year ended December 31, 2022 and have issued our report thereon dated January 12, 2024. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit.

2022 AUDIT RESULTS AND REQUIRED COMMUNICATIONS
REPORT TO THOSE CHARGED WITH GOVERNANCE

Matter To Be Communicated	Auditor's Response
Qualitative Aspects of Accounting Practices (cont'd)	We have communicated such information in our letter to you dated October 4, 2023. Professional standards also require that we communicate to you the information within this report related to our audit.
Accounting Practices	Significant or Unusual Transactions We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus. Alternative Treatments Discussed with Management We did not discuss with management any alternative treatments within generally accepted accounting principles for accounting policies and practices related to material items during the current audit period.
Management's Judgments and Accounting Estimates	Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We did not note any sensitive estimate(s) affecting the financial statements.
Form 5500 Procedures	We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit
Financial Statement Disclosures	We did not identify any items relating to the neutrality, consistency, and clarity of the disclosures in the financial statements, which we deemed are required to be discussed with the Plan's management.
Audit Adjustments	We did not identify any audit adjustments.
Disagreements with Management	For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

2022 AUDIT RESULTS AND REQUIRED COMMUNICATIONS
REPORT TO THOSE CHARGED WITH GOVERNANCE**

Matter To Be Communicated	Auditor's Response
Consultations with Other Accountants	In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.
Significant Issues Discussed with Management	• Qualified Opinion due to inadequacy of accounting records for the prior years, we were unable to perform sufficient auditing procedures with respect to the participants' individual account balances. As such were unable to form an opinion regarding the balances at December 31, 2020. An audit of the Plan's opening balances will be required to enable the Plan Administrator to receive an unmodified audit opinion. • Internal Control Recommendations
Difficulties Encountered in Performing the Audit	We did not encounter any difficulties in dealing with management during the audit. We had the cooperation of management and free access to all appropriate information necessary to conduct our audit.
Certain Written Communications Between Management and Our Firm	• Engagement letter • Management representation letter • Report on Internal Control and Compliance
Other Matters	Supplemental schedules Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

REPORT TO THOSE CHARGED WITH GOVERNANCE**

Matter To Be Communicated	Auditor's Response
Other Matters(cont'd)	Independence There were no relationships that we believe impair our independence, and we confirm that we are independent of the Plan.
Material Uncertainties Related to Events and Conditions that May Cast Doubt on the Ability to Continue as a Going Concern	We are not aware of any material uncertainties that cast doubt on the Plan's ability to continue as a going concern.
Fraud or Violations of Laws or Regulations	We are not aware of any fraud or violations of laws or regulations.
Internal Control Recommendations and Reportable Findings	For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified reportable findings during the period under review. Other compliance and internal control recommendations identified during the audit process were communicated to and discussed with management. Refer to the Report on Internal Control and Compliance attached for detail.

The Plan’s management do not retain plan participant’s enrollment and change forms as they rely on the Recordkeeper, ADP, to maintain these records online. However, ADP could not provide the required information.

Potential Effect of Condition

Failure to maintain complete personnel records may result in incorrect participant deferral/contribution amounts being recorded and deducted. In addition, the Plan may inadvertently become exposed to future liability if they are not able to provide supporting documentation to evidence participants authorizing deferral rates and investment allocation selections.

Recommendation

Management should implement a system and process to ensure that documentation evidencing participant’s enrollment and change elections is retained appropriately. In addition, management could consider including a process that would require confirmation of election be posted first in the system before the rates and investment allocation be changed/applied.

Client Response

We appreciate the suggestions and will aim to implement a system and process to ensure that documentation is kept regarding participants and their enrollment and change elections. Will have to check with the vendor as this is done through their systems.

Section II – Prior Year- Financial Statement Findings

Significant Deficiency

2021-01 Evaluation of Complementary User Entity Controls (“CUECs”) as part of the review of the System and Organization Controls (SOC) report

Criteria

The control objectives stated in the description of SOC reports of the Plan and ArisGlobal, LLC (“Plan Sponsor”) service organizations can only be achieved if CUECs are designed, enforced, and operating effectively. CUECs are integral to the design and operating effectiveness of the control environment, and the appropriate implementation of CUECs by the Plan and Plan Sponsor helps in the achievement of control objectives for service organizations.

Condition

The Plan Sponsor does not have a process to review the SOC reports prepared by the Plan’s service organizations.

Cause of Condition

The Plan Sponsor does not have procedures in place to identify, track and implement applicable CUECs for the Plan.

Potential Effect of Condition

If internal control is not effective at the Plan and/or the Plan Sponsor, the service organizations’ controls may not compensate for such weaknesses. Further, If CUECs do not operate effectively at a user entity like the Plan Sponsor, control failures could still occur related to the use of a particular service organization, resulting in an overall weak control environment for the Plan.

Recommendation

Management should implement a system and process to review SOC reports from all relevant service organizations for any CUECs annually. As part of this process, they must ensure that any applicable CUECs are identified, tracked, and implemented consistently and timely, and that the system controls designed are operating effectively.

Client Response

This is our first year going through such an extensive exercise to test areas of improvement for our 401(k) plan. For next year we intend to implement a process to review SOC reports from any relevant service organization. In addition, we will consider any other measures to mitigate risk and ensure proper checks and balances for our plan.

Significant Deficiency

2021-02 Submission of the Form 5500 to the Internal Revenue Services Timely

Criteria

In accordance with the Internal Revenue Service, the filing of form 5500 is due the last day of the seventh month after the plan year ends. As such the form 5500 should be submitted by July 31st. A one-time extension can be obtained for an additional two and one-half months with a deadline of October 15th.

Condition

The Plan Sponsor submitted 2020 Tax Form 5500 on September 7, 2022 which is fourteen (14) months after required deadline. As a result, the Plan Sponsor did not meet the required submission deadline of July 31st nor the extension deadline of October 15th.

Cause of Condition

During the period under review, the organization was in the process of turnover in management in the Human Resources Department and also transferred into the new plan which contributed to the delay in submission of the form.

Potential Effect of Condition

Failure to submit the Form 5500 form in a timely manner can result in penalties from both the IRS and DOL and delinquent filer status.

Recommendation

We recommend that ArisGlobal, LLC submits the Form 5500 form in a timely manner per the deadlines stated in the Internal Revenue Services Codification.

Client Response

We moved over to a new 401(k) provider in early 2020 and we were not aware of the requirements regarding form 5500. Moving forward we will ensure a timely completion of this form.

Current Year Status – FY 2022

Per our observation, the condition still exists.

Client Response – FY 2022

2023 has been a tough year with a lot of changes at ArisGlobal, LLC and the deadline was missed. We will ensure to do the audit for 2023 early on to submit on time.
