Independent Auditor's Report

Plan Trustees
Thriftbooks 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Thriftbooks 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 9 to the financial statements, the 2021 financial statements have been restated to correct a misstatement. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Thriftbooks 401(k) Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of Thriftbooks 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan that became effective April 1, 2019. The Plan covers all employees of Thrift Books Global, LLC (the Company) who have one year of service, with at least 1,000 hours, except employees that are nonresident aliens and leased employees. Employees who have satisfied the eligibility requirements may enter the Plan on the following enrollment dates: January 1, April 1, July 1, or October 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

During 2020, the Plan implemented certain Coronavirus Aid, Relief, and Economic Security Act (CARES Act) provisions to allow for special coronavirus-related distributions and waiver of 2020 required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted in accordance with applicable law and Internal Revenue Service (IRS) guidance. The Plan is required to be amended for the implementation of these provisions by December 31, 2022.

Contributions: The Plan automatically enrolls newly eligible participants with deferral contributions starting at 3% of the participant's eligible compensation, unless the participant has formally opted out. Automatic deferrals increase on the first day of the Plan year at a rate of 1% up to a maximum contribution of 5% of eligible wages. Each year, participants may contribute a percentage of pretax annual compensation, up to the maximum amount allowed by IRS regulation. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers various mutual fund options. Participants may change their investment options any time throughout the year via phone or internet access.

The Company matches contributions at a discretionary level for all participants and, as such, the level of employer match may change each year. For the periods ended December 31, 2021 and 2020, the Company contributed 20% of the first 5% of salary deferred by participants.

The Company may make discretionary contributions to the Plan. To be eligible to receive the discretionary contribution, the participant must be employed as of the last day of the Plan year and have completed at least 1,000 hours of service in the Plan year. The Company did not make discretionary contributions to the Plan during the periods ended December 31, 2021 or 2020.

Participant accounts: Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) the Plan's earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions, the Company's matching, and discretionary contributions, plus actual earnings thereon.

Payment of benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the vested interest in his or her account. Lump-sum distributions will be made for all terminated participants with account balances of less than \$5,000. A terminated participant's account balance is automatically rolled into an individual retirement plan if the account balance is greater than \$1,000 but less than \$5,000, unless otherwise elected.

Thriftbooks 401(k) Plan

Notes to Financial Statements

Note 1. Plan Description (Continued)

On January 1, 2020, the Plan was amended to remove the required six-month suspension of elected deferrals following a hardship distribution. The adoption of this amendment was effective retrospectively and all hardship distributions made prior to the effective date will no longer require suspension of deferrals.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Use of estimates: Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Dividends that have not posted by year-end are reflected as a dividend receivable. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions: Contributions from Plan participants are recorded in the year in which the participant contributions are withheld from amount paid. Profit sharing contributions are recognized upon authorization as the underlying compensation is recognized. All participant and employer contributions are participant-directed.

Excess contributions payable: Accounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Payment of benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Note 3. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted, quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted, quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Notes to Financial Statements

Note 3. Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan have a readily determinable fair value and are registered with the Securities and Exchange Commission. The funds publish their daily net asset value in an actively traded market and transact at that price.

The following sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2021			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 2,642,289	\$ -	\$ -	\$ 2,642,289
Total investments at fair value		\$ 2,642,289	\$ -	\$ -	\$ 2,642,289

		2020			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 1,451,607	\$ -	\$ -	\$ 1,451,607
Total investments at fair value		\$ 1,451,607	\$ -	\$ -	\$ 1,451,607

Note 4. Related-Party and Party-in-Interest Transactions

During the year ended December 31, 2021, certain fees paid by the Plan for investment advisory and management services are incorporated into the earnings of the respective funds.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6. Tax Status

The Plan has adopted a volume submitter plan sponsored by Alerus Financial, N.A. The volume submitter plan provider has received an advisory letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require a plan's management to evaluate tax positions taken by a plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits.

Note 8. Information Certified by the Plan Custodian

The following is a summary of the asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, which was prepared or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the following assets is, to the best of their knowledge, complete and accurate as of December 31, 2021 and 2020. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and supplemental schedule related to the following assets:

	2021	2020
Investments at fair value:		
Mutual funds	\$ 2,642,289	\$ 1,451,607
Total investments at fair value	<u>\$ 2,642,289</u>	<u>\$ 1,451,607</u>
Noninterest-bearing cash	<u>\$ -</u>	<u>\$ 20,978</u>

The Plan's custodian also certified to the completeness and accuracy of \$76,092 of net appreciation in fair value of investments and \$215,298 (restated) of interest and dividends related to the aforementioned-Plan assets for the year ended December 31, 2021.

Note 9. Restatement of Financial Statements

The 2021 financial statements have been restated to correct an error resulting in an overstatement of dividend income and net assets available for benefits due to a double counting of the dividends declared at year-end. The effect of the change on the 2021 financial statements consisted of the following:

	As Originally Reported	Correction	As Restated
Statement of Net Assets Available for Benefits			
Dividends Receivable	\$ 196,032	\$ (196,032)	\$ -
Total assets	2,894,801	(196,032)	2,698,769
Net assets available for benefits	2,885,571	(196,032)	2,689,539
Statement of Changes in Net Assets Available for Benefits			
Interest and dividends	\$ 411,330	\$ (196,032)	\$ 215,298
Total investment income	487,422	(196,032)	291,390
Total additions	1,635,845	(196,032)	1,439,813
Net increase	1,331,468	(196,032)	1,135,436
Net assets available for benefits - end of period	2,885,571	(196,032)	2,689,539

Note 10. Administration of Plan Assets

Certain administrative functions of the Plan are performed by employees of the Company. No such employees receive compensation from the Plan. Administrative expenses and investment fees are shared by the Plan and the Company.

The Company has retained the services of a third-party administrator to perform certain other administrative functions.

Note 11. Subsequent Events

Subsequent events have been evaluated through January 16, 2024, which is the date the financial statements were available to be issued.

On January 1, 2022, the Plan amended the Plan document and participants will now be eligible to participate after 500 hours within six months of the date of hire.

On January 1, 2023, the Plan amended the Plan document and participants will now be eligible to obtain loans from their accounts.
