Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the FNS, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the FNS, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the FNS, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter

Auditor's Report on the December 31, 2021 Financial Statements

The December 31, 2021 financial statements of FNS, Inc. 401(k) Plan were audited by predecessor auditors whose report dated January 30, 2023, expressed an unmodified opinion on those financial statements and included an other-matter paragraph that provided an opinion that the information in the December 31, 2021 supplemental schedules were fairly stated in all material respects in relation to the financial statements as a whole.

**FNS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the FNS, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more detailed information of the Plan’s provisions.

General

The Plan is a defined contribution plan. The Plan covers all employees of FNS, Inc. dba APAC CHI, LLC, APAC DFW, LLC, FNS Customs Brokers, Inc., Jeffrey Freight Lines, LLC, RoadX Transportation, LLC, APAC Transportation, LLC and Helistar Transportation, LLC (collectively, the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustee is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings, and monitors investment performance.

According to the Plan, participants direct the investment of their accounts into various investment options offered by the Plan. Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Additionally, participants are 100% vested in their account and full benefits are available upon retirement at age sixty-five, early retirement, death, total disability, or in the event of complete discontinuance of contributions or termination of the Plan.

The Plan provides that forfeitures, if any, shall be used to reduce the Plan’s ordinary and necessary administrative expenses and/or matching contributions. Expenses and matching contributions in excess of the forfeitures are generally paid by the Plan Sponsor.

Eligibility

Employees are eligible to participate in the plan once they have completed 1 year of service and are eighteen years old. Employees meeting the eligibility requirements can enter the Plan on January 1 or July 1 following when eligibility is met.

Employee Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Participants who are age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. Elective contributions in any year may not exceed the dollar limit for the year set by the Internal Revenue Service.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

For each Plan year, the employer may contribute 75% of the employee's contribution up to the first 10% of a participant's contributions. For the year ended December 31, 2022 and 2021, the Plan Sponsor made \$1,157,149 and \$835,285 in matching contributions, respectively to participants. Any forfeitures will be used to reduce employer matching contributions annually.

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of (a) the Plan Sponsor's matching contributions and (b) Plan earnings which are charged with an allocation of certain administrative expenses. Allocations of matching contributions are based on participant contributions, as defined. Allocations of plan earnings and administrative expenses are based on participant balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

Vesting

Participants are immediately vested in their contributions plus actual earnings less losses thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A year of vesting service is defined as any year in which a participant completes 1,000 hours in that year. A participant is 100% vested after six years of credited service in accordance with the following schedule:

0-2 years of service	0%
2-3 years of service	20%
3-4 years of service	40%
4-5 years of service	60%
5-6 years of service	80%
6+ years of service	100%

Forfeitures

Amounts forfeited from terminating participants' non-vested portion of their Plan Sponsor's contributions and earnings on Plan Sponsor contributions are used to pay administrative expenses of the Plan or to reduce future employer contributions. Forfeitures available at December 31, 2022 and 2021 were \$24,605 and \$80,662, respectively. During the years ended December 31, 2022 and 2021 \$58,224 and \$6,841 of forfeited funds were used to reduce employer matching contributions and offset Plan expenses, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments

On termination of service due to death, disability, or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

In-Service Withdrawals

Participants who are at least 59^{1/2} years of age are entitled to receive a distribution of all or any portion of their vested account balance. Hardship withdrawals, which meet a hardship purpose of immediate and heavy financial need, are permitted as provided in the plan agreement. Such amounts may be drawn from a participant's deferral contributions (excluding earnings) and vested employer contributions and may be subjected to certain income tax penalties. Disability withdrawals and qualified reservist distributions are permitted as provided in the plan agreement.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their deferral contributions only and may have no more than two loans outstanding at a time. The loan repayment period must be no more than five years with the interest rate determined based on the rate a bank or professional lender would charge. The loans are secured by the vested balance in the participant's account, and bear interest at rates that are commensurate with local prevailing rates, as determined by the Plan administrator. As of December 31, 2022, interest rates on loans to participants ranged from 3.25% to 7.50%. Principal and interest are paid ratably through monthly payroll deductions.

Administrative Expenses

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor, are paid by the Plan Sponsor or through excess forfeitures. All expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Plan Sponsor. Participants are charged service fees for any distribution transactions they request. Management fees paid by and for the Plan amounted to \$99,439 and \$97,985 for the years ended December 31, 2022 and 2021, respectively, and are included in administrative fees on the statement of changes in net assets. Audit expenses are absorbed by the Plan Sponsor. In addition, certain investment-related expenses have been offset with net investment income and are not readily determinable.

Investment Options

Participants direct the allocation of their contributions and employer matching contributions to any of the investment options offered by the Plan at their discretion. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements have been prepared in compliance with the Department of Labor Rules and Regulations for reporting and disclosure under ERISA.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are measured at quoted prices in an active market and have been certified complete and accurate Principal Life Insurance Company, the Plan's custodian (Note 4). Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risk and Uncertainties

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

NOTE 3 – FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair values may not be realized in the immediate settlement of the financial asset. In addition, the disclosed fair values do not reflect any premium or discount that could result from offering from sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

(Note 3 continued on the following page)

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds and pooled separate accounts: Valued at the daily closing price as reported by the fund. Mutual funds and pooled separate accounts held by the Plan are open-end mutual funds and pooled separate accounts that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and pooled separate accounts held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31.

<i>Assets at Fair Value as of December 31, 2022</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value ^(a)				
Mutual Funds				12,276,481
Pooled separate accounts				260,330
Investments at fair value				<u>\$ 12,536,811</u>

<i>Assets at Fair Value as of December 31, 2021</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:	\$ -	\$ -	\$ -	\$ -
Investments measured at net asset value ^(a)				
Mutual Funds				12,739,373
Pooled separate accounts				218,998
Investments at fair value				<u>\$ 12,958,371</u>

^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

(Note 3 continued on the following page)

**FNS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The Plan's mutual funds and pooled separate accounts are valued at NAV which is based on the fair value of the underlying investments of the mutual funds and pooled separate accounts, less any liabilities. The underlying investments of the mutual funds and pooled separate accounts are mainly equity and fixed income securities and short-term investments. The investment strategies of the Plan's mutual funds and pooled separate accounts vary generally based on the investment objectives of the asset class of which they are a part. Such investment strategies include investments in fixed income securities and investments in equity securities in domestic and international markets for growth and value objectives as well as to replicate market indexes and to invest in emerging markets. The Plan had no unfunded commitments related to its mutual funds. The redemption of mutual funds is subject to the preference of individual Plan participants and contains no restrictions on the timing of redemption.

NOTE 4 – INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021.
- Net appreciation/(depreciation) in fair value of investments, interest and dividends reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the year ended December 31, 2022 and 2021.
- Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year).

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, so that each participant receives 100% of his or her account balance as of the date of termination.

**FNS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021**

NOTE 6 - TAX STATUS

The Employer adopted a prototype non-standardized profit-sharing plan which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which stated that the plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and operated in compliance with applicable requirements of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date being operated in compliance with the applicable requirements of the Internal Revenue Code.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts managed by Principal Life Insurance Company. Principal Life Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from the Plan participants and the related interest income and administrative expenses are also considered party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$45,055 and \$41,958 for the years ended December 31, 2022 and 2021, respectively. The records of the Plan indicate no party-in-interest transactions, which are prohibited by ERISA and for which no statutory or administrative exemption exists.
