Independent Auditor's Report

LBAM Group Section 401(k) Plan
Dothan, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of LBAM Group Section 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of April 11, 2023 and December 31, 2022, the related statements of changes in net assets available for benefits for the period January 1, 2023 to April 11, 2023 and for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the periods ended April 11, 2023 and December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As discussed in Note 9 to the financial statements, the Plan's sponsor approved on February 10, 2023, to merge into the Adams Keegan Retirement Savings Plan effective April 1, 2023. All Plan assets were transferred to the Adams Keegan Retirement Savings Plan on April 11, 2023. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4a - schedule of delinquent participant contributions is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LBAM Group Section 401(k) Plan
Notes to Financial Statements
April 11, 2023 and December 31, 2022

Note 1 - Description of Plan

The following description of LBAM (the Sponsor) Group Section 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Merger - All Plan assets were transferred to the Adams Keegan Retirement Savings Plan on April 11, 2023. See Note 9.

General - The Plan is a defined contribution plan covering all full-time employees of the Sponsor, Larry Blumberg & Associates, Inc. and its affiliates. The Plan was amended effective October 1, 2022 to allow employees, hired on or after October 1, 2022, who have attained age 18 or older to be immediately eligible to participate in the Plan. Employees hired prior to October 1, 2022, must complete one year of service, and attain age 18 or older. Prior to October 1, 2022 entry was on the first day of the Plan year or the first day of each quarter of the Plan year coinciding with or following the next date the eligibility requirements had been met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employer contributions - The Sponsor can contribute the following: (1) a discretionary matching contribution equal to a percentage of compensation and (2) a discretionary nonelective contribution. Effective October 1, 2022, employees must have completed three months of service, as defined by the Plan, to be eligible for employer contributions. Previously, an employee must have completed one year of service. Discretionary nonelective contributions are available only to employees who are employed on the last day of the Plan year. The requirement to be an employee on the last day of the Plan year is waived if employment was terminated due to retirement, death, or disability. Discretionary nonelective contributions are allocated to participants based on relative compensation. The discretionary matching contribution was 50% up to 4% of employee deferrals. There were no nonelective contributions for 2023 and 2022.

Employee contributions - Eligible employees can elect to contribute an amount up to 100% of their compensation, as defined in the Plan, subject to certain limitations under the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible for catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan will accept rollover contributions from a qualified plan for an employee prior to the employee meeting the eligibility requirements for participation in the Plan. Effective October 1, 2022, the Plan allows for Roth contributions. In-Plan Roth rollovers are not allowed.

Participant accounts - Each participant's account is credited with the participant's contributions, the allocations of the Sponsor's matching contributions (if any), the Sponsor's discretionary nonelective contributions (if any), and allocations of Plan earnings. Earnings allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of credited service. Participants are 20% vested after two years of credited service and continue to vest ratably each year thereafter until they are 100% vested after six years.

Notes receivable from participants - The Plan does not permit participant loans.

LBAM Group Section 401(k) Plan
Notes to Financial Statements
April 11, 2023 and December 31, 2022

Payment of benefits - Upon discontinuance of service due to termination of employment, normal retirement age (59½), death, or disability, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or partial payments. In-service withdrawals of the employee's vested interest in his or her account balance are permitted for financial hardships and for participants who have attained age 70½.

In-service withdrawals of employee rollover accounts are allowed after completion of 60 months of participation in the Plan. Upon termination, the Plan shall make automatic rollovers of vested account balances that are greater than \$1,000 but not more than \$5,000 to an IRA unless a participant elects to receive or roll over the distribution. Amounts \$1,000 or less will be automatically cashed out.

Forfeited accounts - Plan forfeitures may be used to reduce nonelective employer contributions, employer matching contributions, or to offset Plan administrative expenses. Forfeited amounts available for the period January 1, 2023 to April 11, 2023 and the year ended December 31, 2022 are \$0 and \$73,509, respectively. For the period January 1, 2023 to April 11, 2023 and the year then ended December 31, 2022, \$7,330 and \$34,266, respectively, were used to pay for Plan administrative expenses. For the period January 1, 2023 to April 11, 2023, forfeitures in the amount of \$38,043 were used to offset employer contributions and \$43,073 were transferred to the Adams Keegan Retirement Savings Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment valuation and income recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess contributions payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions.

Payment of benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Note 3 - Certified Investments

The following is a summary of certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, as of April 11, 2023 and December 31, 2022, that was obtained by management and agreed to or derived from information certified as complete and accurate by Great-West Trust Company, LLC (the Custodian of the Plan):

	2023	2022
Investments at Fair Value		
Mutual funds		\$ 9,375,387
Total investments at fair value	\$ -	\$ 9,375,387

The Custodian also certified to the completeness and accuracy of \$466,826 of net appreciation and \$2,224,969 of net depreciation in fair value of investments, and \$25,515 and \$404,570 of dividend income related to the aforementioned investments for the period January 1, 2023 to April 11, 2023 and for the year ended December 31, 2022, respectively.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes to Financial Statements
April 11, 2023 and December 31, 2022**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 11, 2023 and December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of April 11, 2023 and December 31, 2022, respectively:

Assets at Fair Value as of April 11, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds				
Investments at fair value	\$ -	\$ -	\$ -	\$ -

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,375,387			\$ 9,375,387
Investments at fair value	\$ 9,375,387	\$ -	\$ -	\$ 9,375,387

Note 5 - Related Party Transactions

Certain Plan investments are shares of mutual funds managed by Regions Bank, the Plan's Trustee, and held by the Plan's Custodian. Empower is the Plan's recordkeeper. Fees incurred by the Plan for investment expenses are included in net appreciation in fair value of investments. Fees paid by the Plan for other administration fees amounted to \$19,346 and \$69,414 for the period January 1, 2023 to April 11, 2023 and for the year then ended December 31, 2022, respectively. The Plan Sponsor pays directly any other fees related to the Plan's operations.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions. See Note 9.

Note 7 - Tax Status

During the year ended December 31, 2022, the Plan operated under two different non-standardized prototype plans. The current non-standardized prototype plan was adopted October 1, 2022. The prototype plan received an opinion letter from the Internal Revenue Service dated November 14, 2022 as to the prototype plan's qualified status. The previous non-standardized prototype plan received its opinion letter from the Internal Revenue Service dated March 31, 2014 as to the prototype plan's qualified status. The prototype plan's opinion letters have been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Notes to Financial Statements
April 11, 2023 and December 31, 2022

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 11, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Plan Merger

The Plan Sponsor approved on February 10, 2023, to merge into the Adams Keegan Retirement Savings Plan effective April 1, 2023. All participants of the Plan were appropriately notified of the Plan merger. All Plan assets were transferred to the Adams Keegan Retirement Savings Plan on April 11, 2023.

Note 10 - Subsequent Events

The Plan has evaluated subsequent events through December 26, 2023, the date the financial statements were available to be issued. All subsequent events requiring recognition as of April 11, 2023, have been incorporated in these financial statements.
