Independent Auditor's Report

To the Participants and Plan Administrator of the
Foremost Paving, Inc. 401(k) Retirement Plan
Weslaco, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Foremost Paving, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of August 31, 2022 and December 31, 2021, the related statement of changes in net assets available for benefits for the period from January 1, 2022 through August 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of August 31, 2022 and December 31, 2021, and for the period from January 1, 2022 to August 31, 2022, stating that the certified investment information described in Note 4 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator of the
Foremost Paving, Inc. 401(k) Retirement Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance; therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Participants and Plan Administrator of the
Foremost Paving, Inc. 401(k) Retirement Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters we identified during the audit.

Note 1 – Plan Description

The following description of the Foremost Paving, Inc. 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document or Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution 401(k) plan that provides retirement savings benefits to eligible employees of Foremost Paving, Inc. (the “Company” or “Employer”). The Plan, which commenced effective January 1, 1999, is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”). The Plan was amended and restated effective January 1, 2022 to comply with the latest rules and regulations.

Plan Custodian and Trustees

John Hancock Life Insurance Company (the “Custodian”) is the Custodian maintaining custody of all investments held by the Plan, maintaining the Plan’s participant account balances, and providing record-keeping services to the Plan. Among other duties, the Custodian receives contributions, holds and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Plan Administrator. Two directors of the Company serve as Trustees of the Plan.

Transfers of Assets from this Plan

Effective August 15, 2022, the Plan merged with and into the WDP Pooled Employer Plan (the “WDP Pooled Plan”). To aid with the transition to the WDP Pooled Plan, the Plan instituted a blackout period with John Hancock between August 8, 2022, and August 31, 2022. During the blackout period, distribution and loan activity was suspended, and participants could not change contribution rates, transfer between investment options, or enroll in the plan. At the end of the blackout period, the Plan assets were invested as requested by each participant.

On August 15, 2022, the formal transfer of all assets was completed, and net assets totaling \$6,959,476 were transferred from the Plan to the WDP Pooled Plan. These amounts are included as “transfers out of this Plan” on the accompanying statement of changes in net assets. As a result of the merger, the Plan filed a final Form 5500 for the period ended August 31, 2022.

Eligibility and Plan Entrance Date

Employees over 21 years of age who are not a leased employee, a non-resident alien, or covered by a collective bargaining agreement are eligible to participate in the Plan after completing one year of service. Eligible employees are permitted to enter the Plan semi-annually after satisfying the eligibility requirements.

Participant Contributions

Participants may elect to contribute, on a pre-tax basis, up to 100% of their pre-tax annual compensation, up to the maximum amount allowed for deferral annually under the IRC, which was \$20,500 for 2022. Participants who have attained 50 years of age before the end of the Plan year are eligible to make catch-up contributions of up to the maximum amount allowed annually under the IRC, which was \$6,500 for 2022. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollovers”).

Notes to the Financial Statements

August 31, 2022 and December 31, 2021

Note 1 – Plan Description (continued)

Employer Contribution

The Employer may make discretionary matching contributions in accordance with the provisions of the Plan Document. For the period from January 1, 2022 to August 31, 2022, the Employer made discretionary matching contributions equal to 25% of the participant's elective salary deferrals not exceeding 4% of the participant's eligible compensation. The Company may also elect to make discretionary profit-sharing contributions. No discretionary profit-sharing contributions were made to the Plan in 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, and allocations of Plan earnings, and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investments

All assets of the Plan are participant-directed investments. Participants have the option of directing their account balances to one or more investment options offered by the Plan. The Plan has selected various investment options, as more fully described in the Plan Document, to which participants may designate the allocation of their account balances. The options vary in types of investments, rates of return, and investment risk.

Vesting

Participants are always 100% vested in their pre-tax and rollover contributions and any income or loss thereon. Vesting in Employer contributions, plus any income or loss thereon, is based upon years of service according to the following schedule:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	0%
3	100%

Additionally, participants immediately become 100% vested in any unvested portion of Employer contributions, plus any income or loss thereon, upon death, disability, or the reaching of age 65.

Notes Receivable from Participants

Participants may borrow up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount is \$1,000. Notes receivable from participants are secured by the balance in the participant's account and bear interest at 1% above Prime rate, as defined. Principal and interest are paid ratably through payroll deductions at least quarterly.

Notes to the Financial Statements August 31, 2022 and December 31, 2021

Note 1 – Plan Description (continued)

Payment of Benefits

Upon separation of service due to death, disability, retirement, or termination of employment, a participant may elect to receive a lump sum payment equal to the value of the participant's vested interest in his or her account or installments over a period of not more than the participant's or beneficiary's assumed life expectancy. Vested account balances of less than \$5,000 are immediately distributable in a lump sum under the terms of the Plan without the participant's consent.

A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 ½.

Forfeitures

Participants who terminate employment with the Company prior to full vesting forfeit the non-vested portion of the Company's contribution. The non-vested amount will be used to reduce future Employer contributions or pay Plan expenses. At August 31, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$1,409, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in conformity with the accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held for the period from January 1, 2022 to August 31, 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of August 31, 2022 and December 31, 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Notes to the Financial Statements

August 31, 2022 and December 31, 2021

Note 2 – Summary of Significant Accounting Policies (continued)

Payments of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Investment-related expenses are included in net depreciation of fair value of investments. Certain expenses specifically incurred by, or attributable to, a participant are paid from that participant's account. Plan expenses could include, but are not limited to, costs to process loans and Plan distributions.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Inputs in the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at August 31, 2022 and December 31, 2021.

- **Pooled Separate Accounts** – valued using the net asset value ("NAV") of units held by the Plan at year-end or period-end as provided by the Custodian. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee, and is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the pooled separate account, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Participant transactions (purchases and sales) may occur daily, and there are no significant restrictions on participant redemptions or any unfunded commitments.

Notes to the Financial Statements

August 31, 2022 and December 31, 2021

Note 3 – Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 31, 2022 and December 31, 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of August 31, 2022			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (a)	-	-	-	-
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV (a)	-	-	-	7,358,253
Investments at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,358,253</u>

(a) In accordance with ASC 820-10, certain investments (pooled separate accounts) that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4 – Information Prepared and Certified by the Plan's Custodian

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate.

<u>December 31,</u>	<u>2022</u>	<u>2021</u>
Cash	\$ -	\$ 1,409
Investments at fair value	-	7,358,253
Notes receivable from participants	-	255,768
 <u>For the period from January 1, 2022 to August 31, 2022</u>		
Net depreciation in fair value of investments	\$ (745,120)	
Interest income on notes receivable from participants	7,194	

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

Foremost Paving, Inc. 401(k) Retirement Plan

Notes to the Financial Statements

August 31, 2022 and December 31, 2021

Note 5 – Related Party and Party-in-Interest Transactions

Certain Plan investments are managed by the Plan’s Custodian; as such, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers.

The Plan has notes receivable from participants as of December 31, 2021. These receivables and all related transactions qualify as party-in-interest transactions and are exempt from being prohibited by ERISA.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 – Tax Status

The Plan operates under an adoption agreement in connection with a volume submitter profit-sharing plan (“the Volume Submitter Plan”) sponsored by Datair Employee Benefit Systems, Inc. This Volume Submitter Plan document was filed with the appropriate agency and obtained an opinion letter from the IRS dated June 30, 2020, stating that the Volume Submitter Plan and related trust, as then designed, constituted a qualified plan under Section 401 of the IRC, and therefore was not subject to tax. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes the Plan is currently designed and being operated in compliance with applicable requirements of the IRC. As such, no provision for income taxes made in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that, as of August 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2019.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 – Subsequent Events

The Company has evaluated subsequent events through June 5, 2023, the date the financial statements presented herein were available to be issued.

June 5, 2023

To the Plan Administrator and Plan Management of
Foremost Paving, Inc. 401(k) Retirement Plan
Weslaco, Texas

In planning and performing our audit of the financial statements of Foremost Paving, Inc. 401(k) Retirement Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as of August 31, 2022 and for the period from January 1, 2022 to August 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan’s internal control over financial reporting (“internal control”) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan’s internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”). As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by Lincoln National Life Insurance Company, the Custodian that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses or significant deficiencies; therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. However, as discussed below, we identified deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis.

A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan’s financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A reportable finding is an indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention.

We consider the following deficiencies in the Plan's internal control to be significant deficiencies and reporting findings:

Plan Governance and Meeting Minutes

In the course of our audit, we noted that the Plan does not have an official administrative committee in place for Plan oversight. In addition, we noted no minutes were kept by the Plan Administrator during the period from January 1, 2022 to August 31, 2022. All meetings and discussions affecting the Plan should be documented by written minutes and signed. Such minutes serve not only for future reference, but also document certain trustees or fiduciary responsibilities required to be performed. These minutes should include matters that affect the Plan including, but not limited to, the following:

- Approval of significant operating expenses
- Discussions and approval of amendments to the Plan
- Modifications to agreements with investment advisors, recordkeepers and trustees
- Reasons for changes in custodians, TPAs, or Plan trustees
- Request or receipt of IRS determination letters
- Documentation of any discretionary contribution amounts (*i.e.*, matching, profit-sharing) approved by the Plan Administrator
- Investment Committee activity (*i.e.*, annual review of the investment policy)
- Development of a remittance policy
- Changes in the Plan's internal control
- Submission of the Plan's audited financial statements, Form 5500
- Resolutions on any Plan issues or problems

We recommend that a formal committee comprised of several individuals be formed, and that this committee draft an investment policy outlining the objectives with regards to the Plan's investment offerings. Finally, we recommend that the committee meet at least annually to review the Plan's provisions in accordance with laws and regulations, investment performance, and other factors to ensure the Plan is properly in compliance and operating with the participants' benefit as the primary objective. These meetings should be documented in minutes that detail the items discussed. These minutes serve not only as future reference, but also as evidence that the meeting occurred.

Compliance Testing

In the course of our audit, we noted that the Plan sponsor failed to engage the third-party administrator to perform compliance testing for the period from January 1, 2022 to August 31, 2022.

We recommend that the Plan sponsor engage the TPA to perform compliance to ensure the Plan is in compliance with all IRS and DOL rules and regulations.

This communication is intended solely for the information and use of the Plan Administrator and Plan management. It is not intended to be, and should not be, used by anyone other than the specified parties.

To the Plan Trustees of the
Foremost Paving, Inc. 401(k) Retirement Plan
Weslaco, Texas

We have audited the financial statements of Foremost Paving, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") for the period from January 1, 2022 to August 31, 2022, and we issued our report thereon dated June 5, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by John Hancock Life Insurance Company, the Plan Custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 30, 2023. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the period from January 1, 2022 to August 31, 2022. We noted no transactions entered into by the Plan during the period for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive accounting estimate affecting the financial statements was the estimate of the fair value of the Plan's investments in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements and Disclosures*. The significant valuations are presented in Note 3 to the financial statements. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements is the disclosure of fair value measurements in Note 3 to the financial statements. The methods used in determination of fair value may not be indicative of net realizable value or reflective of future determination of fair values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate these accumulated misstatements to Plan management. Further, professional standards also require us to communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. There were no such misstatements identified during the course of the audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that, in our professional judgment, is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We have communicated such information in a separate letter dated June 5, 2023.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 5, 2023.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each period prior to retention as the Plan’s auditor. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This representation letter is provided in connection with your audit of the financial statements and supplemental schedule of Foremost Paving, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of August 15, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to August 15, 2022, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by John Hancock Life Insurance Company (the "Custodian"), in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

- 1) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- 2) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- 3) The certification meets the 29 CFR 2520.103-5 requirements.
- 4) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of June 5, 2023, the following representations made to you during your audit.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated January 30, 2023, including our responsibility for the preparation and fair presentation of the financial statements.
- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedules referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- 3) We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- 4) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 5) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 6) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 7) Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
- 8) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 9) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 10) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.
- 11) Significant estimates and material concentrations have been properly disclosed in accordance with U.S. GAAP.
- 12) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- 13) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
- 14) The supplemental schedules or financial statements disclose the following:
 - a) All non-exempt party-in-interest transactions as defined in ERISA Section 3(14) and regulations thereunder.
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

Information Provided

- 15) We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters.
 - b) A substantially complete draft of Form 5500.
 - c) Additional information that you have requested from us for the purpose of the audit.
 - d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - e) Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
- 16) We have obtained the SOC 1 report from our service organization John Hancock Life Insurance Company. We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the period from January 1, 2022 to August 15, 2022.
- 17) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

- 18) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 19) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
- Management,
 - Employees who have significant roles in internal control, or
 - Others where the fraud could have a material effect on the financial statements.
- 20) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 21) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations including ERISA, DOL, and IRS regulations whose effects should be considered when preparing financial statements.
- 22) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 23) We have disclosed to you the names of all of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions, including any side agreements.
- 24) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- 25) We have no—
- Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - Intentions to terminate the Plan.
- 26) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 27) The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 28) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are provided by the Custodian. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes, are as follows:
- Pooled Separate Accounts – These investments are valued using the NAV of units held by the Plan at year end as provided by John Hancock Life Insurance Company. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee and is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the pooled separate account, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Participant transactions (purchases and sales) may occur daily, and there are no significant restrictions on participant redemptions or any unfunded commitments.
- 29) All required amendments to and filings of plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
- 30) The Plan and the trust established under the Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The Plan sponsor has operated the Plan and trust in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has not been completed for the Plan. We will

complete the required testing and any excess deferrals or contributions will be disposed of in accordance with regulations.

- 31) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 32) The Plan has complied with the fidelity bonding requirements of ERISA.
- 33) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 34) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
