INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Green Circle Growers, Inc. 401(k) Retirement Plan
Oberlin, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Green Circle Growers, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Delaware Charter Guarantee & Trust Company, d/b/a Principal Trust Company, a member of the Principal Financial Group, the trustee of the Plan, a qualified institution, as of June 30, 2023 and 2022 and for the year ended June 30, 2023, stating that the certified investment information, as identified in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE A - DESCRIPTION OF PLAN

The following description of the Green Circle Growers, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Green Circle Growers, Inc. and its affiliates (the Company, Plan Sponsor, and Plan Administrator) as specified in the Plan document. Employees who have attained the age of 18 and completed three months of service who are not covered by a collective bargaining agreement, nonresident aliens, or reclassified employees as defined by the plan document are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Participants may elect to defer up to 100% of compensation as defined by the Plan on either a pre-tax or after-tax basis. The Plan provides for a safe harbor employer matching contribution equal to 100% of the first 5% of compensation deferred. The Plan also provides for a discretionary employer non-elective contribution for employees with 1,000 hours of service during the Plan year and who are active participants on the last day of the Plan year. No discretionary employer non-elective contributions were made during the year ended June 30, 2023. The Plan provides for the acceptance of rollover contributions from other plans qualified under the Internal Revenue Code (the Code). The Plan also provides for catch-up contributions for participants who reach the age of 50 by the end of the Plan year. Participants direct the investment of their contributions into various options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as an allocation of the Company's discretionary non-elective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant account earnings, compensation, specific participant transactions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and in the Company's contributions plus actual earnings thereon.

Notes to Financial Statements

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Benefits are payable to participants or their beneficiaries upon the termination, retirement, disability, death of a participant, or attainment of age 59½. The participant will receive a lump-sum distribution based on the participant's account valuation on the date of distribution. If the value of the vested benefits credited to a participant's account is \$5,000 or less at the time of termination, the entire amount will be automatically distributed to the participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount will be distributed in the form of a direct rollover to an individual retirement account as designated by the Plan Sponsor.

Active participants may make hardship withdrawals from their elective deferral account balances subject to Plan provisions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Note receivable terms range from 1 - 5 years. Notes receivable are secured by the balances in the participants' accounts and bear interest at rates that range from 4.25% to 9.25% at June 30, 2023. Principal and interest are paid ratably through bi-weekly payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the trustee. See Note D for discussion of fair value measurements.

Investment Income Recognition

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Revenue Sharing

Revenue sharing income represents the portion of investment management fees provided to the Plan from the investment fund manager to offset the cost of services provided to the Plan. Revenue sharing, which is included as a component of investment income (expenses) on the statement of changes in net assets available for benefits, was \$714 for the year ended June 30, 2023.

GREEN CIRCLE GROWERS, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of June 30, 2023 and 2022. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable to be uncollectible, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Contributions

Participant and employer contributions are recorded and credited to each participant's account when received by the trustee from the Company. Any contributions attributable to the Plan year but not received by the trustee by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Participant accounts are charged a fee ratably based on their account balances for expenses incurred to maintain the Plan. These expenses are also included in administrative expenses. Investment related expenses are included in investment income (expenses) on the accompanying statement of changes in net assets available for benefits.

Income Taxes

The Company adopted a non-standardized pre-approved profit sharing plan with a cash or deferred arrangement which received an opinion letter from the IRS dated June 30, 2020, stating that the Plan and related trust were designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and; therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at June 30, 2023 and 2022, and net appreciation in fair value of investments, interest, and dividends for the year ended June 30, 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

The Plan's investments accounted for at fair value as of June 30, 2023 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 10,824,171	\$ 10,824,171
Investments measured at net asset value		<u>14,828,334</u>
Total investments at fair value		<u>\$ 25,652,505</u>

The Plan's investments accounted for at fair value as of June 30, 2022 are summarized below:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 8,250,937	\$ 8,250,937
Investments measured at net asset value		<u>11,947,753</u>
Total investments at fair value		<u>\$ 20,198,690</u>

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2023 and 2022.

Mutual funds are valued at the net asset values of shares held by the Plan at year end, as reported on the active markets in which the investments are traded.

Common/collective trusts (see Note E) are valued at the net asset values of units held by the Plan at year end. The net asset values, as provided by the trustee, are used as practical expedients to estimate fair values. The net asset values are based on the fair values of the trusts' underlying assets less their liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investments for an amount different than the reported net asset values.

GREEN CIRCLE GROWERS, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Pooled separate account (see Note F) is valued at the net asset value of the units held by the Plan at year end. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. Net asset value is based on the quoted market price of the underlying investment, net of insurance company fees and expenses, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The methods described above and on the previous page may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

NOTE E - INVESTMENT IN COMMON/COLLECTIVE TRUSTS

The Plan has an investment in the Principal Stable Value Fund, a common/collective trust fund (the Morley Fund). Withdrawals from the Morley Fund for benefit payments and participant transfers to noncompeting options are to be paid within thirty days. Withdrawals for other purposes require twelve months written notice.

The Plan has investments in the Wilmington Trust flexPATH Index + Aggressive, Conservative, and Moderate Series of Funds, common/collective trust funds (the Wilmington Funds). Withdrawals from the Wilmington Funds can be made on a daily basis. The Wilmington Funds require the Plan Sponsor to provide a five day written notice for withdrawals which exceed one million dollars.

NOTE F - POOLED SEPARATE ACCOUNT

The Plan has an investment in a Principal Group Annuity Contract pooled separate account. The Plan holds funds in the Principal U.S. Property Separate Account - A. Principal Reserves the right under the contract to defer transfers or payments for up to three years due to the illiquid nature of the assets held in the Principal U.S. Property Separate Account - A. The key investment strategy of the Principal U.S. Property Separate Account is to invest the majority of assets in owned private equity commercial real estate anticipated to return both lease and appreciation of the buildings' market value.

GREEN CIRCLE GROWERS, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants shall receive a full distribution of the balances in their respective accounts.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include the investment in the funds of the trustee, and related dividend income, interest, and the payment of fees to the Plan's record keeper and trustee. Such transactions are exempt from being prohibited transactions.

Principal Trust Company (Principal) provides certain administrative services to the Plan. Principal received revenue for these services at crediting rates per investment ranging from 0.04% to 0.86% of the funds' balances as of June 30, 2023. These fees reduce the rate of return credited to the Plan for these investments and are netted within net appreciation in the fair value of investments on the statement of changes in net assets available for benefits.

NOTE J - DELINQUENT PARTICIPANT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Company is required to segregate participant contributions to the Plan from its general assets as soon as practicable, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages.

The Company did not timely remit participant loan contributions to the trustee in accordance with ERISA during the year ended June 30, 2022 of \$483. On September 2, 2021 and June 9, 2022, the delinquent participant loan contributions and lost earnings were submitted to the Plan and are considered fully corrected for the Plan year ending June 30, 2022.

GREEN CIRCLE GROWERS, INC. 401(k) RETIREMENT PLAN

Notes to Financial Statements

June 30, 2023 and 2022 and Year Ended June 30, 2023

NOTE K - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through December 19, 2023, the date which the financial statements were available to be issued.

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE 2.0 Act of 2022 (SECURE Act 2.0). SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's June 30, 2023 financial statements.
