INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Title Alliance Employee Stock Ownership Plan
Media, Pennsylvania

Opinion

We have audited the accompanying financial statements of Title Alliance Employee Stock Ownership Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits in liquidation as of November 3, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits in liquidation for the period from January 1, 2023 through November 3, 2023 and for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits in liquidation of Title Alliance Employee Stock Ownership Plan as of November 3, 2023 and December 31, 2022, and the changes in its net assets available for benefits in liquidation for the period from January 1, 2023 through November 3, 2023 and for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Title Alliance Employee Stock Ownership Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of Title Alliance Employee Stock Ownership Plan approved a plan of liquidation on April 30, 2021, and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis used in presenting the 2023 and 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Title Alliance Employee Stock Ownership Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTE 1 - Description of Plan

The following brief description of the Title Alliance Employee Stock Ownership Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan document, as amended, for a more complete description of the Plan's provisions.

Title Alliance, Ltd. (the "Company") established the Title Alliance Employee Stock Ownership Plan effective as of January 1, 2014. The purpose of the Plan is to enable eligible employees of the Company and of any participating affiliates to share in the growth and prosperity of the Company and to provide participants with an opportunity to accumulate capital for their future economic security. A primary purpose of the Plan is to enable participants to acquire a proprietary interest in the Company. Consequently, the Plan is designed to be primarily invested in employer securities over the life of the Plan.

Effective April 30, 2021, Title Alliance, Ltd. amended the Plan to reflect a corporate reorganization and changed the definition of the Company and Employer to T. Alliance Holdings, Inc., a Pennsylvania corporation.

- A. General - The Plan is a defined contribution plan covering all employees of the Company who meet the eligibility requirements of the Plan and are not a member of a collective bargaining unit, a leased employee, or a nonresident alien. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Effective April 30, 2021, immediately preceding the acquisition of 90% of the company assets by Tempo Title, Inc., the buyer and the Company resolved to terminate the Plan as a condition of this acquisition. On this date, all contributions to the Plan ceased. Since termination, the Plan has invested all net proceeds received in cash and has begun the process of distributing all assets remaining in the Plan to the participants subject to the applicable requirements of ERISA and in accordance with the provisions of the Plan. At the time of plan termination, all active unvested participants became fully vested in their account balances. Participants began to liquidate their accounts in December 2021.

The following attributes of the Plan were based on the plan document prior to termination and liquidation. Certain attributes of the Plan have been updated to reflect the impact of the plan termination.

- B. Eligibility Requirements - Each employee is eligible to participate in the Plan retroactively to the first day of the plan year (January 1st) in which the employee first completes 1,000 hours of service, measured from the employee's employment commencement date.
- C. Employer Contributions - The Company shall contribute such amounts as may be determined by its Board of Directors. However, employer contributions for each year shall not be less than the amount required to enable the Plan to discharge its current obligations related to any notes payable. Employer contributions are allocated to individual accounts based on the ratio of each participant's eligible annual compensation to the total plan participants' eligible compensation. There were no contributions to the Plan during 2023 and 2022 as the Plan was terminated during 2021.
- D. Participants' Accounts - The Plan is a defined contribution plan under which a separate individual account is established for each participant. Shares are allocated to participants' accounts as they are purchased by the Plan from certain retiring or terminated Company stockholders.

TITLE ALLIANCE
EMPLOYEE STOCK OWNERSHIP PLAN
Notes to Financial Statements
November 3, 2023 and December 31, 2022

NOTE 1 - Description of Plan (Continued)

- D. Participants' Accounts (Continued) - Shares of the Company common stock and nonvested shares forfeited are allocated to individual accounts based on the ratio of each participant's eligible annual compensation to the total plan participants' eligible compensation. A participant is entitled to share in the allocation of the employer contribution and forfeitures for the Plan year of their retirement, disability, or death. Allocation of the gain realized upon the redemption of Company stock was allocated based on participant account balances on the date of the acquisition.
- E. Vesting - Participants become fully (100%) vested in the employer contribution upon the occurrence of death, total or permanent disability, or normal or early retirement.

Other than stated above, contributions to the Plan vest based on the following:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant's vested benefit is determined as of the date of termination of employment or retirement. At the time of the plan termination, all active, unvested participants became fully vested in their account balances.

- F. Forfeitures - Any participant who terminates employment without being fully vested (100%) in their non-elective contribution account forfeits their unvested portion. Plan forfeitures are allocated to each participant's account based upon the relation of the participant's eligible annual compensation to the total plan participant eligible compensation for the Plan Year. There were no shares forfeited from terminated nonvested account balances and allocated to remaining participants for the period ended November 3, 2023, and for the year ended December 31, 2022.
- G. Diversification - Nearly all of the Plan's assets consisted of the common stock of the Company that was redeemed in conjunction with the sale of company assets to Tempo Title, Inc. on April 30, 2021. Diversification was offered to participants close to retirement so that they had the opportunity to move part of the value of their investment in the Company stock into investments which were more diversified. Participants who were at least age 55 with at least 10 years of participation in the Plan could elect to diversify a portion of their account. Diversification was offered to each eligible participant over a six-year period. In each of the first five years, a participant could diversify up to 25% of the number of post-1986 shares allocated to his or her account, less any shares previously diversified. In the sixth year, the percentage changed to 50%. Participants who elected to diversify received a cash distribution that could be rolled over into a qualified retirement investment account.

EMPLOYEE STOCK OWNERSHIP PLAN
Notes to Financial Statements
November 3, 2023 and December 31, 2022

NOTE 1 - Description of Plan (Continued)

- H. Payment of Benefits - Upon retirement, death, or total and permanent disability of a participant, or upon participant's termination of employment with the employer, the participant or their beneficiary is entitled to a distribution of their account.

Under the provisions of the Plan, the Company is obligated to repurchase participant shares which have been distributed under the terms of the Plan as long as the shares are not publicly traded or if the shares are subject to trading limitations. There were no repurchased shares as of and for the period ended November 3, 2023, and for the year ended December 31, 2022.

- I. Voting Rights - Each participant was entitled to exercise voting rights attributable to the shares allocated to his or her account and was notified by the Trustees prior to the time that such rights should be exercised. The Trustees were not permitted to vote any allocated shares for which instructions had not been given by a participant. The Trustees were required, however, to vote any unallocated shares on behalf of the collective best interest of Plan participants and beneficiaries. As of December 31, 2021, the Plan no longer holds shares of the Company's common stock.
- J. Income Tax Status - The Plan has received a determination letter from the Internal Revenue Service dated January 29, 2015, stating that the Plan is qualified under the Internal Revenue Code (the "IRC") and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator and plan sponsor believe that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

The Plan received a letter from the IRS dated March 8, 2023, stating that the termination of the Plan does not affect its qualification for federal tax purposes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

- K. Put Option - Under federal income tax regulations, the employer stock that was held by the Plan and its participants and was not readily tradable on an established market, or was subject to trading limitations, included a put option. The put option was a right to demand that the Company buy any shares of its stock distributed to participants for which there was no market. The put price was representative of the current value of the stock. The Company could pay for the purchase in either a single payment or in up to five (5) equal annual installments (with interest on the unpaid principal balance at a reasonable rate of interest). The purpose of the put option was to ensure that the participant had the ability to ultimately obtain cash.

Notes to Financial Statements
November 3, 2023 and December 31, 2022

NOTE 2 - Summary of Significant Accounting Policies

This summary of significant accounting policies of the Plan is presented to assist in understanding the Plan's financial statements. The financial statements and notes are a representation of the Plan's management, who is responsible for their integrity and objectivity. The accounting policies described below conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Accounting - Effective April 30, 2021, the Plan's common stock investment was redeemed, and the Company resolved to terminate the Plan. The Company did not expect the Plan to be fully liquidated until 2023. In accordance with accounting principles generally accepted in the United States of America, the accompanying Statement of Net Assets Available for Benefits as of November 3, 2023 and December 31, 2022 and the Statement of Changes in Net Assets Available for Benefits for the period from January 1, 2023 through November 3, 2023 and for the year ended December 31, 2022 are presented on the liquidation basis. For periods before the decision to terminate the Plan was made, the financial statements were prepared using the on-going basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents - Cash equivalents include all highly liquid debt instruments with original maturities of three months or less.

Administrative Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Payment of Benefits - Benefits are recorded when paid.

NOTE 3 - Administration of Plan Assets

The Plan's assets, which consisted principally of cash, are held by the Trustees of the Plan. Company contributions are held and managed by the Trustees, which invest cash received, interest, and dividend income, and make distributions to participants. Certain administrative functions are performed by officers or employees of the Company or its subsidiaries. No such officer or employee receives compensation from the Plan.

NOTE 4 - Related Party and Party-In-Interest Transactions

As described in Notes 1 and 3, the Plan has a number of service providers. Such parties are parties-in-interest under ERISA.

NOTE 5 - Subsequent Events

Subsequent events were evaluated through January 9, 2024, which is the date the financial statements were available to be issued.
