INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of *OLOR LLC 401(k) Plan* (formerly known as *K.J. Stedmac 401(k) Plan*) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of *OLOR LLC 401(k) Plan* and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *OLOR LLC 401(k) Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *OLOR LLC 401(k) Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *OLOR LLC 401(k) Plan's* ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements - Continued

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 and the Schedule of Delinquent Transactions for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the *OLOR LLC 401(k) Plan* (formerly known as *K.J. Stedmac 401(k) Plan*) ("Plan"), is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of *OLOR, LLC* ("Company"). For the year ended December 31, 2021, eligible employees of *K.J. Stedmac, LLC, One Realty, LLC, OMPH, LLC, and QOAS, LLC* were also covered under the Plan. Eligible employees are those who have completed 90 days or more of service and are age 21 or older. Effective January 1, 2022, the Plan was restated to comply with the provisions of the SECURE Act, CARES Act, and the Consolidated Appropriations Act. The Plan is subject to the provisions of ERISA.

Contributions

Participants may contribute elective salary reductions up to 100 percent of their compensation as long as the total contribution does not exceed the legal dollar or percentage limits for the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contribution into various investment options offered by the Plan. The Company has the right to make discretionary matching contributions to eligible employees each plan year. The Company contributed discretionary matching contributions of 50 percent of the first 5 percent of base compensation that participants contributed to the Plan for the years ended December 31, 2022 and 2021.

Participant Accounts

Each participant's account is credited with the participant's elective salary reduction contribution, the Company's matching contribution, and Plan earnings (losses) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that could be provided from the participant's account.

Vesting

Participants are immediately vested in their elective salary reduction contributions plus actual earnings (losses) allocated thereon. The Company portion of contributions plus actual earnings (losses) are vested to participants ratably over a five-year period.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participant Loans

Participants may borrow from their fund accounts as determined by the Plan administrator. Participants may borrow a minimum of \$1,000 or any amount that does not exceed 50 percent of the participant's vested account balance as of the end of the accounting period preceding the date on which the loan is approved or \$50,000, whichever amount is smaller. The loans are secured by assignment of 50 percent of the borrower's interest in their account and each loan will bear interest at a fixed rate for the life of the loan at a rate of one percent over the prime rate. Loans for general purposes have terms ranging from 12 months to 60 months while loans related to principal residences have terms up to 180 months.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in their account.

Plan Forfeitures

The Plan uses forfeited amounts to either reduce employer contributions or to offset the Plan's administrative expenses. Employer contributions to the Plan were reduced by \$- 0 - and \$1,961 from forfeited amounts received during the years ended December 31, 2022 and 2021, respectively.

Revenue-Sharing Income

The Plan uses revenue-sharing income to directly pay for the Plan's investment management expenses. Plan revenue-sharing income used to pay investment management fees were \$17,369 and \$15,786 during the years ended December 31, 2022 and 2021, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Plan Expenses

Certain Plan expenses, including fees for investment management, recordkeeping services, and administrative expenses are paid by the Plan and are either allocated to participant accounts or are included in net appreciation (depreciation) in fair value of investments presented in the statements of changes in net assets available for benefits. All other administrative expenses, including compensation for officers and employees performing administrative functions, are paid by the Company and are excluded from these financial statements.

Subsequent Events

Management has evaluated subsequent events through October 11, 2023, the date on which the financial statements were available to be issued.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (formerly known as Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC), custodians of the Plan, for the years ended December 31, 2022 and 2021.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a group annuity contract with Empower Annuity Insurance Company of America and Empower Trust Fund. The group annuity contract, Key Guaranteed Portfolio Fund, is a fixed account that is part of the general account of Empower Annuity Insurance Company of America. The methodology for calculating the interest crediting rate is based on the earnings (loss) of the underlying assets in the entire medium long-term new portfolio compared to the minimum interest crediting rate (which will never be less than zero percent as stated in the contract) and prevailing market conditions. Interest crediting rate is reset quarterly. The group annuity contract is presented on the face of the statements of net assets available for benefits at contract value and reported with the investments at fair value under the principles of ASU 2015-12.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY - CONTINUED

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include premature termination of the contracts by the Plan, plant closings, layoffs, plan termination, bankruptcy, mergers, and early retirement incentives. The Plan does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The average yield earned by the Plan is derived by averaging the quarterly gross interest rates for the fund over the year. The average yield for the years ended December 31, 2022 and 2021, was .94 percent and .90 percent, respectively.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 1 or Level 3 inputs were available to the Plan.

Level 2 Fair Value Measurements

The fair value of the Plan's investments in registered investment companies and in the Key Guaranteed Portfolio Fund of Empower Annuity Insurance Company of America (see Note 4), also known as a fixed annuity, are based on inputs, other than the quoted prices included within Level 1, that are observable for valuing the asset or liability, either directly or indirectly. Observable inputs include quoted market prices for similar assets or liabilities in active or non-active markets.

	Fair Value Measurements at Reporting Date Using	
	Fair Value	Significant Other Observable Inputs (Level 2)
<u>December 31, 2022:</u>

Gains and losses (realized and unrealized) included in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

NOTE 6 - EXCESS CONTRIBUTIONS

To satisfy the relevant nondiscrimination provisions of the Plan for the years ended December 31, 2022 and 2021, distributions of \$6,579 and \$9,523, were made to certain active participants in February of 2023 and March of 2022, respectively.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 7 - TAX STATUS

Effective January 1, 2022, the Plan was restated via a non-standardized pre-approved plan of KDP Retirement Services, Inc., who has been informed by the Internal Revenue Service (IRS), by a letter dated June 30, 2020, that its plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, the Plan is qualified and the related trust is tax exempt. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

The Plan previously was under a non-standardized prototype plan of KDP Retirement Services, Inc., who was informed by the IRS by a letter dated March 31, 2014, that its plan was designed in accordance with applicable sections of the IRC and, therefore, the Plan was qualified and the related trust was tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies and fixed annuity contracts managed by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, custodians of the Plan, for the years ended December 31, 2022 and 2021, and LPL Financial, LLC, the investment advisor. Therefore, these transactions qualify as party-in-interest transactions. The party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 - NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2022 and 2021, it was discovered that certain participants' amounts withheld were not timely remitted to the Plan. The total amounts of late remittances contributed to the Plan during the years ended December 31, 2022 and 2021, were \$70,522 and \$200,722, respectively. The Plan sponsor remitted lost earnings to the Plan related to these late remittances.

NOTE 10 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to provisions of ERISA.

NOTE 11 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 12 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There were no reconciling items between the financial statements and Schedule H of the Form 5500 for the years ended December 31, 2022 and 2021.
