Independent Auditor's Report

Plan Administrator and Those Charged with Governance
United Industries, Inc 401(k) Plan
Bentonville, Arkansas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of United Industries, Inc 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 6, 2023, and the related statement of changes in net assets available for benefits for the six month period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of United Industries, Inc 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the six month period ended June 6, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution that is an insurance carrier agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Industries, Inc 401(k) Plan to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Merger

As discussed in Note 1 to the financial statements, the board of directors of United Industries, Inc., the Plan sponsor, voted to merge the Plan into the Securian Pooled Employer Plan and Trust effective June 1, 2023. Our opinion has not been modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Industries, Inc 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Industries, Inc 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Industries, Inc 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters -- Supplemental Schedule Required by ERISA

The supplemental schedule of delinquent participant contributions for the six month period ended June 6, 2023, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of United Industries, Inc. 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 15, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

1. Summary of Significant Plan Provisions

The following description of the United Industries, Inc 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of employees of United Industries, Inc. (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

The Plan is administered by a committee and two trustees appointed by the Company’s board of directors. Minnesota Life Insurance Company (Minnesota Life) holds the Plan assets. Securian Financial Group (Securian), a business unit of Minnesota Life, maintains the records of the participant data. Effective December 1, 2022, the retirement recordkeeping business was sold to Standard Insurance Company.

Effective, June 1, 2023, the Plan sponsor voted to merge the Plan into the Securian Pooled Employer Plan and Trust (the PEP Plan). The Plan transferred the assets into the PEP Plan on June 6, 2023, in the amount of \$5,970,356.

- b. **Eligibility** – Employees, who are not a nonresident alien, under a collective bargaining agreement, leased employees, or residents of Puerto Rico are eligible to participate in the Plan upon 1 year of service and attaining age 21. Plan entry dates are semi-annually (January 1 and July 1) following the date the eligibility requirements are met.
- c. **Contributions** – Participants may contribute through pre-tax deferrals, Roth, as well as rollover contributions. Participants can defer up to the limits set forth by the Internal Revenue Service (“IRS”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan also allows for Employer safe harbor nonelective contribution at 3% of participant’s eligible compensation. There were no safe-harbor contributions for the six-month period ended June 6, 2023. The safe-harbor contributions for the year ended December 31, 2023, will be calculated and deposited in the PEP Plan in 2024.

The Plan also provides for discretionary Employer matching contributions. There were no discretionary Employer matching contributions for the six-month period ended June 6, 2023.

The Plan allows employer profit sharing contributions. There were no Employer profit sharing contributions made for the six-month period ended June 6, 2023.

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

1. Summary of Significant Plan Provisions (cont.)

- d. **Participant accounts** – Each participant’s account is credited with the participant’s contributions, safe harbor nonelective contributions, employer matching contributions, and allocation of employer profit-sharing contributions and Plan earnings. Participant accounts are reduced with applicable withdrawals and an allocation of any administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e. **Vesting** – Participants are fully vested in their own contributions, safe-harbor nonelective contributions, plus actual earnings thereon. Employer matching contributions and profit-sharing contributions shall be fully vested upon death, disability or upon reaching normal retirement age of 65. If participants terminate employment for any other reason, they are entitled to the portion of contributions made by the Employer according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

- f. **Payment of benefits** – Upon retirement, termination of employment, or disability, a participant or beneficiary in the event of death, may elect to receive a payment of benefits in a lump sum amount equal to the value of the participant’s vested interest in his or her account. Additionally, a participant may receive an in-service withdrawal from any portion of their account upon the age 59 ½. If the participant’s account balance is equal to or less than \$5,000, the balance will be automatically distributed. Any distribution greater than \$1,000 that is made to a participant without the participant’s consent will be rolled over to an individual retirement plan designated by Minnesota Life.

The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

- g. **Forfeitures** – The portion of a participant’s account to which they are not entitled, as a result of being less than fully vested, shall be forfeited by the participants upon distribution. Forfeitures shall be used to pay plan expenses, reduce Employer contributions, or added to Employer contributions. During the Plan six-month period ended June 6, 2023, no forfeitures were utilized. The Plan had no unallocated forfeitures as of June 6, 2023, and December 31, 2022, respectively.

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

2. Summary of Significant Accounting Policies

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.
- b. **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Plan management determines the Plan's valuation policies utilizing information provided by Minnesota Life. See Note 4 for discussion on fair value measurements and Note 6 for contract value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the period.

- d. **Payment of benefits** – Benefits are recorded when paid.
- e. **Administrative expenses** – The Plan allows certain administrative expense to be paid from Plan assets.

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

3. Investments Certified by Minnesota Life

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by Minnesota Life as complete and accurate, and was not subject to any audit procedures, except for comparing the information with the related information included in the financial statements.

- a. Investments as shown in the accompanying statements of net assets available for benefits as of June 6, 2023, and December 31, 2022.
- b. Net appreciation in fair value of investments, as shown in the accompanying statement of changes in net assets available for benefits for the six-month period ended June 6, 2023.
- c. All the investment information included in the footnotes as of June 6, 2023, and December 31, 2022.

4. Fair Value Measurements

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value is categorized based on a hierarchy that gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets, unrestricted assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

4. Fair Value Measurements (cont.)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at June 06, 2023 and December 31, 2022. During the six-month period ended June 6, 2023, there were no transfers of financial instruments into or out of Level 3.

The following is a description of the valuation methodology used for assets measured at fair value:

Pooled Separate Accounts: These investments are stated at fair value as determined by the issuer of the pooled separate accounts based on the fair market value of the underlying investments, which is valued at Net asset value (NAV) of units of the pooled separate accounts. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the investments for an amount different from the required NAV. Participant transactions (purchase and sales) may occur daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis consisted of the following instrument as of December 31, 2022:

	Fair Value Measurements as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Total investment in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Investments measured at NAV*				\$ 4,230,959
Total investments at fair value				\$ 4,230,959

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation for the fair value hierarchy to the line presented on the statements of net assets available for benefits.

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

5. Investments Measured Using the Net Asset Value (NAV) per Share as a Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as a practical expedient as of December 31, 2022:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
<u>December 31, 2022</u>				
Pooled separate accounts	\$ 4,230,959	None	Daily	None

6. Fully Benefit-Responsive Investment Contracts

In 2018, The Plan entered a fully benefit responsive investment contract with Minnesota Life Insurance Company (Minnesota Life). Minnesota Life maintains the contributions in a general account. Minnesota Life is contractually obligated to repay the principal and a specific interest rate that was guaranteed to the Plan.

The investment contract is presented on the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Minnesota Life, represents contributions made under the contract, plus interest and transfers into the account, less participant withdrawals, administrative expenses, and transfers out of the account. Participants may direct the withdrawal or transfer out all or a portion of their investment at contract value to non-competing fixed funds, without redemption requirements.

The contract has no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. The crediting will not be lower than 0.25% and is reviewed on a quarterly basis for resetting. As of December 31, 2022, the crediting rate was 1.50%.

Certain events limit the ability of the Plan to transact at contract value with the contract issuer.

- Plan termination
- Discontinuance of the investment option

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value:

- The Plan is no longer deemed to be a qualified plan under the IRS.
- Plan termination
- Accumulation value under the contracts falls below
- Discontinuance of the investment option
- Amendments or modifications to the Plan documents
- Change in investment options to a competing fund

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

6. Fully Benefit-Responsive Investment Contracts (cont.)

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with Minnesota Life and that also would limit the ability of the Plan to transact at contract with the Participants.

Minnesota Life does not allow transfers from the general account to any competing investment option. Also, transfers will not be allowed from any separate account to any competing investment option within 90 days following a transfer out of the general account.

7. Related Party and Party-in-Interest Transactions

Certain administrative expenses, totaling approximately \$1,188, were paid by the Company on behalf of the Plan for the six month period ended June 6, 2023. The Company does not expect reimbursement from the Plan for these expenses. Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

All the Plan's pooled separate accounts and fully benefit-responsive investment contract accounts are issued by Minnesota Life. These transactions qualify as party-in-interest transactions under ERISA. Certain fees incurred by the Plan are included in net appreciation in fair value of investments. The Plan also made direct payments to service providers that are included in administrative expenses in the statement of changes in net assets available for benefits.

8. Tax Status

The Company adopted a Non-standardized Profit-Sharing prototype Plan (the "Prototype Plan") sponsored by Minnesota Life. The Internal Revenue Service has determined and informed the Preapproved Plan sponsor by a favorable opinion letter dated June 30, 2020, that the Prototype Plan is designed in accordance with the applicable sections of the Code. The Prototype Plan's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for benefits.

The Plan has an investment in the Securian AM S&P 500 Index that has a concentration of 45% of total investments at fair value at December 31, 2022, respectively.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	<u>June 6, 2023</u>	<u>December 31, 2022</u>
Net assets available for benefits per the financial statements	\$ -	\$ 5,547,861
Employer contributions receivable 2022	<u>-</u>	<u>(212,878)</u>
Net assets available for benefits per Form 5500	<u>\$ -</u>	<u>\$ 5,334,983</u>

The following is a reconciliation of the assets transferred out of the Plan per the financial statements to Form 5500 for the six-month period ended June 6, 2023:

Transfer out to Securian Pooled Employer Plan and Trust per the financial statements	\$ 5,970,356
Employer contributions receivable 2022	<u>(212,878)</u>
Transfer of assets from this Plan per Form 5500	<u>\$ 5,757,478</u>

The Employer contribution receivable as of December 31, 2022, was deposited in 2023 into the Securian Pooled Employer Plan and Trust before the assets were transferred from United Industries, Inc. 401(k) Plan.

UNITED INDUSTRIES, INC. 401(K) PLAN

Notes to the Financial Statements

June 6, 2023 and December 31, 2022

11. Termination of the Plan

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan at any time subject to the provisions of ERISA.

The Plan will continue with the merger to Securian Pooled Employer Plan and Trust (EIN 41-0417830). A final Form 5500 for United Industries, Inc. 401(k) Plan (EIN 71-0596548) will be filed in January of 2024.
