INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Rohlig USA, LLC 401(k) Plan

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Rohlig USA, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental Schedule H, line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare

Supplemental Information Required by ERISA (Continued)

the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ROHLIG USA, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Rohlig USA, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering all eligible employees, with the exception of union and non-resident aliens of Rohlig USA, LLC (the "Company") or (the "Plan Sponsor"), who have completed three months of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was adopted on January 1, 2005. The purpose of the Plan is to provide retirement benefits for the Company's employees. The Administrative Committee of the Plan is responsible for the Plan's oversight.

The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act of 2020 (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). These laws permit the Plan to (a) allow certain eligible individuals to receive coronavirus-related relief for loan repayment, (b) suspend required minimum distributions for 2020, and (c) delay the commencement date for required minimum distributions from age 70-1/2 to age 72 beginning January 1, 2020. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Participant Contributions

Participants may elect to defer, on a pretax basis, a portion of their eligible compensation, as defined in the Plan, subject to limits specified under Internal Revenue Code ("IRC") Sections 401(k), 404 and 415. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Elective deferral contributions can consist of either pre-tax or Roth contributions.

Effective January 1, 2022, the Plan was amended and restated to include an auto enrollment provision whereby all eligible employees will be automatically enrolled in the Plan once the eligibility requirements are satisfied, unless the participant elects not to contribute to the Plan. Participants are automatically enrolled at a deferral rate of 3% of their eligible compensation which will be invested in a designated fund determined by the Plan until changed by the participant.

A participant may, with the consent of the Plan administrator, make a rollover contribution to the Plan at any time. Rollover contributions are assets transferred to the Plan from a qualified savings plan in which an employee participated prior to their employment by the Company.

Employer Contributions

Each year, the Company will make safe harbor contributions up to a maximum of 4% of a participant's eligible compensation, as defined. The Company made safe harbor contributions of \$487,864 for the year ended December 31, 2022.

In addition, the Company may elect to make other discretionary profit-sharing contributions to the Plan. There were no discretionary profit-sharing contributions made to the Plan for the year ended December 31, 2022.

ROHLIG USA, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, any amounts rolled over from qualified savings plans, and allocations of the Company's contribution and Plan earnings or losses and is charged with certain administrative expenses. Allocations are based on participant account balances (or eligible compensation for any discretionary profit sharing contributions made), as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan's assets are held by Ascensus Trust Company, referred to as the "Trustee." Contributions by or on behalf of a participant have been invested at the election of the participant in various mutual funds administered by the Trustee. Allocations between investments can be changed at will by the participant.

Vesting

Participants are immediately vested in their voluntary contributions and the Company's safe harbor and discretionary profit-sharing contributions, including the actual earnings or losses thereon.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's interest in his or her account, partial payments, or installments over a period not to exceed the life expectancy of the participant, the joint and last survivor, or their designated beneficiary. For termination of service due to other reasons, a participant may receive the value of their interest in his or her account as a lump-sum distribution. If the benefit is over \$1,000, the participant may, at his or her option, request the Plan to distribute the benefit before the retirement date. If the benefit is \$1,000 or less, the Plan may distribute the benefit early.

Hardship withdrawals may be authorized by the Company for the following reasons: a) to assist in purchasing a primary residence; b) to assist in paying post-secondary school tuition expenses for the participant, participant's spouse and dependents for the next 12-month period; c) to assist in paying medical expenses for the participant, participant's spouse and dependents that are not covered by insurance; d) to prevent eviction or foreclosure on the participant's principal residence; e) to assist in paying for funeral expenses of a participant's parent, spouse, or dependents; and f) to assist in paying for repairs of the participant's principal residence that would qualify for a casualty loss deduction. Participants taking a hardship withdrawal may not make voluntary contributions to the Plan for six months.

ROHLIG USA, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan repayment terms may not exceed five years unless the loan is for the purchase of a principal residence, in which case the Plan administrator may permit a longer repayment term. The loans are secured by the remaining balance in the participant's account and bear interest at the prime rate plus 1% (7.27% at December 31, 2022), which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through periodic payroll deductions. A participant can only have one loan outstanding at a time.

When a loan is made, the participant's account is charged, thereby reducing the balance in the participant's account. The repayment of the loan is credited to the specific participant account including related interest. If a participant fails to make a payment when a loan is due under the terms of the loan, that participant will be in default. In the event of default, the loan shall become due and payable immediately, and interest will continue to accrue until the entire loan balance is repaid. The Plan will take all reasonable actions to collect the balance owed on the loan. Under certain circumstances, the loan in default could be considered a deemed distribution from the Plan and could be considered income to the participant. In any event, failure to repay a loan will reduce the benefit a participant would otherwise be entitled to from the Plan.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net

appreciation or depreciation in the fair market value of such investments.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recognized on an accrual basis. Delinquent participant loans are reclassified as deemed distributions based upon the terms of the Plan document. During the year ended December 31, 2022, participants defaulted on loans amounting to \$13,677. The Company has issued IRS Form 1099s to report the income generated from the defaulted loan balances to the participants.

Payment of Benefits

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

The majority of administrative expenses are paid by the Company. Administrative expenses paid by the Plan for processing of distributions or loans are allocated to participant balances.

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Plan has evaluated subsequent events through October 6, 2023, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

NOTE 3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 4. FAIR VALUE MEASUREMENTS

Assets and liabilities measured at fair value.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2022 and 2021:

	Total at December			
Description	31, 2022	Level 1	Level 2	Level 3
Mutual funds	\$ 7,061,578	\$ 7,061,578	\$ -	\$ -
Money market funds	<u>453,910</u>	<u>453,910</u>	<u>-</u>	<u>-</u>
Investments, at fair value	<u>\$ 7,515,488</u>	<u>\$ 7,515,488</u>	<u>\$ -</u>	<u>\$ -</u>

	Total at December			
Description	31, 2021	Level 1	Level 2	Level 3
Mutual funds	\$ 8,346,295	\$ 8,346,295	\$ -	\$ -
Money market funds	<u>155,715</u>	<u>155,715</u>	<u>-</u>	<u>-</u>
Investments, at fair value	<u>\$ 8,502,010</u>	<u>\$ 8,502,010</u>	<u>\$ -</u>	<u>\$ -</u>

During the years ended December 31, 2022 and 2021, there were no transfers between levels of the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 4. FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at quoted market prices, which represent the NAV of the securities held in such funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The following tables summarize investment and other asset information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from, without audit, information prepared by the Trustee and furnished to the Plan administrator. The Plan administrator has obtained a certification from the Trustee, that such information is complete and accurate.

Certified assets, at fair value, consisted of the following at December 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Investments:		
Mutual funds	\$ 7,061,578	\$ 8,346,295
Money market funds	<u>453,910</u>	<u>155,715</u>
Total investments, at fair value	7,515,488	8,502,010
Notes receivable from participants	<u>60,866</u>	<u>60,361</u>
Total certified assets	<u>\$ 7,576,354</u>	<u>\$ 8,562,371</u>

Investment income consisted of the following for the year ended December 31, 2022:

Net depreciation in fair value of investments	<u>\$ (1,685,344)</u>
Dividends	<u>\$ 121,983</u>
Interest on notes receivable from participants	<u>\$ 2,465</u>

NOTE 6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their entire account balances.

ROHLIG USA, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE 7. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee. The Trustee is also the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions. Managed account fees are paid from the participants' accounts within the Plan. Any additional expenses of the Plan are paid by the Plan Sponsor.

Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan.

NOTE 8. TAX STATUS

The Plan uses a prototype plan document sponsored by Ascensus Inc., which received an opinion letter from the IRS dated March 31, 2014, stating that the prototype document satisfied the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. Once qualified, the Plan is required to operate in conformity with the IRC in order to maintain its qualified status. Although the Plan has been amended since the third party administrator received the opinion letter from the IRS for the prototype plan adopted by the Plan, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 9. CARES ACT PROVISIONS

On March 27, 2020, the CARES Act was signed into law. The CARES Act contains several provisions affecting retirement plans in the area of distributions and loans due to the impact of COVID-19. The Plan adopted the provisions to allow for coronavirus-related distributions, taken prior to December 31, 2020, of up to \$100,000 for participants impacted by COVID-19. Such distributions are permitted to be paid back over a three-year period. The Plan also adopted the provisions to allow for coronavirus-related loans, taken from March 27, 2020 through September 22, 2020 of up to \$100,000 for participants impacted by COVID-19. Such loans are permitted to be paid back over a five-year period. The adopted provisions are required to be executed in a Plan amendment. The Plan has not yet been amended and the deadline was extended to December 31, 2025 to fully execute the amendment, according to the CARES Act.
