INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the Hopper Ventures, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hopper Ventures, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hopper Ventures, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hopper Ventures, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hopper Ventures, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hopper Ventures, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hopper Ventures, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the Hopper Ventures, Inc. 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Hopper Ventures, Inc. 401(K) Profit Sharing Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HOPPER VENTURES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1: DESCRIPTION OF THE PLAN

General

Hopper Ventures, Inc. 401(k) Plan (the "Plan") is a defined contribution plan covering substantially all of the eligible employees of Hopper Ventures, Inc. (the "Company", or "Plan Sponsor"). The Plan is a qualified plan as defined by Section 401(a) of the Internal Revenue Code and contains a provision for salary reduction contributions under Section 401(k) of the Internal Revenue Code. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

Eligibility

Non-excluded employees who have reached the age of 21 years of age and have completed 3 months of service are eligible to participate in the Plan.

Contributions

Participants may elect to contribute up to 90% of their annual pre-tax compensation, as defined, to the Plan, subject to Internal Revenue Service limitations, and may direct their contributions to various investment alternatives. Participants may also designate some or all of their contributions as an after-tax Roth contribution, subject to limitations. The contribution limit applies to any calendar year and is adjusted annually by the Internal Revenue Service. For 2021 the maximum contribution allowed for any employee was \$19,500. Additionally, participants who attain age 50 during the plan year may make "catch up" contributions of up to \$6,500 for 2021. The Plan allows rollover contributions from some other qualified retirement plans. The Company may make a discretionary matching contribution. The Plan permits the Company to make qualified nonelective contributions to those eligible participants who are not highly compensated employees as well as discretionary nonelective contributions to all eligible participants. There were no qualified nonelective or discretionary contributions made by the Company for 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the Company's contribution and (b) investment income or loss, less expenses. Income for each of the investment choices is allocated to the participants' accounts on a daily basis and is based on the relative units of participation. Benefits paid to participants under the Plan are limited to the vested balance in each participant's account.

HOPPER VENTURES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN *(Continued)*

Vesting and Payment of Benefits

Participants are immediately vested in their contributions and their actual earnings. Company matching contributions vest as follows:

Years of Service	Percentage Vested
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

If death or permanent disability occurs during employment, an employee's entire account becomes fully vested.

Upon a participant's retirement, termination, disability, or death, a participant may elect to receive the value of his or her vested interest as a lump-sum payment. Participants, upon reaching the age of 59½, may also take an in-service distribution. Upon a participant's termination, mandatory automatic distributions are made for participant balances less than \$5,000. Certain minimum distributions are required for inactive employees who have reached the age of 70½. Hardship withdrawals from employee deferrals, subject to account balance limits and applicable laws, are allowed under the Plan.

Forfeitures

Forfeitures of Company contributions due to termination of employment are used to reduce future Company contributions to the Plan. Total forfeitures for the year ended December 31, 2021 were \$0.

CARES Act

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019, which laws change the plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, increased loan limits, expanded distribution options, and delayed the commencement date for required minimum distributions.

HOPPER VENTURES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and expenses during the reporting period. Actual results could differ from those estimates.

Investments

The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade date basis.

Notes Receivable from Participants

Participants may borrow a portion of the vested balance of their account, subject to a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Participants must repay any outstanding loans before a new loan can be made. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest and are secured by the participant's vested account balance. The notes bear interest and interest income is recorded on the accrual basis.

Administrative Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to notes receivable from participants, withdrawals, and certain investment transaction fees are charged directly to the participant's account and are included in administrative expenses, net of reimbursements. Other investment-related expenses are included in net appreciation of investments.

Benefit Payments

Distributions to participants are recorded when paid.

HOPPER VENTURES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3: TAX STATUS

The Plan is an adoption of a non-standardized prototype arrangement designed by ADP, LLC. ADP, LLC received a determination letter on October 10, 2020 from the Internal Revenue Service (IRS) that qualified the prototype arrangement as tax-exempt under the appropriate sections of the Internal Revenue Code (IRC). The Plan has not yet received its own determination letter from the IRS. Although the Plan has been amended since adoption, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4: ADMINISTRATION AND INVESTMENTS

Administration

All of the Plan's investments are administered by Reliance Trust Company ("Reliance Trust"). Among other duties, Reliance Trust receives contributions, invests and reinvests the Plan's assets, collects income and makes distributions from the Plan's assets as directed by the trustee for the Plan.

Investments

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, all investment information disclosed in the accompanying financial statements and supplementary schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan.

NOTE 5: FAIR VALUE MEASUREMENTS

FASB ASC 820-10 provides standards and disclosures for assets and liabilities that are measured and reported at fair value. As defined in FASB ASC 820-10, fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price). FASB ASC 820-10 requires disclosure that establishes a framework for measuring fair value and expands disclosure about fair value measurements. The statement requires fair value measurements be classified and disclosed in one of the following categories:

HOPPER VENTURES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 5: FAIR VALUE MEASUREMENTS *(Continued)*

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: Measured based upon inputs that are observable, either directly or indirectly, for the asset or liability other than quoted market prices included in Level 1. These inputs include: a) quoted prices for similar asset or liabilities in active markets b) quoted prices for identical or similar assets or liabilities in markets that are not active c) inputs other than quoted market prices that are observable and d) inputs that are derived primarily from or corroborated by observable market data by correlation or other means.

Level 3: Measured based on unobservable inputs for the asset or liability for which there is little, if any, market activity for the asset or liability at the measurement date. This input includes management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The inputs are developed based on the best information available in the circumstances, which might include management's own data.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds and Money Market Funds

The fair value of mutual funds and money market funds is determined by obtaining quoted prices on nationally recognized securities exchanges, which are generally classified within Level 1 of the fair value hierarchy.

The following table summarizes the valuation of the Company's financial instruments by FASB ASC 820-10 pricing levels as of December 31, 2021:

	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Fair Value as of December 31, 2021
Mutual funds:				
Large U.S. equity	\$ 3,778	\$ -	\$ -	\$ 3,778

Money market	428	-	-	428
Total investments at fair value	<u>\$ 90,706</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 90,706</u>

NOTE 6: RELATED PARTY TRANSACTIONS

The Plan invests in mutual funds that are managed by the trustee. During the year ended December 31, 2019, the Plan paid Reliance Trust \$0 in administration fees that are included in administrative expenses. The Plan believes the fees charged by the trustee and its administrative fees are no different than those that would be charged by other companies engaged in managing pension assets.

NOTE 7: RISKS AND UNCERTAINTIES

Plan participants make choices regarding their investment securities, and are exposed to risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that reduction in value can occur in the near term and that such changes could materially affect participant account balances reported in the statement of net assets available for benefits.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan Subject to the provisions of ERISA. Upon termination of the Plan, each participant's account balance becomes 100% vested.

HOPPER VENTURES, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 9: INCOME TAXES

The Plan did not have unrecognized tax benefits as of December 31, 2021 and 2020 and does not expect this to change significantly over the next twelve months. The Plan will recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2021 and 2020, the Plan has not accrued interest or penalties related to uncertain tax positions.

NOTE 10: SUBSEQUENT EVENTS

Management evaluated the period from January 1, 2022 through January 11, 2023, which was the date the financial statements were available to be issued.

No subsequent events were identified through January 11, 2023, the date these financial statements were issued.
