INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
WilsonHCG, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of WilsonHCG, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WilsonHCG, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WilsonHCG, Inc. 401(k) Plan's ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WilsonHCG, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WilsonHCG, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2022 and the supplemental schedule of delinquent participant contributions for the year then ended, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of

management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the WilsonHCG, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution retirement plan covering all employees of WilsonHCG, Inc. (the “Company”, “Plan Sponsor” or “Employer”) who meet the minimum service requirements, with the exception of employees that are non-resident aliens, part-time, seasonal, or union employees under a collective bargaining agreement. Employees are eligible to participate in the Plan after three months of continuous service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Effective December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and Plan participants. Certain provision changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of required minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. As of December 31, 2022, Plan management is in process of evaluating the subsequent adoption and related impact these provision will have on the Plan.

The Plan Administrator is responsible for oversight of the Plan, determining appropriateness of the Plan’s investment offerings and monitoring investment performance.

CONTRIBUTIONS

A participant may contribute a specific percentage of pre-tax or post-tax compensation as an elective deferral, up to the lesser of 100% of their eligible compensation or the maximum dollar amount allowed by the Internal Revenue Code (“IRC”) (\$20,500 for 2022). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 for 2022. Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”).

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Participants that do not elect otherwise are automatically enrolled with a deferral rate set at 3% of eligible compensation and their contributions are invested in a designated lifecycle fund until changed by the participant. Pursuant to the Plan document, the base contribution rate of 3% is annually increased 1% on January 1st of each year, unless otherwise specified by the Plan participant. The auto increase Plan feature is capped at 6% of eligible annual employee compensation.

The Plan document requires the Company to make matching contributions equal to 25% of the first 6% of the participant's eligible compensation. In July 2021, the Plan was amended to require the Company to make matching contributions equal to 50% of the first 6% of the participant's eligible compensation. The Company may also offer a discretionary profit sharing contribution to be allocated to participants based on participants' eligible compensation. Total Company matching contributions were \$600,258 for the plan year ended December 31, 2022. No discretionary profit sharing contributions were made to the Plan during the year ended December 31, 2022.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct Employer contributions, the participant's contributions, plus any actual earnings thereon to be invested in any of the investment options offered by the Plan. Participants may change their investment options daily.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, any Rollovers into the Plan, an allocation of the Employer's matching and discretionary profit sharing contributions, if any, and Plan earnings (losses), net of administrative expenses incurred by the participant. Each participant's account is reduced by any withdrawals or distributions associated directly with the participant. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING

Participants are immediately vested in their contributions, including Rollovers, plus actual earnings thereon. Vesting in the Employer's matching and discretionary profit sharing contribution portion of their accounts is based on years of continuous service. Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan document. Participants are fully vested in their accounts upon death or total disability.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year but less than 2	20%
2 years but less than 3	40%
3 years but less than 4	60%
4 years but less than 5	80%
5 years or more	100%

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum amount of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes receivable terms range from one to five years, or longer for the purchase of a personal residence. The interest rate charged is determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The notes are secured by the participant's vested account balances and bear interest at fixed rates. As of December 31, 2022, interest rates range from 5.25% to 8.25% on outstanding notes. Principal and interest are paid ratably through payroll deductions.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or separation of service, a participant may elect to receive a lump-sum equal to the value of the participant's vested interest in his or her account. Participants may take in-service withdrawals from their vested accounts upon reaching age 59 1/2. If an employee has \$5,000 or less in his or her account and has terminated employment, the entire balance of the participant's vested account must be distributed immediately.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITED ACCOUNTS

Forfeitures are created when participants terminate employment prior to becoming vested in the Employer's matching and discretionary profit sharing contributions. Forfeitures are to be used to pay Plan administrative expenses and offset Employer matching and discretionary contributions. Any forfeitures not used to pay administrative expenses during the current year, may be applied to reduce Employer matching and discretionary profit sharing contributions in the Plan's subsequent fiscal year. At December 31, 2022 and 2021, the forfeited non-vested accounts totaled approximately \$23,000 and \$27,000, respectively. During the fiscal year ended December 31, 2022, approximately \$3,000 of forfeitures were used to pay Plan administrative expenses and approximately \$103,000 was used to reduce Employer matching contributions.

BASIS OF ACCOUNTING

The accompanying financial statements of the plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

ADMINISTRATIVE EXPENSES

The Company absorbs the majority of costs related to the Plan, with the exception of certain transaction fees paid by the Plan and loan and distribution fees paid by the participants. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, except for the Plan's fully benefit-responsive contract which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and Plan custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make the scheduled repayments, the note receivable is reduced and a benefit payment is recorded.

PAYMENTS OF BENEFITS

Benefits are recorded when paid.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. These investments are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISKS AND UNCERTAINTIES (CONTINUED)

The Plan Administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan Administrator believes minimizes these risks.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through December 20, 2023, the date these financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Annuity Insurance Company of America (the "Plan's trustee"). This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures*, are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

	As of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$8,908,191</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$8,908,191</u>

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan's portfolio includes a fully benefit-responsive guaranteed investment contract (direct contract with the Plan) with Empower Annuity Insurance Company of America (the "contract issuer") that is reported at contract value. The contract issuer maintains the contributions in a general account. The account is credited with contributions and earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the contract issuer, but it may not be less than 1%. Such interest rates are reviewed on a quarterly basis for resetting. As of December 31, 2022 and 2021, the contract value reported in the accompanying Statements of Net Assets Available for Benefits is \$80,484 and \$93,155, respectively.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party contract issuer's ability to meet its financial obligations. The contract issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be difference under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Code or the failure of the trust to be tax-exempt under Section 501(a) of the Code
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

In addition, certain events allow the contract issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreement without the consent of the issuer

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in funds managed by the Plan's trustee and, therefore, these transactions are considered party-in-interest transactions. During the plan year ended December 31, 2022 fees charged to the Plan by the Plan's trustee amounted to approximately \$6,000.

The Plan is occasionally entitled to investment revenue credits from the Plan's trustee. These credits represent the allocation of a portion of the revenue associated with funds held and are used to offset administrative costs. During the year ended December 31, 2022, the Plan received investment revenue credits of approximately \$40,000. During the year ended December 31, 2022 investment revenue credits were used to reduce Plan expenses by approximately \$28,000.

WILSONHCG, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 7 - TAX STATUS

The Plan Sponsor adopted a Non Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA (the “Pre-Approved Plan”). The Plan obtained favorable opinion letter from the Internal Revenue Service (“IRS”) on June 30, 2020, which stated that the Pre-Approved Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances.

NOTE 9 – RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2022 and 2021:

NOTE 9 – RECONCILIATION OF THE FINANCIAL STATEMENTS TO THE FORM 5500 (CONTINUED)

As of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

Deemed distributions relate to notes receivable from participants that have not been repaid timely during the year, and whose related participant accounts have not yet been distributed.

The following is a reconciliation of interest income on notes receivable from participants per the financial statements to the Form 5500 for the year ended December 31, 2022:

	<u>2022</u>
Interest income on notes receivable from participants per the financial statements	\$ 4,309
Less: post-default interest on deemed loans	<u>(67)</u>
Interest on Participants Loans per Form 5500	<u>\$ 4,242</u>

NOTE 10 – PROHIBITED TRANSACTIONS

During the years ended December 31, 2022, and 2021, participant contributions, totaling \$80,472, and \$66,625, respectively, were not remitted timely to the Plan. The United States Department of Labor (“DOL”) requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company’s general assets. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Plan Sponsor. The accompanying Supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions presents the prohibited transactions of the Plan.
