INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Rochester Management, Inc. Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Rochester Management, Inc. Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Trust Company, LLC as of December 31, 2022 and for the period from September 1, 2022 to December 31, 2022, and Reliance Trust Company as of December 31, 2021 and for the period from January 1, 2022 to August 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Rochester Management, Inc. Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Management, Inc. Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rochester Management, Inc. Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rochester Management, Inc. Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ROCHESTER MANAGEMENT, INC. SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Rochester Management, Inc. Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan established to provide retirement benefits for substantially all employees of Rochester Management, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration

The Company is the sponsor and the administrator of the Plan. Effective September 1, 2022 to December 31, 2022, Empower Trust Company, LLC (Empower) is the custodian and trustee of the Plan and also provides recordkeeping and administrative services for the Plan. From the period January 1, 2021 to August 31, 2022, Reliance Trust Company (Reliance) was the trustee and custodian of the Plan's assets and ADP Retirement Services (ADP) was the Plan's third-party administrator and provided recordkeeping services to the Plan.

Eligibility

Employees become eligible to participate in the Plan after attainment of age 21 and completion of six months of service as defined in the Plan document. Participation commences on the first day of the quarter coinciding with, or next following, attainment of eligibility requirements.

Contributions

Participants may make voluntary pre-tax and Roth contributions in the form of salary reductions based on a percentage of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Upon attainment of age 50, participants are allowed to make catch-up contributions. The Company makes matching contributions on behalf of the Plan's participants. The Company matches 100% of employee contributions on the first 2% of their eligible compensation, 50% of employee contributions on the next 1% of their eligible compensation, and 25% of employee contributions on the next 2% of their eligible compensation. Participants with ten or more years of service, if deferring at least 5% of eligible compensation, will receive an additional 1% match.

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Employees enrolled as a result of this provision must defer 2% of their compensation to the Plan. Participants can change their contribution amount at any time.

Additionally, the Company may make discretionary profit-sharing contributions as determined by its board of directors. Employees must be credited with 1,000 hours of service during a Plan year and be employed on the last day of the Plan year to be eligible to receive discretionary profit-sharing contributions. There were no profit-sharing contributions made in 2022 or 2021.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) actual earnings/losses thereon. Allocations are based on participant compensation or account balances, as defined. Plan expenses are allocated based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their elective deferrals, rollover contributions, and any earnings (losses) thereon. Company matching and discretionary profit-sharing contributions become 100% vested after three years of service. Participants are considered to have completed one year of service for vesting purposes upon completion of 1,000 hours of service at any time during the plan year.

Forfeitures

Forfeitures of non-vested account balances are used to offset Plan expenses or reduce Company contributions. The Company applied \$1,592 and \$4,683 to reduce Company contributions during the years ended December 31, 2022 and 2021, respectively. There were no amounts used to offset Plan expenses during the years ended December 31, 2022 or 2021. At December 31, 2022 and 2021, forfeited non-vested account balances available to offset future Plan expenses or Company contributions totaled \$3,573 and \$37, respectively.

Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Notes receivable are payable over a period not to exceed 5 years, except when used to acquire a principal residence. The notes receivable are secured by the remaining vested account balance and bear interest at 1% above the prime rate at the time of loan issuance, which remains fixed for the duration of the loan. Principal and interest are paid ratably through biweekly payroll deductions over the term of the loan. Participants may have two loans outstanding at any time.

Benefit Payments

Upon termination of service due to death, disability, or retirement, participants receive a distribution of their vested account balances. Participants may elect disbursement of their vested account balance in either a lump-sum amount, in installments, or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Actively-employed participants that have reached the age of 59 ½ may elect to receive in-service distributions.

Hardship Withdrawals

Hardship withdrawals are permitted from the Plan from the participant's pre-tax and Roth elective deferral accounts. All hardship withdrawals must comply with rules related to hardships, which are uniformly applicable to all participants.

Administrative Expenses

The Plan's administrative expenses are paid by both the Plan and the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board Accounting Standards Codification 820 (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 – Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is presented in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or December 31, 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit Payments

Benefit paid to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Empower, the custodian, for the period September 1, 2022 to December 31, 2022 and by Reliance, the trustee, for the period January 1, 2021 to August 31, 2022:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	<u>\$ 10,267,153</u>	<u>\$ 12,763,514</u>
Notes receivable from participants	<u>\$ 273,613</u>	<u>\$ 380,518</u>
Investment income (loss)	<u>\$ (2,118,490)</u>	<u>\$ 1,370,494</u>
Interest income on notes receivable from participants	<u>\$ 14,880</u>	<u>\$ 18,277</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,252,442	\$ -	\$ -	\$ 9,252,442
Fixed annuity	<u>-</u>	<u>1,014,711</u>	<u>-</u>	<u>1,014,711</u>
Total investments, at fair value	<u>\$ 9,252,442</u>	<u>\$ 1,014,711</u>	<u>\$ -</u>	<u>\$10,267,153</u>

4. FAIR VALUE MEASUREMENTS (Continued)

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$12,631,437	\$ -	\$ -	\$12,631,437
Common/Collective Trust	<u>-</u>	<u>132,077</u>	<u>-</u>	<u>132,077</u>
Total investments, at fair value	<u>\$12,631,437</u>	<u>\$ 132,077</u>	<u>\$ -</u>	<u>\$12,763,514</u>

The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: valued at fair value based on quoted market prices in active markets.

Fixed annuity: valued based on observable inputs of existing contracts and readily available financial information of the issuing financial institutions.

Common/collective trust (2021 investment): The Capital Preservation Fund, which primarily held investments in fully benefit-responsive contracts, was valued at fair value as calculated by the issuers using a discounted cash flow model, which considers (i) recent fee bids as determined by recognized dealers, (ii) discount rate, and (iii) the duration of the underlying portfolio securities. The fair value of the Plan's investment in the Capital Preservation Fund was based on its proportionate ownership of the underlying investments.

The Federated Capital Preservation Fund (the Capital Preservation Fund) was a common collective trust fund with underlying investments in investment contracts and was valued at fair value. The Capital Preservation Fund invested principally in guaranteed investment contracts, separate account guaranteed investment contracts, synthetic guaranteed investment contracts and a money market mutual fund, which were intended to maintain a constant net asset value.

The investment objective of the Capital Preservation Fund was stability of principal and high current income. There was no unfunded commitment and there was no redemption notice period, except related to certain employer-initiated events.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Reliance served as the trustee of the Plan's investment assets for the period January 1, 2021 to August 31, 2022. Empower served as the custodian of the Plan's investment assets for the period September 1, 2022 to December 31, 2022. As such, transactions between the custodians qualify as party-in-interest transactions. Additionally, Plan assets consist of notes receivable from participants, which qualify as party-in-interest transactions.

6. TAX STATUS

Effective September 1, 2022, the Plan is based on a prototype plan offered by Empower. The Internal Revenue Service has determined and informed Empower, by letter dated November 14, 2022, that the written form of the underlying prototype plan document is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. The Plan has not yet applied for its own determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Prior to September 1, 2022, the Plan was designed from a prototype plan sponsored by ADP, which qualified under applicable sections of the IRC and was tax-exempt.

7. RECONCILIATION TO FORM 5500

While total net assets available for benefits and the total change in net assets available for benefits agree between the financial statements and the Form 5500 as of and for years ended December 31, 2022 and 2021, certain classifications differ between the financial statements and Form 5500.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through January 16, 2024, which is the date the financial statements were available to be issued.
