INDEPENDENT AUDITOR'S REPORT

January 24, 2024

To the Plan Administrator of
The Summit Federal Credit Union 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Summit Federal Credit Union 401(k) Plan (the Plan) an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

THE SUMMIT FEDERAL CREDIT UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

1. DESCRIPTION OF PLAN

The following brief description of The Summit Federal Credit Union 401k Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers all employees of The Summit Federal Credit Union (The Summit) who meet certain eligibility criteria. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The administration of the Plan is the responsibility of The Summit Pension Committee. Principal Life Insurance Company, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and Principal Global Investors Trust Company (collectively, Principal) serve as the Plan's custodians.

Participation

Qualifying employees of The Summit, who are eighteen years of age or older, become eligible to participate in the Plan upon completion of three months of service.

Contributions

Participants may voluntarily contribute up to 100 percent of pre-tax annual compensation as defined in the Plan, subject to maximum contribution provisions imposed by the Internal Revenue Code (IRC). The Plan includes an automatic contribution provision whereby all newly eligible employees are automatically enrolled in the Plan at a deferral rate set at 6 percent of eligible compensation unless they affirmatively elect not to participate in the Plan. The Summit matching contributions are equal to 50 percent of the first 4 percent of compensation contributed by the participant to the Plan through salary deferral. Participants direct the investment of both voluntary and matching contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions, The Summit's matching contribution and an allocation of Plan earnings/losses, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings and losses thereon. Participants vest in The Summit's matching contribution after three years of service. The Plan has no partial vesting provisions.

Payment of Benefits

The Plan provides for normal retirement benefits upon reaching age 65 and has provisions for early retirement, disability, hardships, death and termination benefits for those participants who are eligible to receive such benefits. Upon termination of service, participants can elect to have a qualified rollover of their vested balance, receive an annuity, or a lump-sum distribution, as defined in the Plan document.

1. DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from participant accounts. All hardship withdrawals must comply with rules relating to hardships, which are uniformly applicable to all participants.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 or 50 percent of their vested account balances reduced by any outstanding loan balance within the past 12 months ending on the day before the new loan is made, with a minimum loan amount of \$1,000. Principal and interest is paid ratably through payroll deductions for a period not to exceed 5 years. The interest rate is determined by the Plan Administrator and is fixed over the life of the loan.

Forfeitures

In accordance with the Plan document, forfeitures of non-vested employer contributions may be used to reduce Plan administrative expenses and to reduce future employer contributions. The amount of forfeitures used to reduce employer contributions was \$19,612 and \$11,062 for the years ended June 30, 2023 and 2022, respectively. Forfeited nonvested accounts totaled \$174 and \$229 at June 30, 2023 and 2022, respectively.

Administrative Expenses

Administrative expenses of the Plan are paid from Plan assets or by The Summit.

Plan Termination

Although The Summit has not expressed any intent to do so, it has the right to terminate the Plan subject to provisions set forth by ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared in conformity with accounting principles generally accepted in the United States of America.

Investments

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements

The Plan uses various valuation techniques in determining fair value. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's estimate about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances.

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation does not entail a significant degree of judgment.

Mutual funds: Valued at fair value based on quoted market prices in active markets.

- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.

The Plan has no assets which are valued using Level 2 inputs.

- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The Plan has no assets which are valued using Level 3 inputs.

Pooled separate accounts: Reported at fair value using the net asset value (NAV) per share practical expedient. NAV for each account is calculated daily and posted by the custodian. Pooled separate accounts, with the exception of the Principal Real Estate Securities Separate Account, are valued based on quoted market prices of the underlying investments. The underlying assets of the Principal Real Estate Securities Separate Account are valued at fair value using the NAV per share practical expedient, utilizing discounted cash flow valuation models that utilize public real estate market data inputs such as transaction prices, market rents, vacancy levels, leasing absorption, market cap rates and discount rates. In addition, each property is appraised annually by an independent appraiser.

Collective investment trusts (CIT): With the exception of the Principal Stable Value fund, valued at fair value using the NAV practical expedient based on the value of the underlying investments using a market approach. The Principal Stable Value fund is valued at fair value using the NAV practical expedient, and is principally derived from the contractual terms of the underlying assets of the trust. The fair value of conventional contracts is determined using a discounted cash flow methodology where the individual contract cash flows are discounted at the prevailing interpolated yield curve rate as of year-end. Individual assets of the synthetic investment contract are generally valued at representative quoted market prices. Short-term securities, if any, are stated at amortized cost, which approximates market value. Debt securities are valued on the basis of valuations furnished by a pricing service approved by the Trustee, which determines valuations using methodology generally recognized by institutional traders. Accrued interest, if any, on the underlying investments is added to the fair value of the investments for presentation purposes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements (Continued)

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

There were no changes in valuation methodologies used during 2023 or 2022.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions in accordance with the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

3. INVESTMENT INFORMATION

The following information was certified by Principal, the custodians of the Plan, as complete and accurate and is included in the financial statements and supplemental schedule:

	<u>2023</u>	<u>2022</u>
Investments	<u>\$ 22,933,744</u>	<u>\$ 20,988,811</u>
Interest and dividends	<u>\$ 418,704</u>	<u>\$ 741,275</u>
Net appreciation (depreciation) in fair value of investments	<u>\$ 2,223,159</u>	<u>\$ (4,083,316)</u>
Schedule of Assets (Held at end of year)	Schedule I	

3. INVESTMENT INFORMATION (Continued)

The Plan's assets at fair value, within the fair value hierarchy, measured on a recurring basis, were as follows at June 30:

<u>2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$12,190,015</u>	<u>\$ -</u>	<u>\$ -</u>	\$12,190,015
Investments, at NAV				<u>10,743,729</u>
Total investments				<u>\$22,933,744</u>

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 11,532,915</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 11,532,915
Investments, at NAV				<u>9,455,896</u>
Total investments				<u>\$ 20,988,811</u>

There are no restrictions on redemptions of the Plan's investments in pooled separate accounts, and no unfunded commitments related to these investments. The investment strategies of these accounts, with the exception of the Principal Real Estate Securities Separate Account, is to invest in global and domestic equity and fixed income investments with the goal of producing favorable long-term returns primarily through appreciation of assets, dividends and interest. The investment strategy of the Principal Real Estate Securities Separate Account is to invest in commercial real estate and mortgage loans backed by the associated properties.

There are no restrictions on redemptions of the CIT's and no unfunded commitments related to these investments. The Principal Stable Value fund's primary investment objectives are to seek income while preserving principal and provide daily liquidity for participant withdrawals and transfers. The Principal Lifetime Hybrid Income CIT's primary investment objectives are to seek current income and capital appreciation. The primary investment objectives of the Principal Lifetime Hybrid Target Date CIT's are to seek total return consisting of long-term growth of capital and current income, consistent with the investment strategy of an investor who is expected to retire in the target year.

4. INCOME TAX STATUS

The plan adopted a non-standardized form of a prototype plan sponsored by Principal. The prototype plan has received an opinion letter from the Internal Revenue Service, dated June 30, 2020, as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the plan's financial statements.

5. PARTIES-IN-INTEREST

Principal serves as the custodians of the Plan's investment assets. Consequently, transactions between Principal and the Plan qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

6. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years June 30, 2023 and 2022.

7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through January 24, 2024, which is the date the financial statements were available to be issued.
