Independent Auditors' Report

The Participants and Plan Administrator Savings Plan for Employees of the Gerresheimer Companies

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Savings Plan for Employees of the Gerresheimer Companies (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained a certification from the qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

The Participants and Plan Administrator
Savings Plan for Employees of the Gerresheimer Companies
Page 3

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedules of (1) Schedule H, Part IV, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and (2) Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

Savings Plan for Employees of the Gerresheimer Companies

Notes to Financial Statements
December 31, 2022

1. Description of Plan

The following description of the Savings Plan for Employees of the Gerresheimer Companies (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all salaried and hourly employees of Gerresheimer Glass Inc. and Centor Inc. companies (together, the "Company"). Union employees become participants in accordance with their Collective Bargaining Agreement ("CBA"). A part-time employee must complete 1,000 hours of service in order to participate in the Plan. Non-union, full-time employees become eligible to participate in the Plan as follows:

- Participants in the "Employees of Centor, Inc." (GG2, GG3 and GG4) and "Nonbargained Employees of Gerresheimer Glass Inc." (GG5 and GG6) pay groups are eligible to participate immediately upon hire.
- Participants in the "Steelworkers Chicago Heights, IL" (GG7), "GMP Chicago Heights, IL" (GG7), "GMP Millville, NJ" (GG8), "Steelworkers Vineland, NJ" (GG9) and "IAM-Machinists; IAM-QC Vineland, NJ" (GG9) pay groups are eligible to participate immediately following completion of 60 days of employment with the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute up to 21% of their annual compensation, on a pre-tax and/or Roth basis, up to the maximum allowable under Internal Revenue Code ("IRC") Section 401(k), as defined in the Plan document. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans, i.e. from a prior employer, a tax-qualified annuity contract, a tax-qualified plan maintained by a government organization or a tax-exempt organization, or an individual retirement account or annuity (each, a "rollover contribution").

A matching contribution is made by the Company at different rates based on the pay group the participant belongs to. Matching contributions are made as follows unless a CBA provides otherwise:

- Participants that belong to the "Employees of Centor, Inc." (GG2, GG3, and GG4) and "Nonbargained Employees of Gerresheimer Glass Inc." (GG5 and GG6) pay groups receive a matching contribution equal to 50% of the first 8% of compensation that a participant contributes to the Plan with a maximum of 4%.
- Participants that belong to the "GMP Chicago Heights, IL" (GG7) pay group receive a matching contribution equal to 50% of the first 6% of compensation that a participant contributes to the Plan with a maximum of 3%.

1. Description of Plan *(continued)*

Contributions (continued)

- Participants that belong to the “GMP Millville, NJ” (GG8) pay group receive a matching contribution equal to 50% of the first 4% of compensation plus 25% of the next 4% of compensation with a maximum of 3%.
- Participants that belong to the “Steelworkers Chicago Heights, IL” (GG7), “Steelworkers Vineland, NJ” (GG9) and “IAM-Machinists; IAM-QC Vineland, NJ” (GG9) pay groups are not eligible for a match.

In addition, the Company contributes, on behalf of certain eligible participants, an employer base contribution, as follows:

- Participants that belong to the “Employees of Centor, Inc.” (GG2, GG3 and GG4) pay groups receive an employer base contribution equal to 1% of eligible compensation. Active participants who participated in an Owens-Illinois pension plan as of the closing date, July 31, 2007, and whose age plus service equals 40 or more “points” on July 31, 2007, will receive a special transition benefit. The special transition benefit is in addition to any other employer base contributions. This additional contribution received is based on the following “points” scale:

Age Plus Years of Vesting Service as of July 31, 2007 ("Points")	Additional Contribution as a Percentage of Eligible Compensation
40 - 49	2%
50 - 54	3%
55 - 59	4%
60 or more	5%

- Participants that belong to the “Nonbargained Employees of Gerresheimer Glass Inc.” (GG5 and GG6) pay groups receive an employer base contribution equal to 3% of eligible compensation.
- Participants that belong to the “Steelworkers Chicago Heights, IL” (GG7) pay group, who were hired prior to September 1, 2002, receive an employer base contribution equal to 2% of eligible compensation.
- Participants that belong to the “GMP Chicago Heights, IL” (GG7) pay group, who were hired prior to March 31, 2005, receive an employer base contribution equal to 2% of eligible compensation.
- Participants that belong to the “GMP Millville, NJ” (GG8) pay group receive an employer base contribution equal to 2% of eligible compensation.
- Participants that belong to the “Steelworkers Vineland, NJ” (GG9) and “IAM-Machinists; IAM-QC Vineland, NJ” (GG9) pay groups are not eligible for an employer base contribution.

1. Description of Plan (continued)

Contributions (continued)

Participants direct the investment of their contributions into various investment options. Unless another arrangement is elected, employees will automatically be enrolled for participation at a 3% pre-tax contribution rate when first eligible. In addition, an automatic contribution increase of 1% will occur on April 1 of each year, up to a maximum of 15%, unless the participant has elected otherwise.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of Company contributions, and Plan earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Loans to participants are permitted under certain conditions provided for by the Plan. Participants may borrow a minimum of \$500, and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account, and bear interest at rates that range from 4.25% to 6.50%. The loans must be repaid within five years, except for loans related to the purchase of a primary residence, which must be repaid over a period not to exceed ten years.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or annual installments. If the value of the participant's vested Plan account balance is \$5,000 or less when termination occurs, you will receive an automatic distribution of benefits following termination. The Plan allows for in-service distributions.

Vesting

Participants are immediately vested in their contributions and earnings on those contributions. Contributions made by the Company are subject to a vesting policy as follows:

- Participants in the "Employees of Centor, Inc." (GG2, GG3 and GG4) pay groups are immediately 100% vested in the Company match. The vesting for the employer base contribution is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
At least 1, but less than 2	33%
At least 2, but less than 3	66%
3 or more	100%

1. Description of Plan (continued)

Vesting (continued)

- Participants in the “Nonbargained Employees of Gerresheimer Glass Inc.” (GG5 and GG6), “GMP Chicago Heights, IL” (GG7), and “GMP Millville, NJ” (GG8) pay groups are vested in the Company match and employer base contribution as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
At least 1, but less than 2	33%
At least 2, but less than 3	66%
3 or more	100%

- Participants in the “Steelworkers Chicago Heights, IL” (GG7) pay group are vested in the employer base contribution as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
At least 1, but less than 2	33%
At least 2, but less than 3	66%
3 or more	100%

Forfeited Accounts

Forfeitures resulting from non-vested portions of participants’ account balances will be used to reduce future employer contributions and/or pay Plan expenses. At December 31, 2022 and 2021 forfeited non-vested account balances totaled \$168,739 and \$112,223. During the year ended December 31, 2022, \$63,488 of forfeitures were used to pay Plan expenses.

2. Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”), which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Savings Plan for Employees of the Gerresheimer Companies

Notes to Financial Statements

2. Summary of Significant Accounting Policies *(continued)*

Fair Value Measurements

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

Investment contracts held by a defined-contribution plan are reported at contract value, which is the relevant measurement attribute for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in investment contracts through a common/collective trust. Contract value for the common/collective trust is based on the net asset value of the fund as reported by the investment advisor.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value except for the common/collective trust which is at contract value. Mutual funds are valued at the net asset value of shares held by the Plan at year end. The Plan's interest in common/collective trusts is based on fair value of the common/collective trust's underlying investments based on information reported by the investment advisor using the audited financial statements of the common/collective trusts at year-end. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

2. Summary of Significant Accounting Policies (*continued*)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events Evaluation by Management

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is January 10, 2024.

3. Information Certified

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments held at December 31, 2022 and 2021, and net depreciation in value of investments, and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Vanguard Fiduciary Trust Company, a qualified institution.

4. Investments

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) depreciated in value by \$22,976,085 during 2022.

At December 31, 2022 and 2021 the common/collection trust has invested all of its assets in the Galliard Retirement Income Fund (the "Fund"). The values of the investments held by the Fund are based on the underlying unit value reported by the respective stable value fund.

Stable value funds invest in investment contracts and security-backed contracts. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts: the first part is a fixed-income security or portfolio of fixed-income securities; the second part is a contract value guarantee ("wrapper") provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfer, a floor crediting rate, and a return of fully accrued contract value at maturity.

Savings Plan for Employees of the Gerresheimer Companies

Notes to Financial Statements
December 31, 2022

4. Investments (*continued*)

Investments in stable value funds are carried at contract value provided by the contract issuer and are comprised of fully benefit-responsive investment contracts. Purchases and redemptions of shares may only be affected with the investee fund at contract value.

The following are the major categories of investments, measured at fair value on a recurring basis at December 31, grouped by the fair value hierarchy:

	<u>2022</u>	<u>2021</u>
	Level 1	Level 1
Mutual funds	<u>\$ 80,751,669</u>	<u>\$101,845,580</u>

5. Concentration

The following Investments represent 10% or more of the Plan's net assets available for benefits at December 31:

	<u>2022</u>	<u>2021</u>
Galliard Retirement Income Fund, Fee Class 35	\$ 11,190,512	\$ 12,907,750
Vanguard Institutional Index Fund, Inst'l Shares	10,102,226	13,312,926
Harbor Capital Appreciation Fund, Institutional Class	9,990,942	15,576,348

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer base and matching contributions added to their accounts.

7. Related-Party and Party in Interest Transactions

Certain investments are managed by the Vanguard Fiduciary Trust Company, the Plan's trustee. Accordingly, these transactions are considered party-in-interest. Fees paid by the plan to the Vanguard Fiduciary Trust Company for plan management services amounted to \$108,907 for the year ended December 31, 2022.

The Plan issues loans to its participants, which are secured by the participants' account balance. These transactions qualify as party in interest transactions that are exempt from prohibited transaction rules.

Certain administrative functions of the Plan are performed by employees of the Company. No such employee receives compensation from the Plan.

8. Tax Status

The Plan has received its latest determination letter from the Internal Revenue Service on November 3, 2014, that the Plan and its amendments dated through July 27, 2012, stating that the Plan is qualified under Section 401(a) of the IRC and, as such, is exempt from Federal income taxation.

Savings Plan for Employees of the Gerresheimer Companies

Notes to Financial Statements
December 31, 2022

8. Tax Status (*continued*)

The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Therefore, the Plan administrator believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

U.S GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine examinations by the taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

9. Prohibited Transactions

During 2022, certain participants' contributions totaling \$5,936 were remitted by the employers to the custodian later than required by the Department of Labor Regulation 2510.3-102. The Plan administrator is in the process of correcting the delinquent contributions.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Global and domestic economic uncertainty has resulted in significant volatility in financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2022 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted.

11. Excess Contributions Payable

The Plan failed the nondiscrimination test pertaining to employee pre-tax contributions for the year ended December 31, 2022. Excess contributions amounting to \$3,565 is recorded as a liability in the companying statements of net assets available for benefits and as a distribution for the year.

12. Subsequent Events

Subsequent to year end, the Plan sponsor transferred \$138,548 from the forfeiture account in order to satisfy late employer contributions.
