Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditor's Report

Finance Committee
Applewood Centers, Inc. Tax Deferred Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Applewood Centers, Inc. Tax Deferred Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate or complete and accurate to the best of their knowledge and belief.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the accompanying 2022 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 9 to the financial statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America (U.S. GAAP) require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by qualified institutions. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2021 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans. The investment income and distributions related to such accounts have also been excluded from the 2021 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. U.S. GAAP require that these accounts and the related income and distributions be included in the 2021 financial statements.

In our report dated April 14, 2022, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements.

Applewood Centers, Inc. Tax Deferred Savings Plan

Notes to Financial Statements

Note 1. Description of Plan

The following is a summary of certain provisions of Applewood Centers, Inc. Tax Deferred Savings Plan (the Plan). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Applewood Centers, Inc. (the Agency or Employer). Employees are immediately eligible to start deferral contributions. To be eligible for the employer match program, a participant must have attained at least one year of service in which they have been credited with 1,000 hours of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may contribute up to the maximum amount of pretax annual compensation as defined by the Plan and allowable under the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, as allowable by the IRC. Also, any participant who has 15 years of service with a qualified organization may make Special Code Section 403(b) Catch-up Contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Agency contributions are elective.

Effective July 1, 2020, the Plan Sponsor amended the Plan to reenact the employer match program. The employer will make a matching contribution as a uniform percentage of salary deferrals to all participants based on years of service with the employer. A year of service is equivalent to at least 1,000 hours of service. The matching contribution formula is as follows: 20% of salary deferrals for participants with one to six years of service up to 2% of eligible participant contributions; 33% of salary deferrals for participants with seven to 15 years of service up to 4% of eligible participant contributions; 50% of salary deferrals for participants with 15+ years of service up to 6% of eligible participant contributions. The participant must be employed on last day of plan year in order to receive the matching contribution.

Vesting: Effective July 1, 2020, vesting in the Agency's contributions along with the earnings thereon is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

The preceding vesting schedule will apply to all eligible employees hired on or after July 1, 2020 as well as participants with less than three years of service. Participants with three or more years of service will remain under the prior 3-Year Cliff Vesting Schedule.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of: (a) the Agency's contribution and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant account balances or employee compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through bi-weekly payroll deductions. Interest rates range from 4.25% to 6.00% as of June 30, 2022 and 2021.

Payment of benefits: On termination of service, death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic distributions in accordance with the Plan document. A participant may also make an in-service withdrawal upon attainment of age 59½ or due to financial hardship.

Note 2. Summary of Significant Accounting Policies

Forfeited accounts: At June 30, 2022 and 2021, there were no forfeited non-vested accounts. Forfeited amounts can be used to reduce future Agency contributions, if any, or to offset administrative expenses.

Basis of accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Capital gain distributions are included in interest and dividends.

Contributions: Participant contributions are recognized when they are earned.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Administrative expenses are paid by the Plan unless otherwise paid by the Agency at its discretion.

Risks and uncertainties: The Plan invests, at the direction of the participants, in various investment securities as offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

At June 30, 2022, approximately 49% of the Plan's investments are held in four accounts. As such, this is considered to be a concentration of credit risk.

Subsequent events: The Plan has evaluated subsequent events for potential recognition and/or disclosure through January 12, 2024, the date the financial statements were available to be issued.

Note 3. Information Certified by the Reliance Trust Company

The following is a summary of the Plan's asset information as of June 30, 2022 and 2021, and for the year ended June 30, 2022, included throughout the Plan's financial statements and supplemental schedule, obtained by management and agreed to or derived from information certified by Reliance Trust Company (Reliance) and Empower Retirement LLC (Empower) on behalf of Mass Mutual Life Insurance Company under a power of attorney granted to Great-West Life & Annuity Insurance Company, an affiliate of Empower, the custodians of the Plan. The Plan Administrator has obtained certifications from the custodians that information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate (Empower), and complete and accurate to the best of their knowledge and belief (Reliance). Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets.

The following table presents the assets of the Plan, as certified by the custodian, as of June 30:

	2022	2021
Investments, at fair value:		
Mutual funds	\$ 3,091,444	\$ 3,592,447
Investment, at contract value:		
Insurance company group annuity contract	91,130	129,684
	<u>\$ 3,182,574</u>	<u>\$ 3,722,131</u>
Notes receivable from participants	<u>\$ 22,405</u>	<u>\$ 22,408</u>

The custodian also certified to the completeness and accuracy of the following for the year ended June 30, 2022:

Net depreciation in fair value of investments	<u>\$ (767,996)</u>
Interest and dividends	<u>\$ 169,406</u>
Interest income on notes receivable from participants	<u>\$ 1,037</u>

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Applewood Centers, Inc. Tax Deferred Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022 and 2021.

Mutual funds: Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of June 30:

Description	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,091,444	\$ -	\$ -	\$ 3,091,444

Description	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,592,447	\$ -	\$ -	\$ 3,592,447

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

Applewood Centers, Inc. Tax Deferred Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The Company evaluates the significance of transfers between levels based upon the nature of the asset and size of the transfer relative to total net assets available for benefits. For the years ended June 30, 2022 and 2021, there were no transfers in or out of Levels 3 assets.

Note 5. Contract With Insurance Company

The Plan's entered into a traditional investment contract with Massachusetts Mutual Life Insurance Company. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the traditional investment contract at June 30, 2022 and 2021, was \$91,130 and \$129,684, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The contract does permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment
5. Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures of spin-offs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

Applewood Centers, Inc. Tax Deferred Savings Plan

Notes to Financial Statements

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has a right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants shall be 100% vested in their accounts and the trustee shall distribute account balances to participants in accordance with the Plan.

Note 7. Tax Status

The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore is exempt from income taxes. No provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Party-in-Interest Transactions

Certain Plan investments include investments managed by, or are affiliates of, the Custodian and, therefore these transactions qualify as party-in-interest transactions. Administrative expenses paid by the Plan for the investment management services amounted to \$37,653 for the year ended June 30, 2022.

Note 9. Excluded Contracts

There may have been certain annuity and custodial accounts issued to current and former employees without the Plan Administrator's knowledge prior to January 1, 2009. As permitted by the United States Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, these annuity and custodial accounts, if any, have been excluded from the Plan's investments. In addition, investment income and distributions, if any, related to such potential accounts have also been excluded from the statement of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

The Plan Administrator has not determined the amount of these excluded annuity and custodial accounts and the related income and distributions because records relating to these are not available or do not exist, but believes such amounts to not be material to the Plan's financial statements.

Note 10. Subsequent Events

Effective in July 2022, the custodian of the Plan was changed to Great-West Trust Company.
