Financial Statements and Supplementary Information

Including Independent Auditor's Report

As of June 30, 2023 and 2022

and for the Year Ended June 30, 2023

INDEPENDENT AUDITOR'S REPORT

January 15, 2024

To the Plan Administrator of
Main Event Entertainment, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audit of the financial statements of Main Event Entertainment, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprised the statements of net assets available for benefits in liquidation as of June 30, 2023, and the related statement of changes in net assets available for benefits in liquidation for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, had elected to have the audit of Main Event Entertainment, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held were prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management had obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the year ended June 30, 2023, that stated that the certified investment information, as described in Note 8 to the financial statements, was complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards were further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We were required to be independent of the Main Event Entertainment, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believed that the audit evidence we had obtained was sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Change in Basis of Accounting

As described in Note 2 to the financial statements on June 24, 2022 the Plan Sponsor resolved to terminate the Plan and began liquidation proceedings. As a result the Plan changed its basis of accounting from the going concern basis to the liquidation basis of accounting on July 1, 2022. Our opinion is not modified with respect to that matter.

Prior Period Financial Statements

The financial statements as of June 30, 2022, were audited by Howard, LLP, who merged with Bonadio & Co., LLP as of November 1, 2023. Howard LLP performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated April 13, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedules, other than the information in the 2022 supplemental schedules that agreed to or was derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determines met the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management was responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that were free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit did not affect management's responsibility for the financial statements.

In preparing the financial statements, management was required to evaluate whether there were conditions or events, considered in the aggregate, that raised substantial doubt about Main Event Entertainment, Inc. 401(k) Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Management was also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that were presented and disclosed in the financial statements were in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to have determined the benefits due or which may have become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives were to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that included our opinion. Reasonable assurance is a high level of assurance but was not absolute assurance and therefore was not a guarantee that an audit conducted in accordance with GAAS would have always detected a material misstatement when it existed. The risk of not detecting a material misstatement resulting from fraud was higher than for one resulting from error, as fraud may have involved collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements were considered material if there was a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercised professional judgment and maintained professional skepticism throughout the audit.
- identified and assessed the risks of material misstatement of the financial statements, whether due to fraud or error, and designed and performed audit procedures responsive to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtained an understanding of internal control relevant to the audit in order to have designed audit procedures that were appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Main Event Entertainment, Inc. 401(k) Plan's internal control. Accordingly, no such opinion was expressed.
- evaluates the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluates the overall presentation of the financial statements.
- concludes whether, in our judgment, there were conditions or events, considered in the aggregate, that raised substantial doubt about Main Event Entertainment, Inc. 401(k) Plan's ability to have continued as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for having obtained and read the certification, compared the certified investment information with the related information presented and disclosed in the financial statements, and having read the disclosures related to the certified investment information to assess whether they were in accordance with the presentation and disclosure requirements of the liquidation basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit was not to express an opinion about whether the financial statements as a whole were presented fairly, in all material respects, in accordance with the liquidation basis of accounting.

INDEPENDENT AUDITOR'S REPORT

(Continued)

We were required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year), as of or for the year ended June 30, 2023 were presented for purposes of additional analysis and were not a required part of the financial statements but were supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information was the responsibility of management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, had been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or was derived from the certified investment information, we compared such information to the related certified investment information.

In having formed our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, were presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or was derived from the certified investment information, was presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agreed to, or was derived from, in all material respects, the information prepared and certified by an institution that management determined met the requirements of ERISA Section 103(a)(3)(C).

Main Event Entertainment, Inc. 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the Main Event Entertainment, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

Plan termination. The Company had the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon Plan termination, participants became 100 percent vested in their employer contributions. On June 29, 2022, Main Event Entertainment, Inc. was acquired by another Company and all employees as of that date were no longer Main Event Entertainment, Inc. employees and are no longer eligible for this Plan. In addition, on June 24, 2022, Main Event Entertainment, Inc. adopted a resolution to terminate the Main Event Entertainment, Inc. 401(k) Plan. All assets of the Plan were transferred per participant's direction, either by rollover or distribution, subsequent to the date of the resolution of the Plan termination but no later than December 29, 2022. Plan termination occurred on June 30, 2023.

General. The Plan was a defined contribution plan established effective January 1, 2001. The Plan covered all employees, excluding union employees and nonresident aliens employees, of Main Event Entertainment, Inc. (the Company) who were age 21 or older. The Plan required a participant to be employed as of year end to be eligible to receive employer contributions. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan Administrator was responsible for oversight of the Plan. The Plan's investment committee determined the appropriateness of the Plan's investment offerings, monitored investment performance, and reported to the Plan's Plan Administrator.

Contributions. Each year, participants were allowed to contribute a percentage of pretax annual compensation, as defined in the plan document, up to the maximum limits of the Internal Revenue Code (IRC). Participants could also designate all or a portion of their deferral contributions as after-tax contributions into a Roth account. Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions.

1. Description of Plan (continued)

Contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of their contributions into various investment options offered by the Plan. Additional profit sharing amounts could be contributed at the option of Main Event Entertainment, Inc. For the year ended June 30, 2023, there were no profit sharing contributions to the Plan. Additional discretionary amounts could be contributed by the Company at the option of the Main Event Entertainment, Inc. For the year ended June 30, 2022, the Company approved a \$591,160 discretionary contribution to the Plan, which was reduced by forfeitures noted in Note 1 below. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts. Each participant's account was credited with the participant's contributions, allocations of the Company's discretionary contributions and an allocation of the Plan's earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Vesting. Participants were vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts was based on years of continuous service. A participant was 100 percent vested after 3 years of credited service.

Notes receivable from participants. Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans were secured by the balance in the participant's account. The loan interest rate, determined annually, was set at 1 percent above the prime rate, as defined. Principal and interest were paid ratably through monthly payroll deductions. Terms ranged from 1 to 5 years or greater for the purchase of a primary residence. Upon final distribution, notes receivable were deemed distributed.

1. Description of Plan (continued)

Payment of benefits. On termination of service due to death, disability, retirement, or other reasons, a participant could elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In addition, the Plan allowed for hardship distributions if certain criteria were met.

Forfeited accounts. At June 30, 2023 and 2022, forfeited nonvested accounts totaled \$0 and \$113,119, respectively. These accounts were used to reduce future employer contributions or to pay plan administrative expenses. During 2023, employer contributions for plan year end 2022 were reduced by \$128,430, from forfeited nonvested accounts, in accordance with plan provisions.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting in 2022. On July 1, 2022 the Plan adopted the liquidation basis of accounting, as such the financial statements of the Plan were prepared on the liquidation basis of accounting in 2023. Liquidation basis of accounting presents assets and liabilities at the estimated amount of cash the Plan expects to collect or pay to settle its obligations during the course of liquidation.

Use of Estimates

The preparation of financial statements in accordance with the liquidation basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments were reported at fair value (except for the fully benefit-responsive investment contract, which was reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determined the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company, as applicable. See Note 3 for discussion of fair value measurements.

The Plan's investment in the fully benefit-responsive investment contract was reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation (depreciation) included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed as incurred. No allowance for credit losses had been recorded as of June 30, 2022.

Payment of Benefits

Benefits were recorded when paid.

2. Summary of Accounting Policies (continued)

Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments

Subsequent Events

Subsequent events were evaluated through January 15, 2024, the date the financial statements were available to be issued.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability

Notes to Financial Statements

3. Fair Value Measurements (continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

Assets at Fair Value as of June 30, 2022	Level 1	Total
	\$	\$
Mutual funds	\$ 6,619,322	\$ 6,619,322
Total investments at fair value	\$ 6,619,322	\$ 6,619,322

4. Fully Benefit-Responsive Investment Contracts

The Plan held a traditional fully benefit-responsive guaranteed investment contract, for which contributions were maintained in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Main Event Entertainment, Inc. 401(k) Plan
Notes to Financial Statements

4. Fully Benefit-Responsive Investment Contracts (continued)

These contracts met the fully benefit-responsive investment contract criteria and therefore were reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the sponsoring trustee, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The traditional investment contract held by the Plan was a guaranteed investment contract. The contract issuer was contractually obligated to repay the principal and interest at the specified interest rate that was guaranteed to the Plan. The crediting rate was based on a formula established by the contract issuer but could not be less than 0 percent. The crediting rate was reviewed on for resetting. The contract could be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due was dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could have been affected by future economic and regulatory developments.

Certain events may have limited the ability of the Plan to transact at contract value with the issuer. These events could be different under each contract. Such events include:

1. amendments to the Plan documents (including complete or partial Plan termination or merger with another plan);
2. changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
3. bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan;
4. the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; or,
5. premature termination of the contract.

4. Fully Benefit-Responsive Investment Contracts (continued)

On June 24, 2022 the plan sponsor adopted a resolution to terminate the Main Event Entertainment, Inc. 401(k) Plan including premature termination of the contract which did not have a material effect on the financial statements.

5. Related-Party and Party In Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary to the Plan or party rendering services to the Plan, the employer and certain others. As such, transactions conducted with the Company, the Company's employees, trustee, custodian, auditor and third-party administrator qualify as party-in-interest transactions.

The Plan invested in certain funds managed by the plan trustee which qualified as party-in-interest transactions. No officer or employee received compensation from the Plan.

6. Tax Status

The Plan adopted a prototype plan offered by ADP, LLC. The prototype plan received an IRS Determination Letter dated October 6, 2020, that the Plan and related trust were designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the IRS Determination Letter, the plan administrator believed that the Plan was designed, and was operated, in compliance with the applicable requirements of the IRC, and, therefore believed that the Plan was qualified, and the related trust was tax exempt.

Plan management was required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan had taken an uncertain position that more likely than not would not have been sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks.

8. Information Certified by Trustee

The plan administrator had elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for 2023 and 2022. Accordingly, Reliance Trust Company, the Trustee of the Plan, had certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying Statements of Net Assets Available for Benefits as of June 30, 2023 and 2022, and the information included in the supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of June 30, 2023, and the related investment activity reported in the Statement of Changes in Net Assets Available for Benefits for the year ended June 30, 2023.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2023 and 2022, to Form 5500:
