Independent Auditor's Report

To the Plan Administrator
Printful, Inc. 401(k) Plan
Charlotte, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audits of the financial statements of Printful, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Printful, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Printful, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures

include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Printful, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Printful, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets held and schedule of delinquent participant contributions as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PRINTFUL, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1. Description of the Plan

The following description of Printful, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan and covering substantially all employees of Printful, Inc. (the "Company"). The Plan document and related provisions were adopted effective January 1, 2021 and restated effective June 17, 2022 for Internal Revenue Service Cycle 3 for the qualified pre-approved 401(k) plan documents. Employees may participate in the Plan after obtaining age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year, participants may contribute a percentage between 1% and 90% of their pretax or after-tax compensation, as defined by the Plan, not to exceed the annual limits as defined by the Internal Revenue Code. Participants who have attained the age of 50 before the end of the year are eligible to make catch-up contributions. Participants may contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options and participants may change their allocations among the various investment options at any time.

The Employer matches fifty percent on the first four percent of participants compensation which is deferred as an elective deferral. For the year ended December 31, 2022, there were employer contributions of \$48,558.

Vesting - Plan participants are always 100% vested in rollover contributions, employee contributions and any earnings thereon. Matching contributions and any earnings thereon will be vested in accordance with the following schedule:

Years of Service for Vesting	Vesting Percentag
1	20%
2	40%
3	60%
4	80%
5	100%

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1. Description of the Plan (continued)

Participant Accounts - Each participant's account is credited with the participant's contributions, employer matching contributions, rollover contributions and earnings, and is charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and common collective trust funds as investment options for participants.

Payment of Benefits - Payment of benefits from a participant's account may be made only for the following reasons: termination of employment, financial hardship, in-service at 59 1/2, retirement, death or disability. Upon occurrence of one of these events and upon election of the participant, the Plan will distribute to the participant 100% of the participant's vested account balance. A participant may receive an installments or lump sum amount equal to the value to the participant's vested interest in his or her account. Also, Participant may partial withdraw his or her Rollover account balance. The Plan Sponsor may elect to distribute funds to terminated participants through the mandatory involuntary cash-out provision, for any balances less than \$5,000 directly to the participant.

Forfeitures - At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$1,352 and \$2,056 respectively. Forfeiture amounts are used to reduce future Company contributions or pay Plan expenses.

Recordkeeping and Investment Expenses - The Plan's fees and expenses are paid either by the Plan or the Plan Sponsor as provided by the Plan document.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting - The accompanying financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States.

Payment of Benefits - Benefits paid to participants are recorded when paid.

Use of Estimates - The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States requires that the Plan administrator make estimates and use assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates. The Plan administrator is not aware of any condition or event that is likely to severely affect its estimates in the near-term.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PRINTFUL, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 2. Summary of Significant Accounting Policies (Continued)

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of net appreciation in fair market value of investments for such investments.

Subsequent Events - The Plan has evaluated subsequent events through the report date, which is the date, the financial statements were available to be issued.

Note 3. Information Prepared by and Certified by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the trustee and furnished to the Plan administrator. The Plan administrator has obtained certifications from Reliance Trust, the trustee, that information provided to the Plan administrator by the trustee related to the following investments is complete and accurate.

Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's ("DOL's") Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2022</u>	<u>2021</u>
Common collective trust, at fair value	\$ 3,816	\$ 3,613
Mutual funds, at fair value	<u>652,143</u>	<u>515,503</u>
	<u>\$ 655,959</u>	<u>\$ 519,116</u>

	<u>2022</u>
Total investment income - interest and dividends	<u>\$ 16,084</u>
Net depreciation in fair value of investments	<u>\$ 112,315</u>

Note 4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

PRINTFUL, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 4. Fair Value Measurements (continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by the observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

Shares of registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collect trust: Valued at the NAV as a practical expedient of units of a collective trust. The NAV is based on the fair value of the purchase price and redemption price of units at the close of each day. The unit value equals the total value of each asset held by the fund, less any liabilities, dividend by the total number of units outstanding on the valuation date which is daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 4. Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual Funds	\$ 652,143	\$ -	\$ -	\$ 652,143
Investments measured using net assets per share practical expedient - Common/Collective trust				3,816 *
Total Investments				\$ 655,959

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual Funds	\$ 515,503	\$ -	\$ -	\$ 515,503
Investments measured using net assets per share practical expedient - Common/Collective trust				3,613 *
Total Investments				\$ 519,116

* The plan invests in common/collective trust funds which trade at the net asset value (NAV) per share as a practical expedient of the fund. These funds are not categorized within the fair value hierarchy.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Note 5. Fair Value of Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)

The following table sets forth additional disclosures of the Plan for December 31, 2022 and 2021:

2022				
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Putnam Stable Value 25 - CCT	\$3,816	\$-0-	Daily	None
2021				
Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Putnam Stable Value 25 - CCT	\$3,613	\$-0-	Daily	None

PRINTFUL, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7. Income Tax Status

The Plan has timely adopted a restated, via a non-standardized adoption agreement, pre-approved plan. The plan was restated on June 17, 2022. The pre-approved plan has received an opinion letter from the IRS dated October 6, 2020, whereby the IRS stated that the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). While the Plan cannot rely on the pre-approved's opinion letter, the Plan administrator believes that the Plan has been operated in compliance with the applicable requirements of the IRC and, therefore, believes that the plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be substantiated upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their accounts.

Note 9. Exempt Party-In-Interest Transactions

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Fees paid by the Plan to ADP Retirement Services, Inc. for administrative services amounted to \$5,729 for the year ended December 31, 2022.

PRINTFUL, INC. 401(K) PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 10. Concentrations in Credit Risk

Plan assets are mostly invested with two investment management companies. Such investments are subject to credit and market risk associated with (1) the credit worthiness of the investment management company, (2) the credit worthiness of underlying issuers, and (3) fluctuations in market value inherent with changes in economic conditions.

Note 11. Plan Restatement

The plan was restated on June 17, 2022 for the Cycle 3 qualified pre-approved 401(k) plan documents as required by the Internal Revenue Service.

Note 12. Prohibited Transactions

During the plan years ended December 31, 2022 and 2021, the Plan Sponsor did not remit to the plan's trust certain employee contributions including loan repayments totaling \$10,364 for 2022 and \$37,344 for 2021 within the period prescribed by Department of Labor regulations. Delays in remitting contributions to the trust were due to administrative errors, and the Plan Sponsor intends to calculate lost earning and make corrections to the affected participants' accounts. Plan management is working to correct these late deposits in accordance with U.S. Department of Labor and/or Internal Revenue Service guidelines. The plan administrator for the Company are in the process of evaluating whether this has any material effects on the Plan's financial statements and the impact on the Plan or the Plan's participants.
