Brian Combs, CFO Energy Services Holdings (Parent of JW Powerline)

And Authorized Plan Administrator

November 15, 2023

JW Powerline assets were sold in July of 2022 and the company was closed. The 401K plan was properly terminated on December 31, 2022. The administration of the plan was assigned to the controller of an affiliate company, however this person left employment in February 2023.

As the controller of another affiliate, I was assigned to review JWP, engaged a firm to complete an audit of the 401K as required to file the 5500. The audit was completed just before the 5500 deadline, however, I did not realize this did not include filing the 5500.

We understand the importance of IRS deadlines and respectfully request waiver of penalties.
