## **Independent Auditor's Report**

To the Plan Committee of the  
Thornton Employee Savings (401(k)) Plan  
Louisville, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Thornton Employee Savings (401(k)) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [“ERISA Section 103(a)(3)(C) audit”]. The financial statements comprise the statements of net assets available for benefits as of April 19, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the period and year then ended, respectively, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL’s”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from qualified institutions as of and for the period ended April 19, 2023 and the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**THORNTON EMPLOYEE SAVINGS (401(k)) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**APRIL 19, 2023 AND DECEMBER 31, 2022**

**(1) DESCRIPTION OF PLAN**

The following description of the Thornton Employee Savings (401(k)) Plan (the “Plan”) provides only general information. Participants should refer to the plan document and Summary Plan Description for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan established by Thorntons LLC (the “Company”) effective as of October 1, 1975, covering substantially all employees of the Company and its affiliates included in the controlled group who have completed 30 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective July 29, 2022, the Plan was restated to incorporate prior amendments, reflect changes in qualification requirements, and reflect certain legislative and regulatory changes. However, the restatement did not have a significant impact on the Plan’s provisions or operations.

See Note 5 for discussion of the Company’s decision to freeze the Plan effective March 31, 2023, and the plan merger in April 2023.

**Contributions**

Participants may make salary deferrals from 1% to 50% of total compensation, as defined in the plan document, subject to limitations imposed by Internal Revenue Code (“IRC”) regulations. Eligible participants are also permitted to make special pre-tax catch-up contributions in accordance with IRC regulations and rollover contributions representing distributions from other qualified defined benefit plans, defined contribution plans or individual retirement accounts.

The Plan is a safe harbor plan that requires Company salary deferral matching contributions, limited to 4% of eligible compensation. Participants must have completed one year of service and be 18 years of age or older to be eligible to receive safe harbor Company matching contributions. For the plan period ended April 19, 2023, safe harbor Company matching contributions totaling \$376,611 were accrued, and were subsequently remitted to the successor plans after the plan merger discussed in Note 5.

Participants direct the investment of their contributions and the Company’s contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a unitized common stock fund as investment options for participants. Participants may change their investment elections at any time.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, employer contributions and an allocation of plan earnings, and charged with an allocation of plan losses and administrative expenses. Allocations are based on participant compensation, account balances or specific transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately 100% vested in their contributions and employer safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary profit sharing and salary deferral matching contributions made prior to the adoption of the safe harbor plan effective January 1, 2013 is based on years of continuous service. Participants are 100% vested in their employer contributions made prior to January 1, 2013 after five years of credited service. Forfeiture accounts, if applicable, will be used to reduce future employer contributions or pay for plan expenses. As a result of the plan merger discussed in Note 5, participants became 100% vested in all employer contributions as of March 31, 2023.

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 and a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years or up to ten years for the purchase of a primary residence. The loans are secured by the remaining vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions.

**Payment of Benefits**

On termination of service due to death, disability, retirement or other reasons, participants may elect to receive a lump sum amount equal to the value of their vested account balance. The Plan also provides for in-service distributions for participants who have reached age 59½ (minimum distribution amount of \$1,000) or for financial hardships. Separated participants with vested account balances exceeding \$1,000 may elect to defer benefits until reaching normal retirement age. The Plan also allows distributions of rollover balances for any reason with a minimum distribution of \$1,000.

(2) **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Capital gain distributions from mutual funds are included in dividend income. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for mutual fund investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for these investments.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and April 19, 2023, no allowance for credit losses has been recorded. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. The interest rates on notes receivable from participants outstanding at December 31, 2022 ranged from 4.25% to 8.00%.

**Administrative Expenses**

Some administrative expenses are paid by the Company and some are paid by the Plan. Those that were paid by the Plan are reflected in the accompanying financial statements. Employees of the Company perform certain administrative functions for the Plan. Neither the Company nor its employees receive compensation from the Plan.

**Payment of Benefits**

Benefits are recorded when paid. At April 19, 2023 and December 31, 2022, there were no allocated amounts to participants who had elected to withdraw from the Plan, but had not yet been paid.

**Subsequent Events**

Management has evaluated whether any subsequent events that require recognition or disclosure in the accompanying financial statements and related notes thereto have taken place through January 12, 2023, the date these financial statements were available to be issued.

**(3) FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observed for the asset; or inputs that are derived principally from or can be corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs are used only if Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented.

The following table presents the balances of the Plan's investments within the fair value hierarchy measured at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
<b>December 31, 2022:</b>				
Mutual funds	\$ 52,980,602	\$ -	\$ -	\$ 52,980,602
Unitized common stock fund	4,449,397	-	-	4,449,397
	<hr/>			
Investments, at fair value	\$ 57,429,999	\$ -	\$ -	\$ 57,429,999
	<hr/>			

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation techniques and related inputs used for assets measured at fair value for the period ended April 19, 2023 and the year ended December 31, 2022.

**Mutual Funds**

The fair value of mutual funds is based on the quoted net asset value (“NAV”) of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the United States Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

**Unitized Common Stock Fund**

Investments in the unitized common stock fund are valued at quoted market prices.

Gains and losses included in changes in net assets available for benefits for the period ended April 19, 2023 and the year ended December 31, 2022, are reported in net appreciation (depreciation) in fair value of investments.

**(4) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Fees paid by the Plan to the trustees, service providers or affiliates of the trustees, custodians or service providers for the administration of the Plan are reflected in the statements of changes in net assets available for benefits. Administrative fees paid by the Plan to Newport Trust Company or its affiliates and PNC Bank or its affiliates, the trustee and custodian of the Plan, were \$20,447 and \$22,500, respectively, for the period ended April 19, 2023. Administrative fees paid by the Plan to Newport Trust Company or its affiliates and PNC Bank or its affiliates were \$90,049 and \$22,500, respectively, for the year ended December 31, 2022. These party-in-interest transactions are exempt from the prohibited transaction rules under ERISA.

**(5) PLAN MERGER**

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

In March 2023 the Company amended the Plan to (1) cease contributions and the addition of new participants effective on March 31, 2023, (2) to transfer Plan assets and liabilities related to individuals who will be eligible as of April 1, 2023 to participate in the BP Employee Savings Plan (“BP ESP”), and (3) approve the merger of the remaining Plan assets and liabilities into the BP DirectSave Plan (“BP DSP”) immediately following the transfer of assets. In addition, all participants became 100% vested in their Plan accounts as of March 31, 2023. Plan assets totaling \$62.1 million were transferred to the BP ESP and BP DSP in April 2023.

**(6) TAX STATUS**

The Plan is based on a pre-approved plan which has received a favorable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, that the pre-approved plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

U.S. GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

**(7) RISKS AND UNCERTAINTIES**

The Plan invests in mutual funds and a unitized common stock fund that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with the investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

**(8) INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Management has obtained certifications from Newport Trust Company as of and for the period ended April 19, 2023 and as of and for the year ended December 31, 2022, stating that the certified investment information is complete and accurate.
