Retirement Committee  
Spreedly Inc. 401(k) Plan  
Durham, North Carolina

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements***

We have performed an audit of the financial statements of the Spreedly Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certification from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section,

- the amounts and disclosures in the 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters — 2022 Supplemental Schedules Required by ERISA***

The supplemental schedules, as listed in the accompanying table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Report on Compiled 2021 Financial Statement***

Plan management is responsible for the accompanying 2021 financial statement of the Plan, which comprises the statement of net assets available for benefits as of December 31, 2021, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the 2021 financial statement, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the 2021 financial statement.

## **SPREEDLY INC. 401(K) PLAN**

Notes to Financial Statements

December 31, 2022 and 2021

### **NOTE 1: DESCRIPTION OF PLAN**

The following description of the Spreadly Inc. (the “Company” or the “Plan Sponsor”) 401(k) (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

#### **General**

The Plan is a defined contribution plan that was established effective January 1, 2016. The Plan covers all eligible employees of the Plan Sponsor, who are at least 21 years of age and have completed one month of service. During 2022 and 2021, a member of the Company’s management served as the Plan’s trustee. Voya Institutional Trust Company (the “Trustee”) serves as the direct trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

#### **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### **Contributions**

Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan, subject to Internal Revenue Service (“IRS”) 401(k) elective deferral maximums. The Plan permits pretax and Roth elective deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make additional contributions, known as catch-up contributions, up to the maximum amount allowed by IRS regulations as defined by the Plan. The Plan has an automatic enrollment feature that automatically enrolls eligible participants into the Plan. The automatic elective deferral contribution is 5% of compensation with no escalation. Rollover contributions from other qualified plans are allowed.

In addition, the Company may make a discretionary employer matching contribution to each participant based on the participant’s elective deferrals. For 2022, the discretionary employer matching contribution was 5% of the participant’s annual compensation, up to a maximum of \$5,000. The Company may also contribute employer nonelective contributions determined in its sole judgment. The Company made no employer nonelective contributions to participants during 2022. Total contributions are subject to Plan and IRS limitations.

#### Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their aggregate account balance. Participants may only have one loan outstanding at any time. Loan terms range from one to five years, unless the loan is for a principal residence, then the term may be extended to 350 months. The loans are secured by the balance in the participant's account and bear interest at a rate of 2% above the Prime rate at the time of the loan. Principal and interest is paid ratably through payroll deductions.

#### Forfeited Accounts

Forfeitures represent nonvested discretionary employer matching or employer nonelective contributions of participants who have terminated their employment with the Company. Forfeited accounts are used at the discretion of the Plan Sponsor as permitted by the Plan's provisions. As of December 31, 2022 and 2021, there were \$17,722 and \$7,760 in forfeited nonvested accounts. For the year ended December 31, 2022, \$25,059 in forfeitures were used to reduce discretionary employer matching contributions.

## **NOTE 1: DESCRIPTION OF PLAN (concluded)**

### **Payment of Benefits**

A participant's account is distributed based on his or her election in installments, a lump sum, or any combination of the two under the Plan document upon retirement, death, or disability. Upon termination of employment, an employee with a vested balance greater than \$5,000 can elect to have his or her account balance remain in the Plan. Distributions may be made at the participant's election prior to termination upon attainment of age 59½ or hardship, as defined in the plan document.

## **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Benefits are recorded when paid.

### **Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

Investments are reported at fair value. The group annuity insurance contract is valued using net asset value ("NAV") as a practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

### **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)**

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

#### **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

### **NOTE 3: INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE**

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held as of December 31, 2022 and 2021, net depreciation in fair value of investments, and interest and dividends for 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

### **NOTE 4: FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

### NOTE 4: FAIR VALUE MEASUREMENTS (continued)

The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for investments measured at fair value. There have been no changes to the methodology used as of December 31, 2022 and 2021.

***Money market and mutual funds*** - Valued at the daily closing price as reported by the fund. The money market fund and mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

### Investments Valued Using NAV as a Practical Expedient

As of December 31, 2022 and 2021, the group annuity insurance contract held by the Plan is valued using NAV as a practical expedient. As of December 31, 2022 and 2021, the fair value of the group annuity insurance contract was \$16,612 and \$13,832. This account has a daily redemption frequency and a redemption notice period no longer than 12 months. There are no unfunded commitments. Were the Plan to initiate a full redemption of the group annuity insurance contract, the Trustee reserves the right to temporarily delay withdrawal from the contract to ensure that liquidation will be carried out in an orderly business manner.

### NOTE 5: RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in certain funds managed by the Trustee. These transactions qualify as party in interest transactions that are exempt from the prohibited transaction rules under ERISA. Fees incurred by the Plan for the investment management services are included in net depreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to the Trustee totaling \$36,337 for the administration of notes receivable and distributions to participants. The Company pays directly any other fees related to the Plan's operations.

### NOTE 6: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021:

|                                                                | <u>2022</u>         | <u>2021</u>         |
|----------------------------------------------------------------|---------------------|---------------------|
| Net assets available for benefits per the financial statements | \$ 6,154,187        | \$ 5,505,424        |
| Contributions receivable per the financial statements          | (49,080)            | (49,728)            |
| Net assets available for benefits per the Form 5500            | <u>\$ 6,105,107</u> | <u>\$ 5,455,696</u> |

The following is a reconciliation of net increase in net assets available for benefits per the financial statements for the year ended December 31, 2022, to the Form 5500:

|                                                     |                   |
|-----------------------------------------------------|-------------------|
| Net increase in net assets per financial statements | \$ 648,763        |
| Less current-year contributions receivable          | (49,080)          |
| Add prior-year contributions receivable             | <u>49,728</u>     |
| Net increase in net assets per Form 5500            | <u>\$ 649,411</u> |

The differences between the net assets available for benefits and the net increase in net assets available for benefits per the Plan's financial statements, and net assets available for benefits and the net increase in net assets available for benefits per the Form 5500 are because the financial statements were prepared using the accrual basis of accounting, and the Form 5500 was prepared using the cash basis of accounting.

Notes to Financial Statements

December 31, 2022 and 2021

### **NOTE 7: INCOME TAX STATUS**

The Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Voya Retirement Insurance and Annuity Company Non-Standardized Pre-Approved Profit Sharing/Money Purchase/Cash or Deferred Arrangement Plan, as then designed, is qualified under Section 401(a) of the Internal Revenue Code ("IRC"), and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. The plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by federal and state tax authorities.

### **NOTE 8: DELIQUENT PARTICIPANT CONTRIBUTIONS**

Title I of ERISA requires that all employee contributions be submitted to the Plan as soon as administratively possible, but no later than the 15th business day of the month following the month of being withheld from compensation. During 2022, participants' contributions totaling \$28,923 were not remitted timely. Lost earnings on these contributions have not been remitted to the Plan as of the financial statement issuance date.

### **NOTE 9: SUBSEQUENT EVENTS**

The Plan Sponsor has evaluated subsequent events through the report date, the date the financial statements were available to be issued, and determined that no events have occurred that would require adjustment to or disclosure in these financial statements.
