INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the Presidium Property Management, LLC 401(K) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Presidium Property Management, LLC 401(K) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year ended December 31, 2022 and for the period from May 15, 2021 to December 31, 2021, and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Presidium Property Management, LLC 401(K) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and as of December 31, 2021 and for the period from May 15, 2021 to December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Presidium Property Management, LLC 401(K) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that

are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect Plan management's responsibility for the financial statements.

In preparing the financial statements, Plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Presidium Property Management 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Plan management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Presidium Property Management, LLC 401(K) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Presidium Property Management, LLC 401(K) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 and 2021 and Schedule H, Line 4(a) – Schedules of Delinquent Participant Contributions for the period from May 15, 2021 to December 31, 2021 and year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Presidium Property Management, LLC 401(K) Retirement Savings Plan (the "Plan") provides only general information. The Plan became effective on May 15, 2021. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Presidium Property Management, LLC (the "Company"). Employees who are non-resident aliens or members of a union are not eligible to participate in the Plan. Employees must be 21 years of age and have one month of service to become eligible to participate in the Plan. After completing all eligibility requirements, eligible employees may enter the Plan on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Lincoln National Life Insurance Company ("Lincoln") is the custodian of the Plan and provides recordkeeping services to the Plan.

Contributions

Each year, participants may contribute a percentage of their pretax annual compensation, as defined in the Plan document, provided that in no event shall a participant elect to contribute more than the maximum allowed by law. Contributions may also be designated as Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for rollovers from other qualified plans.

Effective January 1, 2022, the Company will make safe harbor matching contributions, each pay, equal to 100 percent of the participant's contributions up to 3 percent of the participant's base compensation plus 50 percent of the participant's contributions greater than 3 percent of the participant's base compensation but not exceeding 5 percent of compensation.

Additionally, the Company may elect to make discretionary employer matching contributions to the Plan; any discretionary employer matching contributions will be allocated as a uniform percentage of employee contributions up to a maximum of 2 percent of compensation. For the period from May 15, 2021 to December 31, 2021, the discretionary matching employer contribution was 2 percent of the base compensation that participants contribute to the Plan. For the year ended December 31, 2022, the Company did not elect to make any discretionary employer matching contributions.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, safe harbor matching contributions and discretionary employer matching contributions, if any, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferrals, rollover contributions and safe harbor matching contributions plus actual earnings thereon.

Participants shall be vested in discretionary employer matching contributions based on their years of service in accordance with the following schedule:

Years of Service	Vested Percentage
Less than 1 year	0%
More than 1 year but less than 2 years	20%
More than 2 years but less than 3 years	40%
More than 3 years but less than 4 years	60%
More than 4 years but less than 5 years	80%
5 years or more	100%

A year of service for vesting purposes is 1,000 hours of service. A participant is also 100% vested in their discretionary employer matching contributions if, during the plan year, the participant attains normal retirement age (65), becomes permanently and totally disabled, or dies.

Forfeited Accounts
Forfeitures are used at the discretion of the Plan administrator and are generally used to pay administrative expenses or to offset any employer contributions. The total unallocated forfeiture account balance was $9,430 and $0 as of December 31, 2022 and 2021, respectively. During the year ended December 31, 2022 and for the period from May 15, 2021 to December 31, 2021, there were no forfeitures used.

Notes Receivable from Participants
Participants may borrow from their fund accounts at a minimum amount equal to $1,000 up to a maximum amount equal to the lesser of $50,000 or 50 percent of their vested account balances. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime interest rate on the effective date of the note; interest rates on loans outstanding as of December 31, 2022 range from 6.50% to 8.00% with maturities through 2027. Principal and interest are paid ratably through payroll deductions. Loan terms shall not extend beyond five years from the date of the loan, unless the loan is for the purchase of a participant's primary residence. A participant may have only one loan outstanding at any given time.

Payment of Benefits
On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. If a distribution is not requested and the balance is between $1,000 and $5,000, the account balance will be transferred by the Plan administrator to an individual retirement account established on behalf of the participant. In circumstances when a terminated participant has a vested account balance less than or equal to $1,000, the participant's vested account balance shall be distributed in a lump sum. In-service and hardship distributions are also permitted from participant accounts, based on the terms of the Plan document.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting
The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodian, trustee, insurance company and investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants (participant loans for Form 5500 reporting purposes) are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants during 2022.

Payments of Benefits
Benefits are recorded when paid.

Administrative Expenses
All reasonable administrative expenses, including custodial and third-party administration fees necessary to operate and administer the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses of maintaining the Plan that are paid directly by the Company are excluded from these financial statements. A participant's account may be charged for expenses associated with a specific optional feature elected by that participant and are included in administrative expenses. Certain investment-related expenses are included in the net appreciation (depreciation) in fair value of investments.

3. Information Certified by Qualified Institutions

The Plan administrator having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements and ERISA-required supplemental schedules of assets (held at end of year) was obtained or derived from information obtained by the Plan administrator and certified as complete and accurate by The Lincoln National Life Insurance Company, custodian of the Plan and qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment activity, including net appreciation (depreciation) in fair value of investments and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2022, and for the period from May 15, 2021 to December 31, 2021.
- The information for all pooled separate accounts and participant loans listed in the schedules of assets (held at end of year) as of December 31, 2022 and 2021 as shown in the ERISA-required supplemental schedules.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value ("NAV") or equivalent based on units of the pooled separate accounts. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future returns. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. All investments in the Plan are valued using the NAV per share practical expedient.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021:

Investment Type	Fair Value December 31, 2022	Fair Value December 31, 2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 935,653	$ 218,304	$ -	Daily	Daily

The Plan's pooled separate accounts are invested in a variety of funds designed to mirror the investment strategies of similar registered investment companies (mutual funds), including equity style funds, fixed income style funds, target date and blended funds. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a pooled separate account, the insurance company or custodian reserves the right to temporary delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

5. Tax Status

Effective May 15, 2021, through the adoption of a CCH Incorporate, dba ftwilliams.com Non-Standardized Pre-Approved Profit Sharing Plan with CODA, Basic Plan Document ("Pre-Approved Plan Document"), the Plan became effective. The Internal Revenue Service ("IRS") issued an opinion letter dated June 30, 2020, stating that the Pre-Approved Plan Document as then designed was in accordance with applicable Internal Revenue Code ("IRC") requirements. Management of the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for incomes taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As the Plan became effective during 2021, all years remain subject to income tax examination as of December 31, 2022 and 2021.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in any employer contributions for which they were not already vested and the custodian would distribute account balances as permitted by the Plan document.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related-Party and Party-In-Interest Transactions

Lincoln provides custodial services to the Plan. Plan investments include pooled separate accounts managed by Lincoln. Additionally, for participants who have elected to take a participant loan, the loans are secured by the respective participant's account balance. Therefore, these qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations. Fees paid by the Plan amount to $11,836 for the year ended December 31, 2022, and $260 for the period from May 15, 2021 to December 31, 2021.

During 2021, the Company failed to remit to the Plan's custodian certain employee contributions totaling $19,475 within the period prescribed by the Department of Labor regulations. During 2024, the Plan Sponsor plans to make contributions to the affected participants' accounts to compensate those participants for potential lost income due to the processing delays. The Company believes that these transactions do not affect the tax status of the Plan and is taking action prescribed by the regulations to remedy such errors.

9. Reconciliation to Form 5500

The following is the reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	$ 944,771	$ 183,197
Excess contributions payable	-	35,107
Net assets available for benefits per the Form 5500	$ 944,771	$ 218,304

The following is a reconciliation of the changes in net assets available for benefits for the year ended December 31, 2022 and for the period from May 15, 2021 to December 31, 2021 per the financial statements to the net income reported in the 2022 and 2021 Form 5500s:

	2022	2021
Changes in net assets available for benefits per the financial statements	$ 761,574	$ 183,197
Change in excess contributions payable	(35,107)	35,107
Net income per the Form 5500	$ 726,467	$ 218,304

10. Subsequent Events

The Plan has evaluated subsequent events through January 31, 2024, the date the financial statements were available to be issued.

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the Presidium Property Management, LLC 401(K) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Presidium Property Management, LLC 401(K) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the year ended December 31, 2022 and for the period from May 15, 2021 to December 31, 2021, and the related notes to the financial statements.

Plan management, having determined it is permissible in the circumstances, has elected to have the audits of the Presidium Property Management, LLC 401(K) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained certifications from a qualified institution as of and for the year ended December 31, 2022 and as of December 31, 2021 and for the period from May 15, 2021 to December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Presidium Property Management, LLC 401(K) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Plan Management for the Financial Statements

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that

are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect Plan management's responsibility for the financial statements.

In preparing the financial statements, Plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Presidium Property Management 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Plan management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Presidium Property Management, LLC 401(K) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Presidium Property Management, LLC 401(K) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022 and 2021 and Schedule H, Line 4(a) – Schedules of Delinquent Participant Contributions for the period from May 15, 2021 to December 31, 2021 and year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Presidium Property Management, LLC 401(K) Retirement Savings Plan (the "Plan") provides only general information. The Plan became effective on May 15, 2021. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Presidium Property Management, LLC (the "Company"). Employees who are non-resident aliens or members of a union are not eligible to participate in the Plan. Employees must be 21 years of age and have one month of service to become eligible to participate in the Plan. After completing all eligibility requirements, eligible employees may enter the Plan on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Lincoln National Life Insurance Company ("Lincoln") is the custodian of the Plan and provides recordkeeping services to the Plan.

Contributions

Each year, participants may contribute a percentage of their pretax annual compensation, as defined in the Plan document, provided that in no event shall a participant elect to contribute more than the maximum allowed by law. Contributions may also be designated as Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows for rollovers from other qualified plans.

Effective January 1, 2022, the Company will make safe harbor matching contributions, each pay, equal to 100 percent of the participant's contributions up to 3 percent of the participant's base compensation plus 50 percent of the participant's contributions greater than 3 percent of the participant's base compensation but not exceeding 5 percent of compensation.

Additionally, the Company may elect to make discretionary employer matching contributions to the Plan; any discretionary employer matching contributions will be allocated as a uniform percentage of employee contributions up to a maximum of 2 percent of compensation. For the period from May 15, 2021 to December 31, 2021, the discretionary matching employer contribution was 2 percent of the base compensation that participants contribute to the Plan. For the year ended December 31, 2022, the Company did not elect to make any discretionary employer matching contributions.

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, safe harbor matching contributions and discretionary employer matching contributions, if any, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferrals, rollover contributions and safe harbor matching contributions plus actual earnings thereon.

Participants shall be vested in discretionary employer matching contributions based on their years of service in accordance with the following schedule:

Years of Service	Vested Percentage
Less than 1 year	0%
More than 1 year but less than 2 years	20%
More than 2 years but less than 3 years	40%
More than 3 years but less than 4 years	60%
More than 4 years but less than 5 years	80%
5 years or more	100%

A year of service for vesting purposes is 1,000 hours of service. A participant is also 100% vested in their discretionary employer matching contributions if, during the plan year, the participant attains normal retirement age (65), becomes permanently and totally disabled, or dies.

Forfeited Accounts
Forfeitures are used at the discretion of the Plan administrator and are generally used to pay administrative expenses or to offset any employer contributions. The total unallocated forfeiture account balance was $9,430 and $0 as of December 31, 2022 and 2021, respectively. During the year ended December 31, 2022 and for the period from May 15, 2021 to December 31, 2021, there were no forfeitures used.

Notes Receivable from Participants
Participants may borrow from their fund accounts at a minimum amount equal to $1,000 up to a maximum amount equal to the lesser of $50,000 or 50 percent of their vested account balances. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime interest rate on the effective date of the note; interest rates on loans outstanding as of December 31, 2022 range from 6.50% to 8.00% with maturities through 2027. Principal and interest are paid ratably through payroll deductions. Loan terms shall not extend beyond five years from the date of the loan, unless the loan is for the purchase of a participant's primary residence. A participant may have only one loan outstanding at any given time.

Payment of Benefits
On termination of service, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. If a distribution is not requested and the balance is between $1,000 and $5,000, the account balance will be transferred by the Plan administrator to an individual retirement account established on behalf of the participant. In circumstances when a terminated participant has a vested account balance less than or equal to $1,000, the participant's vested account balance shall be distributed in a lump sum. In-service and hardship distributions are also permitted from participant accounts, based on the terms of the Plan document.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting
The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodian, trustee, insurance company and investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gain and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants (participant loans for Form 5500 reporting purposes) are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Excess Contributions Payable
Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants during 2022.

Payments of Benefits
Benefits are recorded when paid.

Administrative Expenses
All reasonable administrative expenses, including custodial and third-party administration fees necessary to operate and administer the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses of maintaining the Plan that are paid directly by the Company are excluded from these financial statements. A participant's account may be charged for expenses associated with a specific optional feature elected by that participant and are included in administrative expenses. Certain investment-related expenses are included in the net appreciation (depreciation) in fair value of investments.

3. Information Certified by Qualified Institutions

The Plan administrator having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements and ERISA-required supplemental schedules of assets (held at end of year) was obtained or derived from information obtained by the Plan administrator and certified as complete and accurate by The Lincoln National Life Insurance Company, custodian of the Plan and qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments at fair value and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment activity, including net appreciation (depreciation) in fair value of investments and interest income on notes receivable from participants, as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2022, and for the period from May 15, 2021 to December 31, 2021.
- The information for all pooled separate accounts and participant loans listed in the schedules of assets (held at end of year) as of December 31, 2022 and 2021 as shown in the ERISA-required supplemental schedules.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value ("NAV") or equivalent based on units of the pooled separate accounts. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future returns. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. All investments in the Plan are valued using the NAV per share practical expedient.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021:

Investment Type	Fair Value December 31, 2022	Fair Value December 31, 2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	$ 935,653	$ 218,304	$ -	Daily	Daily

The Plan's pooled separate accounts are invested in a variety of funds designed to mirror the investment strategies of similar registered investment companies (mutual funds), including equity style funds, fixed income style funds, target date and blended funds. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a pooled separate account, the insurance company or custodian reserves the right to temporary delay withdrawal from the account in order to ensure that securities liquidations will be carried out in an orderly business manner.

5. Tax Status

Effective May 15, 2021, through the adoption of a CCH Incorporate, dba ftwilliams.com Non-Standardized Pre-Approved Profit Sharing Plan with CODA, Basic Plan Document ("Pre-Approved Plan Document"), the Plan became effective. The Internal Revenue Service ("IRS") issued an opinion letter dated June 30, 2020, stating that the Pre-Approved Plan Document as then designed was in accordance with applicable Internal Revenue Code ("IRC") requirements. Management of the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for incomes taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As the Plan became effective during 2021, all years remain subject to income tax examination as of December 31, 2022 and 2021.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in any employer contributions for which they were not already vested and the custodian would distribute account balances as permitted by the Plan document.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related-Party and Party-In-Interest Transactions

Lincoln provides custodial services to the Plan. Plan investments include pooled separate accounts managed by Lincoln. Additionally, for participants who have elected to take a participant loan, the loans are secured by the respective participant's account balance. Therefore, these qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations. Fees paid by the Plan amount to $11,836 for the year ended December 31, 2022, and $260 for the period from May 15, 2021 to December 31, 2021.

During 2021, the Company failed to remit to the Plan's custodian certain employee contributions totaling $19,475 within the period prescribed by the Department of Labor regulations. During 2024, the Plan Sponsor plans to make contributions to the affected participants' accounts to compensate those participants for potential lost income due to the processing delays. The Company believes that these transactions do not affect the tax status of the Plan and is taking action prescribed by the regulations to remedy such errors.

9. Reconciliation to Form 5500

The following is the reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	$ 944,771	$ 183,197
Excess contributions payable	-	35,107
Net assets available for benefits per the Form 5500	$ 944,771	$ 218,304

The following is a reconciliation of the changes in net assets available for benefits for the year ended December 31, 2022 and for the period from May 15, 2021 to December 31, 2021 per the financial statements to the net income reported in the 2022 and 2021 Form 5500s:

	2022	2021
Changes in net assets available for benefits per the financial statements	$ 761,574	$ 183,197
Change in excess contributions payable	(35,107)	35,107
Net income per the Form 5500	$ 726,467	$ 218,304

10. Subsequent Events

The Plan has evaluated subsequent events through January 31, 2024, the date the financial statements were available to be issued.
