Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sunmet Packing & Cold Storage, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sunmet Packing & Cold Storage, LLC 401(k) Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sunmet Packing & Cold Storage, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunmet Packing & Cold Storage, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sunmet Packing & Cold Storage, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sunmet Packing & Cold Storage, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUNMET PACKING & COLD STORAGE, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

NOTE 1: DESCRIPTION OF PLAN

The following brief description of the Sunmet Packing & Cold Storage, LLC 401(k) Plan (the Plan) provides only general information. The Plan has been adopted by the following employers: Sunmet Packing & Cold Storage, LLC, Etchegaray Farms, LLC, and Sunmet Juice Company, LLC (the Company). Participants should refer to the plan document for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering substantially all eligible employees of the company. It is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – An employee of the Company will become eligible to participate in the Plan after completing six months of service with the Company and attaining age 21.

Administration – The Plan is sponsored and administered by the Company. Costs of administering the Plan that are not offset by the revenue sharing received from the investments and the direct fees assessed to participants are paid by the Company.

Employee Contributions – Each year, participants may make pre-tax salary deferrals up to the maximum amount allowed by law ($20,500 and $19,500 in 2022 and 2021, respectively). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions ($6,500 in 2022 and 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit plans, defined contribution plans or traditional IRAs.

Employer Contributions – The Company has elected to make the Safe Harbor Basic Match contribution for all eligible participants, which is equal to 100% of the first 3% of compensation deferred plus 50% of the next 2% of compensation deferred. The Company may also make discretionary profit sharing contributions. Total contributions are subject to limits established by the Internal Revenue Code.

Participant Accounts – Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Company's matching and discretionary profit sharing, if any, contribution and investment earnings, and charged with withdrawals and an allocation of investment losses and fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their salary deferral, rollover, and Safe Harbor match contributions plus actual earnings thereon. Employer profit sharing contributions vest on a six-year graduated schedule. In the event of death, disability or retirement, a participant's interest in employer contributions becomes fully vested.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Forfeitures – Forfeitures (participants' allocated interest in plan assets which are not vested because employment is terminated before the vesting period is complete) remain subject to being restored for five years after a participant terminates employment. Forfeiture occurs when the participant withdraws vested amounts or on the valuation date following the participant's one-year break-in-service. Forfeited nonvested accounts totaled $0 for the year ended December 31, 2022. The forfeitures may be used to offset future contributions or to pay plan administrative expenses.

Payment of Benefits – In the event of termination of service, death, disability or retirement, a participant's vested interest in the Plan is distributed as a lump sum, as soon as administratively feasible.

Investment – Participants are allowed to direct their contributions and the related matching and sharing contributions by the Company into any of the various investment options offered by the Plan.

Notes Receivable From Participants – Participants may borrow a minimum of $1,000 up to the lesser of $50,000 or 50% of the participant's vested account balance. Participant loans are to be repaid with interest at least quarterly and in a time period not to exceed five years, unless the loan is for the purchase of the participant's principal residence, in which case the loan term may be longer. Participant loans bear a reasonable interest rate as determined by the plan administrator. Participants are allowed to have two (2) loans outstanding at the same time. The interest rate on outstanding participant loans is 6.75%.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (continued)

The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Administrative expenses – The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions from the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in earnings on investments presented in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits – Benefits are recorded when paid.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

This space left blank intentionally.
See next page for continuation of notes.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Common/Collective Trusts (CCTs). CCTs are investment options which are maintained by a bank, trust company, or similar institution, that is regulated, supervised, and subject to periodic examination by a state or federal agency, for the collective investment and reinvestment of assets. Each CCT is valued at net asset value of assets comprising the trust. The net asset value is used as a practical expedient to estimate the fair value.

Pooled Separate Accounts (PSAs). PSAs are investment options that invest solely in shares of an underlying mutual fund, a collective investment trust, or an exchange traded fund. Each PSA is valued at the net asset value of assets comprising the accounts. The net asset value is used as a practical expedient to estimate the fair value.

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth, by level within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2022			
	Level 1	**Level 2**	**Level 3**	**Total**
Total assets in the fair value hierarchy	**$ 0**	**$ 0**	**$ 0**	$ 0
Investments measured at net asset value (a)				1,273,811
Investments at fair value				**$ 1,273,811**

	Assets at Fair Value as of December 31, 2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Total assets in the fair value hierarchy	**$ 0**	**$ 0**	**$ 0**	$ 0
Investments measured at net asset value (a)				1,470,392
Investments at fair value				**$ 1,470,392**

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Transfers between Levels - For years ended December 31, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

This space left blank intentionally.
See next page for continuation of notes.

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common/Collective Trusts	$ 741,543	n/a	Daily	12 months
Pooled separate accounts	532,268	n/a	Daily	12 months
Investments measured at net asset value	**$ 1,273,811**			

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Common/Collective Trusts	$ 874,351	n/a	Daily	12 months
Pooled separate accounts	596,041	n/a	Daily	12 months
Investments measured at net asset value	**$ 1,470,392**			

NOTE 4: RELATED-PARTY TRANSACTIONS

Certain plan investments are managed by Principal Life Insurance Company ("Principal"). Principal is the custodian as defined by the Plan and, therefore, transactions with this entity qualify as exempt party-in-interest transactions. The Plan paid expenses related to plan operations and investment management to various service providers.

NOTE 5: PLAN TERMINATION

Although termination of the Plan is not presently contemplated, the Company does have the right to terminate the Plan at any time, subject to the provision set forth in ERISA. In the event of termination, participants become 100% vested in their employer discretionary profit sharing contributions.

NOTE 6: INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Principal Life Insurance Company, the custodian of significantly all assets, has certified to the completeness and accuracy of:

1. Investments as of December 31, 2022 included on the accompanying statements of net assets available for benefits.
2. Net depreciation in fair value of investments, interest, benefits paid to participants and administrative expenses, included on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
3. Investments reflected on the supplemental schedule of assets (held at end of year).

NOTE 7: FEDERAL INCOME TAX STATUS

The IRS ruled on June 30, 2020, that the non-standardized preapproved plan document used by the Plan is qualified, in form, under Section 401(a) of the Internal Revenue Code (the "Code") and the underlying trust is, therefore, exempt from federal income tax under Section 501(a) of the Code. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the U.S Federal jurisdiction. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2022 and 2021, to Form 5500:

	2022	2021
Net assets available for benefits per the financial statements	$ 1,329,459	$ 1,568,245
Contribution due to plan, not reported on Form 5500, Schedule H	(6,880)	(4,501)
Net assets available for benefits per the Form 5500	**$ 1,322,579**	**$ 1,563,744**

Contributions:	Employee Deferrals	Employer Match
Per the financial statements	$ 203,386	$ 100,881
Amounts due to plan	(1,321)	(1,058)
Per the Form 5500	**$ 202,065**	**$ 99,823**

NOTE 10: SUBSEQUENT EVENTS

Management has evaluated subsequent events through January 29, 2024 (date financial statements available to be issued) and determined no events have occurred subsequent to December 31, 2022 that would require adjustment to or disclosure in the financial statements.
