INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Commercial Residential Aluminum &
Fabricating, LLC 401K Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Commercial Residential Aluminum Fabricating, LLC 401K Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Reliance Trust Company as of December 31, 2022 and for the period from September 17, 2022 to December 31, 2022, and from Empower as of December 31, 2021 and for the period from January 1, 2022 to September 16, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Prior Year Financial Statements – Accountant's Compilation Report

Plan management is responsible for the accompanying financial statement of Commercial Residential Aluminum Fabricating, LLC 401K Profit Sharing Plan, which comprises the statement of net assets available for benefits as of December 31, 2021, in accordance with the accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. We do not express an opinion, a conclusion, nor provide an assurance on the 2021 financial statement.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit

conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has

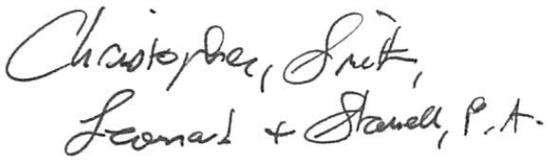

been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Commercial Residential Aluminum & Fabricating, LLC 401(K) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Commercial Residential Aluminum & Fabricating, LLC (the Company). Employees who are residents of Puerto Rico are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees who are at least twenty-one (21) years of age and have completed two (2) months of service are eligible to make elective salary deferrals into the Plan pursuant to the Plan. Employees who are at least twenty-one (21) years of age and have completed twelve (12) consecutive months of service during which the employee completes 1,000 hours of service are eligible for any employer profit sharing contribution pursuant to the Plan. Employer profit sharing initial contributions for newly eligible participants commence either January 1st or July 1st whichever is first subsequent to completion of twelve months of qualified service. Participants who are eligible for to make salary deferrals to the Plan are generally eligible for the safe harbor contributions pursuant to the Plan.

Contributions

Participants may contribute to the Plan on a pretax or Roth basis between 1% and 90% of their annual compensation (subject to Internal Revenue Service (IRS) limitations). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). The Company, at its discretion, may make profit sharing contributions to the Plan. For 2022, no profit sharing contributions were made by the Company. The Plan is a safe harbor plan. As a result, the Company makes a safe harbor matching contribution equal to 100% of salary deferrals not to exceed 3% of a participant's compensation, plus 50% of the participant's salary deferral between 3% and 5% of compensation.

Participants direct the investment of their contributions into various investment options offered by the Plan. The participants may change their investment elections at any time.

Notes Receivable from Participants

Participants are able to obtain loans from the assets of the Plan using their individual account balances as collateral. Participants are limited to only one outstanding Plan loan. Loan amounts cannot exceed the lesser of $50,000 or 50% of the participant's vested account balance and must have a minimum amount of $500. Each loan shall bear interest at a rate determined by the Plan Administrator in accordance with current appropriate standards. Principal and interest is paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution, and plan earnings/(losses), and charged with an allocation of administrative expense. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary pre-tax 401(k), Roth 401(k), and rollover contributions, as well as safe harbor contributions, plus actual earnings thereon. Additionally, participants become fully vested in all of their accounts in the event of disability, death or attaining normal retirement age while employed with the Company.

Vesting in Company discretionary profit sharing contributions in participant accounts is based on their years of continuous service as follows:

Vesting Service (whole years)	Vesting Percentage
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of Benefits

Upon termination of service, (due to termination, normal retirement, death or disability or reaching age 59 ½), or financial hardship (as defined by the IRS and specified in the Plan), a participant may elect to receive a distribution equal to the value of his or her vested account balance, as described in the Plan.

Upon reaching normal retirement age of 65, participants are entitled to all of their accounts under the Plan. The Plan follows IRS guidance for minimum distributions for participants reaching age 70 ½. If a vested account balance does not exceed $5,000 a distribution will be made as a single lump-sum payment. For account balances greater than $5,000, a distribution may be made as a single lump-sum, in installment payments or partial withdrawals of at least $500. For vested accounts that exceed $1,000, but do not exceed $5,000, the Plan will rollover a distribution to an IRA.

Forfeitures

The forfeitures for the non-vested portion of the Company's contributions can be used to pay Plan administrative expenses or reduce the Company's contributions. During the year, the Company did not use any forfeitures. At year end, there are no material forfeitures.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated by the employer, each participant's benefits become fully vested.

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Payment of Benefits
Benefits are recorded when paid.

Estimates
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Actual results could differ from these estimates.

Change in Legislation
In December 2022, Securing a Strong Retirement Act (Secure 2.0) was passed into law. The provisions of Secure 2.0 continue the themes and reforms that began with the 2019 Secure Act. Most of the provisions will become effective in 2024 and forward, therefore there is no current impact to the Plan. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation/(depreciation) in fair value of investments, and interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company and Empower, the custodians of the Plan. The information certified includes total investments at December 31, 2022 and 2021 of $2,583,546 and $2,511,611, respectively, as well as related investment losses of $401,014, and interest and dividends of $2,140 for the year ended December 31, 2022.

All investment gains and losses are included in net appreciation/(depreciation) in fair value of investments in the Statement of Changes in Net Assets Available for Benefits. This classification is consistent with the presentation in Form 5500.

During 2022, the Plan's investments, (including gains and losses on investments bought and sold, as well as held during the year) appreciated/(depreciated) in value by $(401,014).

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 - FAIR VALUE MEASUREMENTS – CONTINUED

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021. The plan recognizes transfers of assets into and out of levels as of the date or change in circumstances causes the transfer. There were no significant transfers between level 1 and level 2.

Mutual fund accounts invest principally in equity securities, fixed income instruments and short term instruments, all of which are generally evaluated using market quotations or prices obtained from independent pricing services. Money market fund and fixed accounts consist of cash and short term investments valued using amortized cost, and is managed to maintain a constant value of $1, though not guaranteed. Under the amortized cost method, the instrument is initially valued at cost, and thereafter assumes the constant accretion/amortization to maturity.

Investments measured at net asset value (NAV) are valued by the number of shares invested in the fund (or participants' units) and the NAV per share. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

The following tables set forth the level, within the fair value hierarchy, of the Plan's asset values as of December 31,:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,517,365	$ 14,410	$ -0-	$ 2,531,775
Money market	-0-	1,879	-0-	1,879
Total assets in fair value hierarchy	$ 2,517,365	$ 16,289	$ -0-	$ 2,533,654
Investments measured at net asset value (a)				49,892
Total investments at fair value				$ 2,583,546

	(UNAUDITED) Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ -0-	$ 2,358,421	$ -0-	$ 2,358,421
Money market	-0-	-0-	153,190	153,190
Total assets	$ -0-	$ 2,358,421	$ 153,190	$ 2,511,611

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE 5 - TAX STATUS

The Company, on behalf of the Plan, has adopted the Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan, as submitted by ADP, LLC. The latest determination letter was received on October 6, 2020 in which the IRS stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, and therefore, believe that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The Company has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's previous three years tax returns remain open to inspection by the Internal Revenue Service.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - PARTIES-IN-INTEREST TRANSACTIONS

The Plan's investments are shares of funds managed and/or held by Empower and Reliance Trust Company during the year ended December 31, 2022. Empower and Reliance Trust Company qualify as parties-in-interest. The Company provides accounting and administrative services to the Plan at no charge. The Company also absorbs significant Plan expenses. The Plan Administrator is an employee and owner of the Company.

NOTE 8 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through December 28, 2023 which is the date the financial statements were available to be issued.
