REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Ohio Carpenters' Annuity Plan

Opinion

We have audited the financial statements of Ohio Carpenters' Annuity Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of April 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Ohio Carpenters' Annuity Plan as of April 30, 2023 and 2022, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)
Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OHIO CARPENTERS' ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

APRIL 30, 2023 AND 2022

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of Ohio Carpenters' Annuity Plan (the Plan) have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Employer contributions due and unpaid prior to year end are recorded as contributions receivable and include amounts for liquidated damages and underpayments. Employer contributions due as determined by payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. Amounts allocated to accounts of persons who had elected to withdraw from the Plan but had not been paid as of April 30, 2023 and 2022 totaled $6,671 and $4,953 respectively.

Service Revenue Reimbursements - The Plan receives reimbursements of service revenue fees paid to John Hancock Retirement Plan Services LLC (John Hancock) or its affiliates under contracts with investment option issuers. John Hancock reimburses the Plan up to $75,000 per quarter for payment of Plan operating expenses. In addition, John Hancock receives revenue from mutual fund service providers for services John Hancock provides to the funds. This revenue is used to offset certain amounts owed to John Hancock for its administrative services to the Plan. Reimbursements received for the years ended April 30, 2023 and 2022 totaled $476,931 and $605,819 respectively.

Revenue Recognition - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rate set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose in the carpentry industry as described in Note 2 within a jurisdiction primarily located in the state of Ohio.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Reciprocal Contributions - The Plan is signatory to reciprocity agreements with various other multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the regional councils. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union (reciprocating local). When a participant of the home local works in the territory of a reciprocating local, the latter is to make contributions to the former's fringe benefit plans on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local fringe benefit plans. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Employer contributions included reciprocal contributions of $2,591,624 and $2,044,967 for the years ended April 30, 2023 and 2022, respectively, from various other retirement plans under the terms of reciprocity agreements. The Plan remitted a total of $2,231,627 and $1,114,750 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended April 30, 2023 and 2022, respectively. Included in accounts payable at April 30, 2023 and 2022 are reciprocal contributions payable of $543,761 and $239,727 respectively.

Expenses - Certain investment related expenses are included with net (depreciation) in fair value of investments.

Plan Administration Costs - Any participant with an account balance is charged a $5 quarterly fee for recordkeeping and administration costs. In addition, a participant will be charged an annual fee of $75 if deemed inactive. Participants were charged a total of $319,831 and $288,746 for the years ended April 30, 2023 and 2022**,** respectively, which was used in full for payment of Plan administration costs.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through January 31, 2024, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established May 1, 1994 as a result of collective bargaining agreements between the Northeast Ohio District Council of Carpenters, the South Central Ohio District Council of Carpenters and the Construction Employers Association of Cleveland to provide retirement benefits for eligible participants. The Plan is primarily funded by employer contributions as specified in the collective bargaining agreements. Participant contributions are not permitted under the Plan. The Plan is a multiemployer defined contribution retirement plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Each participant's account is credited with the contributions made on their behalf and allocations of the Plan's net earnings or losses and charged with administrative fees. Allocations are based on Plan earnings, account balances, or specific participant transactions, as defined. The benefit to which participants are entitled is the benefit that can be provided from their account.

Contributions to the Plan are invested as directed by the participant in one or more of the custom investment options established by the Plan. In the absence of direction, contributions are invested in a default investment fund chosen by the Trustees. Participants must evaluate their own investment goals and objectives and choose the funds best suited to achieve those goals and objectives. Poor investment performance by the investments selected by the participants may cause their balances to be lower than the amounts contributed on their behalf.

Under the current provisions of the Plan, each participant's account becomes vested after two years of credited service. The Plan defines a year of service as a year during which a participant completes 200 hours or more of service.

Participants who are not yet vested will forfeit their account balance as of the date on which a one-year break in service is incurred. A one-year break in service is generally any Plan year during which a participant earns less than 200 hours of service. Forfeitures are generally used to defray the administrative expenses of the Plan. However, participants who become re-employed under the applicable collective bargaining agreement before incurring five consecutive one-year breaks in service have their previously forfeited balance restored. Net forfeitures during the years ended April 30, 2023 and 2022 totaled $9,076 and $1,518 respectively.

Upon death, disability, retirement or separation from service for more than 12 consecutive months, participants and their beneficiaries are entitled to receive their account balance subject to the payment provisions of the Plan. Benefits may be paid either in quarterly cash installment payments over a specified period not to exceed 10 years, or in a lump-sum payment.

Included in net assets available for benefits at April 30, 2023 and 2022 are unallocated accounts totaling $255,643 and $273,282 respectively, which may be used for administrative expenses incurred by the Plan.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan.

In the event of termination, all participants will become 100% vested and the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan's latest determination letter is dated September 28, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving its determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for tax periods in progress.

NOTE 5. FUNDING POLICY

The participating employers contribute such amounts as are specified in the collective bargaining agreements, which vary depending on the geographic area as well as type of work performed. The hourly contribution rates for the years ended April 30, 2023 and 2022 ranged from $.25 to $14.26.

NOTE 6. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of April 30, 2023 and 2022. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		Fair Value Measurements at 4/30/2023 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 346,680,231	$ 346,680,231	$ -	$ -
Other	71	-	71	-
	346,680,302	$ 346,680,231	$ 71	$ -
Investment measured at net asset value:				
Real estate investment fund	13,735,753			
Total	$ 360,416,055			

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

		Fair Value Measurements at 4/30/2022 Using		
	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	$ 341,110,620	$ 341,110,620	$ -	$ -
Other	75	-	75	-
	341,110,695	$ 341,110,620	$ 75	$ -
Investment measured at net asset value:				
Real estate investment fund	11,489,621			
Total	$ 352,600,316			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Level 2 Measurements

Other investments represent corporate bonds in default that have been substantially written off.

Measurements Using Net Asset Value as a Practical Expedient

The real estate investment fund is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The real estate investment fund is a direct filing entity (DFE) and files a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. Redemptions are available on a quarterly basis with a 90 day notice period.

NOTE 7. RELATED ORGANIZATIONS

The Plan shares certain common governance with several related tax-exempt organizations, which include a defined benefit pension plan, a health and welfare plan, a regional council and a service corporation.

Ohio & Vicinity Carpenters' Fringe Benefit Funds, Inc. (the Fringe Benefit Fund) is a service corporation whose purpose is to collect employer contributions on behalf of the Plan and other affiliated entities. Amounts due from the Fringe Benefit Fund at April 30, 2023 and 2022 of $572,645 and $157,227 respectively, represent contributions received by the service corporation but not yet remitted to the Plan at year end.

The Plan shares certain expenses with the related pension plan, health and welfare plan and the service corporation on a pro-rata basis. The Plan was owed $151,775 from the related pension plan for such expenses at April 30, 2023. No amounts were owed for such expenses as of April 30, 2022.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Due to inherent uncertainties involved in the valuation of investments that are not publicly traded, estimated fair values may differ materially from the values that would have been used had a ready market for the underlying securities existed.

NOTE 9. PARTY-IN-INTEREST TRANSACTIONS

John Hancock Retirement Plan Services LLC (John Hancock) and its affiliates are responsible for participant recordkeeping and distributions to Plan participants at the direction of the Board of Trustees. John Hancock maintains custody of a majority of Plan assets. Fees paid to John Hancock represent party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.

NOTE 10. CONCENTRATION OF PLAN INVESTMENTS

As of April 30, 2023 and 2022, the Plan held units in the John Hancock Bond Fund with a fair value of $131,862,215 and $131,262,743, respectively, which represented approximately 36% of net assets available for benefits as of both April 30, 2023 and 2022.

The Plan's exposure to a concentration of credit risk is limited by the diversification of investments across the participant directed fund elections. Additionally, the investments within each participant directed fund election are further diversified into varied financial instruments. Investment decisions are made, and the resulting risks are borne, exclusively but the Plan participant who made such decisions.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Ohio Carpenters' Annuity Plan

We have audited the financial statements of Ohio Carpenters' Annuity Plan (the Plan) as of and for the years ended April 30, 2023 and 2022, and our report thereon dated January 31, 2024, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
