To the Trustees of
Coastal Construction Products 401(K) Plan
Jacksonville, Florida

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3) Audit

We have performed audits of the financial statements of Coastal Construction Products 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the period then ended (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of March 31, 2023 (in liquidation) and December 31, 2022 (in liquidation), stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

Independent Auditor's Report
(Continued)

Opinion, continued

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1 to the financial statements, the governing body of the Plan approved a plan of liquidation on October 27, 2022, and management determined liquidation is imminent. As a result, the Plan changed its basis of accounting for periods subsequent to December 31, 2020 from the going concern basis to the liquidation basis of accounting. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Independent Auditor's Report (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Independent Auditor's Report
(Continued)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Coastal Construction Products 401 (K) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The effective date of the plan was January 1, 2008. The Plan is a defined contribution plan covering all employees who meet the eligibility requirements of Coastal Construction Products, LLC ("Company"). An employee is eligible to participate in the Plan once six months of service is completed and has attained age 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Termination

On November 1, 2022, Beacon Building Supply acquired Coastal Construction Products, LLC. As part of the acquisition, the Coastal Construction Products, LLC sole member and sole manager adopted a plan to terminate Coastal Construction Products 401(K) Plan on October 27, 2022.

Effective with the Plan's termination, all amounts credited to the participants' accounts became fully vested and are not subject to forfeiture. Additionally, no contributions or rollovers were allowed into the Plan subsequent to the last full payroll period before the Plan's termination. All participant account balances were distributed to participants as of March 31, 2023.

Contributions:

Prior to the termination, the Plan allowed participants to elect salary deferral contributions to the Plan in an amount up to 100% of their salary with a total amount not to exceed \$20,500 in the year ended December 31, 2022. Eligible participants age 50 or over could elect to defer additional catch-up contributions. The maximum catch-up contribution for 2022 was \$6,500. The Plan also allowed participants to contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. The Plan offered mutual funds and an insurance company fixed income account as investment options for participants. Each year, the Company made a contribution as defined in the Plan document.

Participant Accounts:

Each participant's account was credited with the participant's elective contributions, allocations of the Company's discretionary contributions and Plan earnings. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting:

Participants were immediately vested in their voluntary and employer contributions plus actual earnings thereon.

Payment of Benefits:

On termination of service due to death, disability, retirement, or other reasons, a participant receives an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount or, if the benefits qualify as eligible rollovers, all or a portion of the benefits may be rolled over to another qualified plan or IRA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan, Continued

Forfeitures:

Due to immediate vesting of all contributions, there were no forfeitures in the Plan.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

Effective October 27, 2022, the sole member and sole manager elected to terminate the Plan. As a result, the accompanying financial statements as of March 31, 2023 and December 31, 2022 have been prepared on the liquidation basis of accounting in accordance with U.S. GAAP. This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimate net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of March 31, 2023 and December 31, 2022 would be fair value. There were no material changes to the financial statements as a result of the change under the liquidation basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value as discussed at Note 5). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits:

Benefits were recorded when paid.

Plan Expenses:

The Plan sponsor and the Plan paid all trustee and asset management fees, legal, accounting and other service fees.

Subsequent Events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through January 31, 2024, the date the financial statements were available to be issued.

Note 3. Investments

During the period ended March 31, 2023, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$519,304.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements

The Plan applies generally accepted accounting principles for fair value measurements of financial assets and liabilities. These accounting principles define fair value and establish a hierarchy that prioritizes fair value measurements based on the types of inputs used for the various valuation techniques. The three levels of inputs used to measure fair value are as follows:

Level 1 - Values measured using quoted prices in active markets for identical investments.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at March 31, 2023 and December 31, 2022.

Mutual funds: reported at fair value based on the number of shares held at year end at the fund closing price quoted in an active market.

The following is a summary of the levels within the fair value hierarchy for the Plan's assets measured at fair value on a recurring basis as of March 31, 2023 and December 31, 2022:

Fair Value Measurements on a Recurring Basis as of March 31, 2023				
	Level 1	Level 2	Level 3	Total
Investments				
Mutual funds	\$ -			\$ -
Total	\$ -	\$ -	\$ -	\$ -

Fair Value Measurements on a Recurring Basis as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments				
Mutual funds	\$ 10,557,715			\$ 10,557,715
Total	\$ 10,557,715	\$ -	\$ -	\$ 10,557,715

Note 5. Guaranteed Investment Contract with Insurance Company

The Plan had assets invested in the Principal Fixed Income Guaranteed Option (the "Fund"), a fully benefit-responsive guaranteed investment contract. Principal maintains the contributions in a general account that is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTES TO FINANCIAL STATEMENTS

Note 5. Guaranteed Investment Contract with Insurance Company, Continued

The contract has certain restrictions that impact the ability to collect the full contract value for non-benefit responsive events. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Principal may not terminate the Fund at any amount less than contract value.

Note 6. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 7. Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could have materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

Note 8. Information Prepared and Certified by Custodian

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by Principal Trust Company for March 31, 2023 and December 31, 2022.

	<u>2023</u>	<u>2022</u>
Investments:		
Mutual funds	\$ -	\$ 10,557,715
Insurance company fixed income account	-	<u>3,182,728</u>
	<u>\$ -</u>	<u>\$ 13,740,443</u>
Investment Income	<u>\$ 533,693</u>	

Note 9. Party-in-Interest Transactions

Certain investments of the Plan are shares of funds managed by Principal Life Insurance Company, the Plan custodian. In addition, Merrill Lynch serves as financial advisor to the Plan and Economic Group Pension Services, Inc. ("EGPS") is the third party administrator. These transactions qualify as party-in-interest transactions. The Plan paid administrative expenses to Principal Life Insurance Company, Merrill Lynch, and EGPS of \$40,590 for the period ended March 31, 2023.
