Report of Independent Auditor

To the Trustees
Proactive MD Management Service 401(k) Profit Sharing Plan and Trust
Simpsonville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Proactive MD Management Service 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating the certified investments information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule of Delinquent Participant Contributions – Form 5500, Schedule H, Part IV, Line 4a and Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i, as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROACTIVE MD MANAGEMENT SERVICE 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1—Plan description

The following description of the Proactive MD Management Service 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all eligible employees of Proactive MC Management Services, LLC; Proactive MG GA, LLC; Proactive MD SC, PA; Proactive MSO, LLC; Proactive MD WI, SC; Proactive MD KY, PSC; Proactive MC, Inc.; Proactive MD OH, LLC; and Proactive MD NC, PC, (the “Company”).

Eligibility – Employees of the Company become eligible to participate after attaining the age of 21. The term eligible employee shall not include Union employees, non-resident aliens, and residents of Puerto Rico. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration – The Company is the Plan sponsor and Plan administrator. As of December 31, 2022, the assets of the Plan are held by Reliance Trust Company Trust Company, the “Trustee” or “qualified institution” of the Plan. As of December 31, 2021, the assets of the Plan were held by Mid-Atlantic Trust Company. Certain administrative functions are performed by employees of the Company, who receive no compensation from the Plan.

Contributions – The Plan allows for pre-tax 401(k) deferrals and Roth 401(k) deferrals. Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled into the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated fund until changed by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Participants may change their investment options at any time. The Plan has a fixed matching Company contribution of 100% of the first 1% of base compensation that a participant contributes to the Plan plus 50% of contributions over 1% up to 6% that a participant contributes to the Plan. The fixed matching Company contributions are participant directed as above. The Company may also elect to make nonelective profit sharing contributions to the Plan. There were no nonelective profit sharing contributions for the year ended December 31, 2022. The Company’s nonelective profit sharing contributions are participant directed as stated above. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and an allocation of (a) the Company’s contribution, (b) Plan earnings or losses, and (c) charged with an allocation of any administrative expenses and participant withdrawals. Allocations are based on participant earnings or account balances, as defined.

Vesting – Participants are vested immediately in their contributions, including rollovers, along with the Company’s matching contributions, and actual earnings thereon. Participants become fully vested in employer profit sharing contributions, if any, after three years of service.

Investments Options – Participants direct the Trustee as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time.

Payment of Benefits – Distribution of the vested portion of a participant’s account will occur upon the participant’s termination of service, retirement, death, or disability. If a participant becomes entitled to receive their benefit for any reason other than death, the account will be distributed in a lump-sum payment in an amount equal to the vested value of his/her account as defined by the Plan. At December 31, 2022, there were no benefit payments that had been requested but not yet paid.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1—Plan description (continued)

Forfeitures – Amounts forfeited from a participant's account shall be used to restore forfeitures, reduce Company contributions, or to pay reasonable Plan expenses. As of December 31, 2022 and 2021, the forfeiture balance was \$7 and \$4, respectively.

Notes Receivable from Participants – Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years unless the proceeds are used to acquire a principal residence. The loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Management has evaluated notes receivable from participants for collectability and has determined no allowance is considered necessary. At December 31, 2022, the interest rate was 3.25% to 4.75% for all outstanding loans.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could vary from the estimates that were used.

Risks and Uncertainties – The Plan provides for various investment fund options. Investments are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Notes Receivable from Participants – Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan is reduced, and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Unrealized gains and losses are recognized in the period in which they occur. Interest and dividends are recognized in the period earned and realized gains or losses on securities are recorded in the period of sale. Net (depreciation) appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 2—Summary of significant accounting policies (continued)

Payment of Benefits – Benefit payments are recorded when paid.

Administrative Expenses – Professional and other fees of the Plan are typically paid by the Company; however, the Plan is allowed to pay for such expenses. For the year ended December 31, 2022, the administrative expenses paid by the Plan were \$34,788. Personnel and facilities of the Company are used by the Plan for its accounting and other activities at no cost to the Plan.

Note 3—Information prepared and certified by the Plan’s qualified institution (unaudited)

The Plan sponsor has elected the method of annual reporting compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, as the qualified institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements.

- Investments, at fair value and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, dividends, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2022.

The Plan’s independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary schedule.

Note 4—Fair value measurements

U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability and in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

PROACTIVE MD MANAGEMENT SERVICE 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 4—Fair value measurements (continued)

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are description of the valuation methodologies used to measure the Plan's investments at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Money Market Fund – The Plan holds a money market investment, which is a public investment vehicle valued using net asset value ("NAV") provided by the administrator of the fund. The underlying assets are generally comprised of short-term securities representing high-quality, liquid debt and monetary assets. This money market fund is classified within Level 1 of the valuation hierarchy.

Mutual Funds – These investments are public investment vehicles valued using NAV provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and classified within Level 1 of the valuation hierarchy.

Stable Value Fund – Investments in the stable value fund are stated at estimated fair values, which have been determined based on the unit values of the funds. Each investment is valued at a daily calculated unit value, which is determined by the organization sponsoring such funds by dividing the funds' net assets at fair value by its units outstanding at each valuation date. The stable value fund has indirect investments in synthetic and traditional guaranteed investment contracts. As the investment is indirect, there is no readily determinable fair market value and the trust is valued at NAV practical expedient and is shown outside the fair value hierarchy.

Below are the Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels described above.

	Fair Value Measurements at December 31, 2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Money market fund	\$ 76,957	\$ -	\$ -	\$ 76,957
Mutual funds	3,528,986	-	-	3,528,986
Total assets at fair value	<u>\$ 3,605,943</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,605,943</u>
Stable value fund measured at NAV*				<u>423,916</u>
Investments at fair value				<u>\$ 4,029,859</u>

* In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The Plan recognizes transfers between levels as of the actual date of the event or change in circumstances that caused the transfer. There were no transfers between levels during the year ended December 31, 2022.

Note 4—Fair value measurements (continued)

Fair Value Measurements at December 31, 2021				
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total Fair Value
Money market fund	\$ 831,568	\$ -	\$ -	\$ 831,568

Total assets at fair value	<u>\$ 3,202,289</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,202,289</u>

The following table sets forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value as of December 31, 2022:

As of December 31, 2022	NAV Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Stable value fund	\$ 423,916	N/A	Daily	None

Note 5—Tax status

The Plan adopted a prototype non-standardized profit sharing with a cash or deferred arrangement plan which received a favorable opinion letter from the IRS on June 30, 2020, which stated the prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the opinion letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan continues to be tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6—Plan termination

Although the Company intends to maintain the Plan indefinitely, the Company may amend or terminate the Plan at any time in its sole discretion, subject to the provisions of ERISA. If the Plan is terminated, all amounts credited to participants' accounts will become 100% vested.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 7—Related party and party-in-interest transactions

Certain expenses are paid to the Trustee of the Plan for investment management services. Therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. During 2022, the Plan paid \$34,788 of administrative expenses to the Trustee.

Notes receivable from participants also qualify as party-in-interest transactions.

Note 8—Subsequent events

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent to the statements of net assets available for benefits date of December 31, 2022 through January 17, 2024, which is the date these financial statements were available to be issued.
