INDEPENDENT AUDITORS' REPORT

To the Plan Trustees
Vet Pride Service, Inc. 401(k) Plan
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Vet Pride Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vet Pride Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Vet Pride Services, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Adjustments to Prior Period Financial Statements

The financial statements of Vet Pride Services, Inc. 401(k) Plan as of December 31, 2021, were audited by other auditors whose report dated April 10, 2023, expressed an unmodified opinion on those financial statements. As more fully described in Note 12 to the financial statements, the Company has adjusted its 2021 financial statements to retrospectively apply the change in accounting from modified cash to accrual basis. The other auditors reported on the financial statements before the retrospective adjustment.

As part of our audit of the 2022 financial statements, we also audited the adjustments to the 2021 financial statements to retrospectively apply the change in accounting as described in Note 12. In our opinion, such adjustments are appropriate and have been properly applied. We were not engaged to audit, review, or apply any procedures to Vet Pride Services, Inc. 401(k) Plan's 2021 financial statements other than with respect to the adjustments and, accordingly, we do not express an opinion or any other form of assurance on the 2021 financial statements as a whole.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vet Pride Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vet Pride Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vet Pride Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and the Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VET PRIDE SERVICES, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

1. Description of Plan

The following description of Vet Pride Services, Inc. 401(k) Plan, formerly The Contractors Retirement Plan, (the "Plan") provides only general information. Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Vet Pride Services, Inc. (the "Company"). The Plan became effective on January 1, 2010 and was designed to provide participating employees a reward for their efforts to make the Company a success. The Company acts as plan sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Effective January 1, 2022 all assets were transferred to ADP, LLC and the name of the Plan changed to Vet Pride Services, Inc. 401(k) Plan.

Contributions

Participants may elect to defer up to 90% of their pre-tax compensation, subject to the annual contribution limits set by the Internal Revenue Service ("IRS"). The Company will also make prevailing wage contributions on behalf of each participant who performs services subject to the Service Contract Act, Davis-Bacon Act, or similar federal, state, or municipal prevailing wage statutes in an amount equal to the remaining balance of the prevailing wage defined bona-fide fringe benefit amount, based on the participant's employment classification. The Plan also permits rollover contributions from other qualifying retirement plans.

Participants' Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution, plan earnings, and certain administrative expenses. Allocations are based on participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their share of prevailing wage contributions and elective deferrals. Vesting in the Company's discretionary contributions is based on years of credited service. Participants are fully vested in discretionary contributions after completing six years of credited service.

Forfeited Accounts

The portion of a participant's account to which they are not entitled upon termination of employment is deemed a forfeiture. At December 31, 2022, forfeited non-vested accounts totaled \$0. Forfeited accounts may be used to reduce any employer contribution or to pay administrative expenses as permitted by the Plan's provisions.

1. Description of Plan (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to 50% of their vested account balance or \$50,000 reduced by the excess of the participant's highest outstanding loan balance during the twelve-month period ending on the date of the loan over the participant's current outstanding loan balance on the date of the loan. Participants may have only one loan outstanding at a time. Note terms range from one to five years, unless for the purpose of purchasing a primary residence. The notes are secured by the balance in the participant's account and bear interest at a fixed rate equal to the prime rate plus one percent (8.50% at December 31, 2022) as of the date of the new loan. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants at December 31, 2022 and 2021 were \$57,762 and \$156,134, respectively.

Payment of Benefits

Generally, the participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death, or disability, the participant may receive 100% of their account balance in a lump sum, partial payment, or installment payment. Participants who terminate their employment will receive their vested account balance under the same options as above. If the vested balance is less than \$5,000, a lump sum distribution is made. Participants are also eligible to take in-service withdrawals once they attain age 59 ½. Early retirement is permitted for participants who have attained age 55.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their account for immediate and severe financial need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Trustee and Special Trustee

Effective October 1, 2020, the Trustee of the Contractors Retirement Plan Master Trust changed from Pentegra Trust Company, the discretionary trustee, to ERISA Smart, Inc. as directed trustee, and LeafHouse Financial as the ERISA 3(38) Investment Manager Fiduciary for the Trust. The duties of the Investment Manager include selection and monitoring of the investment funds available to the Plan Sponsors that participate in the Trust. Effective January 1, 2022, the Plan was amended and restated to transfer all of the Plan's assets and accounting to ADP, LLC ("ADP") as trustee and third party administrator.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

2. Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 6 and 7 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in the value of investments are allocated to the participant accounts based on participant holdings in each fund.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participants' accounts.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

3. Federal Income Taxes

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing plan document. This document received an opinion letter dated October 6, 2020 in which the IRS stated the document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. The plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Reliance Trust Company ("Reliance"), the trustee of the Plan as of and for the year ended December 31, 2022, and was not subject to audit:

	<u>2022</u>
Mutual Funds	\$ 3,549,756
Notes Receivable from Participants	57,762
Interest and Dividends	\$ 102,562
Interest Income on Notes Receivable from Participants	6,406
Net Change in Value of Investments	(1,014,871)

All assets of the Plan were maintained under a group trust as of and for the year ended December 31, 2021. See Note 7 for additional information.

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit.

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
<u>December 31, 2022:</u>		
Mutual Funds	\$ 3,549,756	\$ 3,549,756
Total	<u>\$ 3,549,756</u>	<u>\$ 3,549,756</u>
<u>December 31, 2021:</u>		
Group Trust – 103-12 Investment Entity	\$ _____	\$ 5,319,222
Total Investments Measured at Net Asset Value	<u>\$ _____</u>	<u>\$ 5,319,222</u>

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 or 3 investments in the Plan.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

6. Fair Value Measurements (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end.

Group Trust – 103-12 Investment Entity: this investment is valued based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The Net Asset Value (“NAV”) is based on the market value of the underlying investments. The NAV is not a publicly quoted price in an active market.

7. Investment in Retirement Plan Group Trust

In 2021, the Plan invested in a group trust, The Contractors Retirement Plan Master Trust (the “Trust”), sponsored by Fringe Benefit Group, Inc. Under the terms of the plan document, all assets of the Plan were maintained in the Trust. The Trust filed a Form 5500 as a 103-12 Investment Entity.

The Contractors Retirement Plan Master Trust did not meet the definition of a master trust as that term is most commonly used. The Plan’s investment in the Trust represented the allocated net portion of the Trust that was attributable to The Contractors Retirement Plan sponsored by Vet Pride Services, Inc. and included all the Plan’s investments.

The Plan’s share of the net assets of the Trust was based on the underlying participant account values including the effects of contributions, allocated net investment income, withdrawals, and allocated administrative expenses. Net investment income, gains and losses were allocated to participating plans on a daily basis based on participants’ investment choices. At December 31, 2021 the Plan’s interest in the net assets of the Trust was less than 1%.

The following presents the fair value of investments of the Trustee at December 31, 2021:

Investments, at Fair Value

Mutual Funds	\$ 1,517,079,205
Collective Trusts	32,547,013
Insurance Company General Account	25,037,042
Cash and Cash Equivalents	<u>2,405,737</u>
	<u>\$ 1,577,068,997</u>

The investments held in the Trust were stated at fair value. Investments were valued based on unit values as reported to the Trust by insurance companies holding assets for the Trust. Certain agreements with insurance companies holding the Trust’s assets include provisions for withdrawals/surrender fees of up to 5% for participants with less than three years of participation in the Trust. These fees were normally charged against the participant’s account immediately prior to withdrawal.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022 and 2021

8. Party-in-Interest Transactions

Plan investments are managed by Reliance. Reliance is the trustee as defined by the Plan. ADP, LLC is the Plan's record keeper. Transactions with Reliance and ADP, LLC qualify as exempt party-in-interest transactions. Fees paid by the Plan to the trustee, record keeper and other parties-in-interest amounted to \$39,370 for the year ended December 31, 2022. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Prohibited Transactions

During 2022 and 2021, the Company failed to deposit \$2,721 and \$14,076, respectively, of participant deferrals within the required timeframe as stated by the Department of Labor ("DOL"). The DOL considers late deposits to be a prohibited transaction. The Company intends to calculate and deposit lost earnings related to these late remittances during 2023 and will file Form 5330 for applicable excise taxes on the delinquent participant contributions. The excise tax payment will be made from the plan sponsor's assets and not from the assets of the Plan.

11. Reconciliation to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	<u>2022</u>	<u>2021</u>

Change in Contributions Receivable	<u>32,152</u>
Total Net Loss per Form 5500	<u>\$ (1,867,838)</u>

12. Prior Period Adjustment

During 2022, the Company changed the basis of accounting from modified cash to accrual basis. A prior period adjustment was recorded to reflect contributions receivables in the correct period which resulted in the following changes to the Plan's 2021 financial statements:

	<u>As Previously Reported</u>	<u>Restatement Adjustment</u>	<u>As Restated</u>
Employee Contributions Receivable	\$	\$ 3,814	\$ 3,814
