INDEPENDENT AUDITOR'S REPORT

Hapag-Lloyd (America) LLC as Plan Administrator, and Participants of
Hapag-Lloyd (America) LLC Savings and Investment Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hapag-Lloyd (America) LLC Savings and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hapag-Lloyd (America) LLC Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Hapag-Lloyd (America) LLC Savings and Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hapag-Lloyd (America) LLC Savings and Investment Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Hapag-Lloyd (America) LLC Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hapag-Lloyd (America) LLC Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Hapag-Lloyd (America) LLC Savings and Investment Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Hapag-Lloyd (America) LLC Savings and Investment Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is intended to qualify under Internal Revenue Code (“IRC”) Section 401(a), and includes a cash or deferred arrangement that is intended to qualify under IRC Section 401(k).

The Plan is administered by the Employee Benefits Committee (the “Committee”), which is appointed by the board of directors of Hapag-Lloyd (America) LLC (the “Company” or “Plan Sponsor”). Empower Trust Company, LLC serves as the Plan’s trustee, recordkeeper, and investment custodian. CBIZ Financial Solutions, Inc. serves as the Plan’s investment advisor. Plan assets are invested in various investment funds as outlined in the Plan document.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participation

Each eligible employee of the Company shall become a participant in this Plan on the entry date coinciding with or following the employee’s attainment of age twenty-one (21) and the following service requirements:

- For purposes of participant contributions and employer matching salary deferral contributions, three (3) months of service must be completed.
- For purposes of the employer profit sharing contribution, generally six (6) months of service must be completed.

Contributions

Contributions are determined as follows:

- Participant Contributions* - As permitted under the provisions of Section 401(k) of the IRC, participants may defer up to 75% of their annual earnings and bonuses on a pre-tax basis or Roth 401(k) contributions on an after-tax basis. Both Pre-tax basis and Roth contributions were limited to a maximum of \$20,500 for the year ended December 31, 2022. All participants who have attained age 50 before the close of the taxable year shall be eligible to make additional contributions (catch-up contributions) to the Plan. Catch-up contributions were allowed to a maximum of \$6,500 for the year ended December 31, 2022.
- Employer Contributions - Matching Contributions* -The employer matching contribution is limited to 50% of each eligible employee’s salary deferral contribution up to a maximum of 6% of the employee compensation, for nonunion employees.
- Employer Contributions - Profit Sharing* - Additionally, the Company, will contribute an amount equal to 6% of the employee’s compensation up to the Social Security taxable wage base, plus an additional 5.7% of compensation in excess of the Social Security taxable wage base, for nonunion employees.

Hapag-Lloyd (America) LLC Savings and Investment Plan

Notes to Financial Statements

December 31, 2022 and 2021

Participants' Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's contributions, and an allocation of the Plan's earnings and losses (net of Plan expenses), and distributions, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions and Company contributions, including salary deferral and profit sharing contribution, into various investment options offered by the Plan.

Auto-Enrollment

The Plan includes an auto-enrollment provision whereby all new hires are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in the JP Morgan Smart Retirement Fund closest to the employee's projected retirement year until changed by the participant.

Auto-Escalation

The Plan includes an auto-escalation feature that automatically increases a participant's contribution percentage by 1% on January 1 of each Plan year until the participant either reaches a contribution percentage of 10% or affirmatively elects a different contribution percentage, opting out of auto-escalation.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution and profit sharing contributions and earnings thereon is based on years of service. A participant shall accrue a year of vesting service for each calendar year in which he/she has 1,000 or more hours of service. A participant vests 20% per year over five (5) years.

Forfeitures

Upon termination of a participant, their nonvested portion of the Company's contributions is forfeited as of the termination date. Forfeitures may be used to reduce future Company contributions or pay reasonable expenses of the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$119,849 and \$54,172, respectively. Forfeitures totaling \$212,359 and \$6,125 reduced employer contributions and funded administrative expense of the Plan, respectively, during the year ended December 31, 2022.

Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a fixed interest rate determined by the loan date based on the prime rate as published in the *Wall Street Journal* on the last business day of the month immediately preceding the month in which the loan was issued plus 1%. Any loan must be repaid within five (5) years, unless made for the purpose of acquiring the primary residence of the participant, in which case the loan must be repaid within ten (10) years. Certain loans remain outstanding that were initiated in plans acquired and merged into the Plan with loan terms that exceeded the terms as described above. Principal and interest are paid ratably through payroll deductions or payments by the participant. Notes receivable from participants bore interest rates ranging from 4.25% to 8.00% at December 31, 2022 and from 4.25% to 6.50% as of December 31, 2021. As of December 31, 2022 and 2021, loan maturity dates ranged from 2023 to 2032 and 2022 to 2031, respectively.

Hapag-Lloyd (America) LLC Savings and Investment Plan

Notes to Financial Statements

December 31, 2022 and 2021

Investment Elections

Each participant may direct their account balance into one or more of the investment options offered by the Plan or an individual directed brokerage option. The individual directed brokerage option allows the participant to direct contributions to be invested in interest-bearing cash and in any publicly traded investments, including common stocks and registered investment company funds. A participant may change such allocation and may transfer all or a portion of the value of his or her account in increments among the fund options at any time.

Payment of Benefits

On termination of service due to death, disability, or qualified retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments; however, balances less than \$1,000 will be paid via a lump-sum payment. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may also request in-service distributions upon attaining age 59 ½ or due to certain hardships.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes realized and unrealized gains and losses on investments bought and sold as well as held during the Plan year. Capital gain distributions are included in dividend income. There were no significant amounts of investment income due to the Plan as of December 31, 2022 and 2021. Certain investment related expenses are included in net appreciation (depreciation) of investments and are not readily determinable.

Payment of Benefits

Benefit payments are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid as of December 31, 2022 and 2021.

Risks and Uncertainties

The Plan provides for various investment options in registered investment companies and other investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, Plan management believes it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Hapag-Lloyd (America) LLC Savings and Investment Plan

Notes to Financial Statements

December 31, 2022 and 2021

The Plan's investments may directly or indirectly invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations, and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity, and related income of these securities is sensitive to changes in economic conditions, including real estate value, delinquencies of defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

Administrative Expenses

The Company may elect to pay all or some of the administrative expenses of the Plan. If the Company does not elect to pay all of the expenses, the remaining expenses will be paid by the Plan.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses was recorded as of December 31, 2022 and 2021.

3. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of funds managed by Empower Trust Company, LLC, the Plan's trustee, and its affiliates, therefore, these transactions qualify as party-in-interest transactions and are exempt from prohibited transactions rules. Fees paid by the Plan to Empower Trust Company, LLC and affiliates for recordkeeping and other administrative services amounted to \$6,739 for the year ended December 31, 2022.

4. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, the trustee of the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022 has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021 and the related investment and interest income on notes receivable from participants activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022, and the supplemental schedule H, part IV, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

5. FAIR VALUE MEASUREMENTS

As of December 31, 2022 and 2021, the Plan's investments were allocated among various investment funds and measured at fair value. Fair value is determined using assumptions that market participants would use in measuring the fair value of these funds. The fair value guidance establishes a three-level hierarchy, which maximizes the use of observable inputs and minimizes the use of unobservable inputs used in measuring fair value.

The three levels of inputs that may be used to measure fair value are as follows:

Level 1 - Quoted or published prices in active markets for identical assets.

Level 2 - Observable inputs, such as quoted or published prices for similar assets; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

Hapag-Lloyd (America) LLC Savings and Investment Plan
Notes to Financial Statements
December 31, 2022 and 2021

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using other methodologies.

Investments measured at fair value are summarized below:

Investments at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Investments				
Registered investment companies	\$ 53,443,889	\$ -	\$ -	\$ 53,443,889
Self-directed brokerage account	4,797,213	-	-	4,797,213
Investments measured at net asset value				
Common/collective trust funds (A)				159,696,694
Total investments at fair value	\$ 58,241,102	\$ -	\$ -	\$ 217,937,796

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments				
Registered investment companies	\$ 71,814,217	\$ -	\$ -	\$ 71,814,217
Self-directed brokerage account	6,189,264	-	-	6,189,264
Investments measured at net asset value				
Common/collective trust funds (A)				193,577,106
Total investments at fair value	\$ 78,003,481	\$ -	\$ -	\$ 271,580,587

(A) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

There were no changes in methodologies used at December 31, 2022 or 2021.

The following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2022 and 2021:

Registered Investment Companies and Self-Directed Brokerage Accounts: Valued at the quoted or published market prices held by the Plan at year-end.

Common/Collective Trust Funds: Fair value is determined by the respective fund manager using net asset value as a practical expedient for fair value. The net asset value is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. There were no significant unfunded commitments or restrictions on redemptions related to the Common/collective trust funds as of December 31, 2022 and 2021. Common/collective trust funds can be redeemed daily.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Hapag-Lloyd (America) LLC Savings and Investment Plan
Notes to Financial Statements
December 31, 2022 and 2021

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balance.

7. TAX STATUS

The Plan has adopted a prototype plan of an affiliate of its trustee. The Internal Revenue Service ("IRS") issued an opinion letter dated June 5, 2019 in which it stated that the form of the prototype plan is acceptable under the IRC for use by employers for the benefit of their employees. The Plan has not received a determination letter specific to the Plan itself and has been amended since receiving the opinion letter. However, the Plan administrator and the Plan's tax counsel believe the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan Sponsor has not taken any uncertain tax positions as of December 31, 2022 and 2021. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. There are no tax related penalties or interest reflected in these financial statements.

8. SUBSEQUENT EVENTS

These financial statements of the Plan have been approved by management and available for issuance on February 6, 2024; subsequent events have been evaluated through this date. Based on this evaluation, Plan management has determined that there are no significant subsequent events that require recognition or disclosure in these financial statements.
