## **Independent Auditors' Report**

To the Investment Committee of  
Tibbetts Lumber Co. LLC 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed the audit of the financial statements of the Tibbetts Lumber Co. LLC 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Effective January 1, 2022, the Plan was amended and restated in accordance with the Internal Revenue Service’s (“IRS”) mandatory restatement cycle.

The Plan accepts rollovers and direct transfers from other tax-qualified plans.

#### **(c) Participant Accounts**

Each participant’s account is credited with the participant’s contribution, the Company’s contribution, and plan earnings. The Plan allows participants to direct their contributions to any investment option available to the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account balance.

##### (d) Vesting

Participants are immediately vested in their elective contributions plus actual earnings. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 5 years of credited service.

| <u>Years of Service</u> | <u>Vested %</u> |
|-------------------------|-----------------|
| Less than 1             | 0%              |
| 1                       | 20%             |
| 2                       | 40%             |
| 3                       | 60%             |
| 4                       | 80%             |
| 5                       | 100%            |

##### (e) Notes Receivable from Participants

Participants may borrow from their vested account balance a minimum of \$500 and maximum of the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at the prime rate in effect in the month the loan is effective, plus two percentage points. Principal and interest are paid ratably through payroll deductions. The interest rates on all outstanding loans ranged from 5.25% to 7.5% at December 31, 2022.

Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments, the loan balance is reduced, and a benefit payment is recorded.

##### (f) Payment of Benefits

On termination of service due to death, disability or retirement, a participant shall be 100% vested in their accounts under the Plan. Normal retirement age under the Plan is 65. The Plan provides for benefit distributions by lump-sum payment. The Plan also allows for in-service withdrawals for those 59 ½ or older. Benefits are recorded when paid.

##### (g) Forfeited Accounts

The Plan had \$20 of forfeiture amounts available at December 31, 2022 and 2021, to reduce future Company matching contributions or pay plan expenses. During 2022, the Plan utilized \$6,670 in available forfeitures to reduce employer contributions.

##### (h) Hardship Withdrawals

The Plan allows participants to withdraw a portion of their account balance in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial need and must qualify with respect to plan provisions.

#### (2) **Summary of Significant Accounting Policies**

##### (a) **Basis of Presentation**

The financial statements of the Plan are prepared on the accrual method of accounting.

##### (b) **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

##### (c) **Investment Valuation and Income Recognition**

Investments are reported at fair value. Shares of registered investment companies are valued at quoted market prices.

Net depreciation in fair value of investments includes both realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at the end of the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

##### (d) **Administrative Expenses**

Administrative expenses of the Plan may be paid from the forfeiture account or directly by the Company. Participants of the Plan may be charged with administrative and transaction-based fees on a quarterly basis.

##### (e) **Risks and Uncertainties**

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

##### (f) **Notes Receivable from Participants and Interest Recognition**

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivables from participants is recorded when it is earned.

##### (g) **Withdrawals and Exchanges**

Withdrawals and exchanges between investment fund options by participants are recorded based upon the specific proceeds and cost of the investment at the date of withdrawal or exchange.

#### **(3) Trustee Certification of Plan Investments**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as of December 31, 2022 and 2021, as shown in the statements of net assets available for benefits;
- Total investment income, net depreciation in fair value of investments, and related investment activity for the year ended December 31, 2022, as shown in the statement of changes in net assets available for benefits;
- Assets held for investment purposes, as of December 31, 2022, included in the supplemental schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

#### **(4) Fair Value Measurements**

ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under ASC 820 are described below.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement:

- Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;
- Level 2: Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability (such as interest rates, volatilities, prepayment speeds, credit risks, etc.), or inputs that are derived principally from or corroborated by market data by correlation or other means;
- Level 3: Unobservable inputs for determining the fair values of assets and liabilities that reflect assumptions that market participants would use in pricing the assets or liabilities.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in methodologies used at December 31, 2022 and 2021.

### (5) Party-in-Interest Transactions

Notes receivable from participants are managed by the recordkeeper of the Plan and certified by the trustee at year end. These transactions qualify as party-in-interest transactions. While these transactions qualify as party-in-interest transactions as defined in Section 3(14) of ERISA, they are \$20,508 and expressly exempted from the prohibited transaction rules. Additional services are provided by ADP, Inc. and Reliance Trust Company that total \$6,207, to the Plan for recordkeeping and investment advisory services. These expenses are netted against investment return credited to plan participants.

### (6) Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate, at any time, the Plan subject to provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

#### **(7) Tax Status**

Effective January 1, 2022 the Plan has adopted the ADP pre-approved plan which received an opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The pre-approved plan document has been amended since receiving the opinion letter; however, the plan administrator and Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(8) Excess Contributions Payable**

The Plan's statements of net assets available for benefits as of December 31, 2022 and 2021 includes \$78,095 and \$13,219 respectively, of excess contributions payable to certain active participants to return to them excess deferrals required to satisfy the relevant nondiscrimination provisions of the Plan.

#### **(9) Subsequent Events**

The Plan's management has evaluated events and transaction for potential recognition or disclosure in the financial statements through February 5, 2024, the date the financial statements were available to be issued.
