Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Central Florida Pediatric Intensive Care Specialists, Inc. Retirement and Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2022 audit of the Central Florida Pediatric Intensive Care Specialists, Inc. Retirement and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Central Florida Pediatric Intensive Care Specialists, Inc. Retirement and Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter—Basis of Accounting

As discussed in Note 8 to the financial statements, the governing body of the Plan approved a plan of liquidation on January 30, 2023, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Central Florida Pediatric Intensive Care Specialists, Inc. Retirement and Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Central Florida Pediatric Intensive Care Specialists, Inc. Retirement and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Central Florida Pediatric Intensive Care Specialists, Inc. Retirement and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified

investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter—Auditor's Report on the 2021 Financial Statements

The financial statements of the Plan as of December 31, 2021, were audited by other auditors whose report dated December 14, 2022, expressed an unqualified opinion on those statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Central Florida Pediatric Intensive Care Specialists, Inc. Retirement and Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan originally effective January 5, 1994. The Plan has been amended and restated throughout the years to comply with tax legislation and most recently amended effective June 2022. The Plan is subject to the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Board of Directors is responsible for overseeing the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

General

The Plan is a safe harbor 401(k) plan sponsored by Central Florida Pediatric Intensive Care Specialists, Inc. and its participating employer, Night Lite Pediatric Center, LLC (the “Company” or “Employer”). The Plan was established effective January 5, 1994 and most recently restated January 1, 2015.

Employees who have attained the age of 21 and completed one year of service, during which they have been credited with at least 1,000 hours of service, are eligible to participate in the Plan. Employees may enter the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year coinciding with or next following the date eligibility requirements are met.

Participant Accounts

Plan participants are offered a choice of various investment options and allowed to change their investment options daily. Each participant’s account is credited and/or reduced by the participant’s elective deferral contributions and distributions, the Company’s contributions, and an allocation of the Plan’s investment earnings/losses and investment fees and any administrative expenses paid out of the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan.

Administration of the Plan

The Plan is administered by the Company. The Plan’s assets for the year were maintained and administered by Lincoln National Life Insurance Company (“Lincoln”, the “Custodian”). The Plan’s self-directed investments were held and managed by TD Ameritrade.

Contributions

Subject to certain limitations, under the Internal Revenue Code (“IRC”) Section 401(k), participants may contribute up to 100% of their annual compensation, subject to 2022 annual limits of \$20,500 and an additional \$6,500 for catch-up contributions for participants who are age 50 or older. Participants may also rollover amounts representing distributions from other qualified retirement plans. Contributions received from participants are net of excess deferral contributions refunded, as required to satisfy the relevant nondiscrimination provisions of the Plan.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Under the terms of the Plan, the Company makes safe harbor matching contributions equal to 100% of elective deferrals that do not exceed 3% of compensation plus 50% of elective deferrals between 3% and 5% of compensation. Each year, the Company may also elect to make a discretionary matching contribution to the Plan in an amount not to exceed 4% of compensation. The Company may also elect to make a discretionary profit-sharing contribution to the Plan. Participants must be employed on the last day of the Plan year to be eligible to receive a discretionary profit-sharing contribution. For the years ended December 31, 2022 and 2021, the Company made a profit-sharing contribution of approximately \$133,000 and \$503,000.

Investment Options

Under the Plan, participants may currently direct investments to any of 25 investment options or a self-directed brokerage account. Participants may change their investment options during election periods established by the Plan Administrator.

Forfeited Accounts

Forfeitures occur when a participant terminates employment and has not fully vested in a portion of the Company's contribution amounts. Forfeitures are used to reduce future Employer matching contributions. Such contributions may be reduced by the amount of forfeitures at the distribution of terminated participants' vested account balances or for terminated participants who have incurred five consecutive one-year breaks in service prior to such Plan year. As of December 31, 2022 and 2021, there were forfeited non-vested accounts totaling \$50,167 and \$9,454, respectively. There were no forfeitures applied to the Company contributions receivable or plan expenses for the year ended December 31, 2022. There was approximately \$43,000 of forfeitures applied to the Company contributions receivable or plan expenses for the year ended December 31, 2021.

Vesting

Participants are immediately 100% vested in their respective salary deferrals, the Company's safe harbor nonelective contributions, the Company's qualified non-safe harbor nonelective contributions, the Company's safe harbor qualified matching contributions, and actual earnings thereon. Vesting in the Company's profit-sharing contributions and the Company's non-safe harbor nonqualified matching contributions, plus actual earnings thereon, is based on years of credited service. The vesting for these contributions follows a graded schedule as follows:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

NOTE 1 - DESCRIPTION OF PLAN (*Continued*)

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. A participant may not have more than two outstanding notes at any time. The notes are secured by the balance in the account and bear interest at a rate that is consistent with current market rates upon issuance. The maximum note repayment period is five years, unless the note is for the purchase of a primary residence in which case the repayment schedule may be for a term in excess of five years.

Payment of Benefits

Upon termination of employment, death, disability, or attainment of normal retirement age, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or in installments as elected by the participant if the participant's vested account balance exceeds \$5,000. If a participant's vested account balance does not exceed \$5,000, then the participant's benefit may only be distributed in the form of a single lump sum distribution.

The Plan allows for in-service distributions if a participant reaches age 59 1/2 subject to Plan provisions. In addition, a participant may withdraw his or her rollover contributions at any time. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000 and the participant has not consented to the distribution, the benefit to which the participant is entitled will be rolled into an individual retirement account in the participant's name.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP").

Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts. There are no material changes to the 2022 financial statements as a result of the change under the liquidation basis of accounting. All investments of the Plan are stated at fair value (the estimated net realizable cash value for investments as of December 31, 2022 are equivalent to fair value). Purchases and sales of investments are recorded on a trade-date basis. The cost of Plan investments sold is determined by the average cost method. Distributions are recorded when paid. Notes receivable from participants represent participant loans recorded at their unpaid principal balance plus any accrued interest. Interest income on notes receivable from participants are recorded when earned.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in cash and cash equivalents, pooled separate accounts, and self-directed brokerage accounts are stated at fair value. See Note 4 for a discussion of fair value measurements.

The underlying securities in each pooled separate account are listed on national securities exchanges and valued on the basis of year-end closing prices. Securities traded in the over-the-counter market are valued at the closing price.

Participant Notes Receivable

Principal and interest payments with respect to participant notes are credited solely to the account of the borrowing participant from which the note was made. Participant notes receivable are measured at their unpaid principal balances plus any accrued interest, which approximates fair value. Delinquent notes are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Plan Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment-related expenses are included in the net depreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefit.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Plan management has evaluated subsequent events and transactions that occurred after December 31, 2022 and up to the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION PREPARED/CERTIFIED BY THE PLAN CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation/(depreciation) in fair value of the investments, interest, dividends, and interest income from notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Lincoln, the insurance company of the Plan, as of and for the years ended December 31, 2022 and 2021. Investments held and certified by the insurance company and custodian at December 31:

Self-directed brokerage accounts	16,793	21,919

Net (depreciation) / appreciation on pooled separate accounts	<u>\$ (997,839)</u>	<u>\$ 640,490</u>
Interest income from notes receivable from participants	<u>\$ 22</u>	<u>\$ 295</u>

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, are described as follows:

- Level 1: Quoted market prices in active markets for identical assets or liabilities.
- Level 2: Observable market-based inputs or unobservable inputs that are corroborated by market data.
- Level 3: Unobservable inputs that are not corroborated by market data.

CENTRAL FLORIDA PEDIATRIC INTENSIVE CARE SPECIALISTS, INC.
RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled Separate Accounts: Valued at the net asset value ("NAV") of units as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

Self-Directed Brokerage Accounts: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2022			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$ 16,793	\$ -	\$ -	\$ 16,793

	2021			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$ 21,919	\$ -	\$ -	\$ 21,919

Investments measured using the NAV as a practical expedient are exempt from being presented in the fair value hierarchy.

During the years ended December 31, 2022 and 2021, there were no transfers between levels within the fair value hierarchy.

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in a guaranteed investment contract (GTEE Guaranteed Stable Value Account, "the Fund") provided through a group annuity contract. Under the Fund, a crediting rate is established and is credited with contributions and charged for participant withdrawals and administrative expenses charged by the Custodian of the Funds. The guaranteed investment contract issuers are contractually obligated to repay the principal and a specific interest rate that is guaranteed to the Plan.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

CENTRAL FLORIDA PEDIATRIC INTENSIVE CARE SPECIALISTS, INC.
RETIREMENT AND SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT *(Continued)*

Fully benefit-responsive investment contracts, at contract value, on the statement of net assets consist of the following investment(s):

	<u>2022</u>	<u>2021</u>
Group Annuity Contract- GTEE Guaranteed Stable Value Account	\$ <u>1,110,529</u>	\$ <u>726,730</u>

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan,) (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures of spin- offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transactions exempt under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - TAX STATUS

The underlying volume submitter profit sharing plan has received an opinion letter from the IRS dated June 30, 2020 stating that the written form of the underlying volume submitter document is qualified under Section 401(a) of the IRC, and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan's administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Plan management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax- exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to examination by taxing authorities for years prior to 2020.

NOTE 8 - PLAN TERMINATION

On January 30, 2022 the Plan Sponsor elected to formally terminate the Plan by resolution of its Board of Directors making liquidation imminent. Termination of the Plan triggered all amounts credited to participants' accounts to be 100 percent vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

NOTE 9 - PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain investments are managed by the Custodian. Transactions related to these investments qualify as exempt party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid to parties-in-interest by the Plan for services amounted to \$40,228 during the year ended December 31, 2022.
